The intake process includes the gathering of basic information, and a bio-psycho-social assessment to help staff determine appropriate interventions according to each young person's needs. Information gathered during intake includes, but is not limited to, the length of time that a youth has experienced homelessness, their engagement with the juvenile justice or foster care system and/or their parenting status. The Intake & Crisis Care team receives ongoing supervision and training to identify risks commonly confronting youth experiencing homelessness, including suicidal ideation and human trafficking, allowing intake specialists to refer youth to the most appropriate resources and interventions. My Friend's Place is continuing to provide essential care to youth. While we are limiting drop-in services temporarily, we are still providing youth with meals, clothing and emergency supplies, medical care and assessment, as well as providing case management services and housing support. We are continuing to utilize our outdoor space, such as the parking lot, patio, and front gate, to provide young people with critical resources while remaining masked and socially distanced.

### Los Angeles Reconnection Career Academy (LARCA) Centers

The Los Angeles Economic and Workforce Development Department (EWDD) created the Los Angeles Reconnections Career Academy (LARCA) program as a means of addressing the extensive education and employment needs of the city's sizable out of school youth population ages 16 to 24 with education, training and employment services, alongside case management and other supportive services, using a career pathways mode. Funded by Workforce Innovation Fund (WIF) grant from the U.S. Department of Labor. Interested in accessing services; please call a Career Coach to learn more about referral process.
