- Are you a teacher with less than 2 years of experience looking to enhance your classroom management strategies? Join us for a dynamic one-hour training session designed just for you!
- During this session, you'll learn proactive techniques to prevent unexpected classroom behaviors and discover effective strategies for responding calmly to challenges.
- Those who attend will receive a valuable resource to support their success as a classroom teacher in the 2024-2025 school year!
- For 1 hour credit towards a salary point, please register on MyPLN:
