Rene Gonzalez, Executive Director  
Student Health and Human Services  

DATE: July 16, 2012  

POLICY: The Los Angeles Unified School District is committed to providing a safe, civil and secure school environment. In order to fulfill the District's mission, it is essential that all LAUSD students are able to learn in an environment that is safe and free from acts of intimidation, threats of violence or actual violence. No individual shall be subjected to retaliation, reprisal, or disciplinary action for reporting acts pursuant to this policy.

All students, employees and parents are expected to adhere to the Board of Education's Resolution of Core Values to Keep our Students Safe (April 8, 2008) which states:

1. The most important responsibility of all District employees is the safety of our students;
2. No person who presents a recognized threat to the physical or emotional health of students will knowingly be allowed to come into contact with children in our care;
3. In balancing the safety of our students against the rights of adults, children always come first.  
(see Attachment I, Board Motion/Resolution)

Any student who commits acts of violence or threatening behavior at school or any school related activity may be subject to removal from the premises, subject to disciplinary action and/or subject to criminal penalties. This action may be taken when there is reasonable cause to believe that such person has willfully disrupted the orderly operation of such campus or facility, as defined in Education Code §32210.

This policy encompasses behaviors or actions by students. The policy is applicable to all schools, District and school-related activities and in all areas within the District’s jurisdiction.
MAJOR CHANGES: This Bulletin replaces BUL-1119.1, titled “Organizing for Assessing and Managing Threats,” on the same subject issued by the Office of the Chief Operating Officer, dated December 7, 2005. It provides updated information and clarification of guidelines for Threat Assessment and Management (TAM) procedures at schools.

PURPOSE: The purpose of this bulletin is to outline administrative procedures governing school violence and threats involving students.

BACKGROUND: Violence results in significant human and fiscal costs and disrupts the learning environment. Threat and violence risk assessment and management in the educational setting is recognized as a challenging and dynamic process that calls for responses and interventions from administration, staff, law enforcement and the school community.

GUIDELINES: The following guidelines apply.

I. DEFINITIONS

School Violence
School violence falls on a continuum that recognizes severity, frequency, and recency. Violence can be impacted by individual characteristics, environmental stressors, and/or the relationship between involved parties. It is any act of physical, verbal or emotional aggression, and represents a continuum of behaviors that includes threats, violence, harassment, bullying, stalking, vandalism, emotional abuse, intimidation, and other forms of conduct that create anxiety, fear, and a climate of distrust in the educational setting.

Threat
The expression of a willful intent or desire to inflict harm that would likely result in death, bodily injury, physical damage to property, or disruption to institutions or District-sponsored activities. A threat may be direct, indirect, verbal, non-verbal, written, or electronic and may target an individual, a particular group on campus, the entire school, or the community.

Bullying
Any severe or pervasive physical or verbal act or conduct, including electronic communications, and including one or more acts committed by a pupil or group of pupils, directed toward one or more pupils that has or can be reasonably predicted to have one or more of the following effects on a reasonable student:
1. Reasonable fear of harm to person or property of student(s)
2. Substantially detrimental effect on physical or mental health of student(s)
3. Substantial interference with academic performance
4. Substantial interference with ability to participate in or benefit from school services, activities, or privileges
Hate Violence
Any act punishable as a hate crime under the Penal Code, including a criminal act (threat, injury, use of force, damage or destruction of property) committed, in whole or in part, because of one or more actual or perceived characteristics of the victim: (1) disability; (2) gender; (3) nationality; (4) race or ethnicity; (5) religion; (6) sexual orientation; and/or (7) association with a person or group with one or more of these actual or perceived characteristics.

II. RESPONSIBILITIES OF DISTRICT EMPLOYEES

All District employees are expected to:
- Adhere to the Threat Assessment and Management (TAM) policy and act in accordance with the policy.
- Report any suspected threats to the site administrator or designee immediately or as soon as possible.
- Cooperate in the investigation of complaints by providing relevant information.

A. Administrator/Designee must:
   1. Establish a safe and respectful school environment.
   2. Establish a multi-disciplinary school site threat assessment team, in accordance with the Coordinated Safe and Healthy School Plan, Volume 3.
   3. Ensure that the TAM policy is implemented; including all applicable protocols (see Section III).

B. Educational Service Center (ESC) Administrators and Staff must:
   1. Be responsible for enforcing the TAM policy.
   2. Designate ESC staff to ensure the implementation of this policy and provide guidance and support, as needed, to the school site team.

C. Central Office Staff must:
   1. Support this policy by assisting schools with guidance and support, as needed.
   2. Align this policy with related District initiatives.

III. PROTOCOL FOR RESPONDING TO SCHOOL VIOLENCE AND THREATS

The following are general procedures for the administrator/designee to respond to any reports of violence or threats in schools, at District and school-related activities and in all areas within the District’s jurisdiction. The urgency of the situation will dictate the order and applicability in which the subsequent steps are followed. (See Attachment A for an abbreviated version of the protocol indicated below.)
A. Secure Campus/Office Safety
   1. Call 911 for immediate, emergency life threatening situations.
   2. Call Los Angeles School Police Department (213) 625-6631 or local law enforcement for assistance at the school site or school related activity.
   3. Secure site and/or implement lockdown, if necessary.
   4. Contact the Los Angeles County Department of Mental Health ACCESS (800) 854-7771 for a mental health evaluation to determine risk to self or others and possible hospitalization (see Section III, H3).
   5. Warn the intended victim(s) of the threat and/or take reasonable steps to protect the threatened individual(s) in the educational setting. If the targeted individual is a student, take appropriate steps to warn the parent/guardian.
   6. For assistance and consultation, contact School Mental Health, Crisis Counseling and Intervention Services at (213) 241-3841.

B. Notify
   1. ESC Operations staff.
   2. Other offices, as appropriate (see Attachment H, Resource List).

C. Investigate
   Prior to convening a multi-disciplinary threat assessment team, designated staff from the team should gather background information that includes:
   1. Student information (e.g., name, date of birth, address)
   2. Emergency information (e.g., family contact, health care provider information)
   3. Attendance records
   4. Student cumulative records, including Individualized Education Program (IEP), psycho-educational assessment, prior school records
   5. Student discipline records, including any history or discipline related to the incident
   6. Student health information, including self-injurious behavior and/or suicidal ideation
   7. Review of District computers and property (e.g., desks, books, lockers), as applicable, if reasonable suspicion exists for an administrative search
   8. Personal communication devices, as applicable, if reasonable suspicion exists for an administrative search
   9. Statements from witnesses (e.g., students, teachers, other staff)
   10. Family situation information
   11. Triggering events or other personal stressors (e.g., mental/physical health, death, divorce, economic or family stressors, relationship
problems)
12. Access to weapons
13. Other pertinent information (e.g., written material, e-mails, pictures, social network postings)

The privacy of all students should be protected at ALL times, disclose information only on a need to know basis.

D. Convene a Threat Assessment Team
The multi-disciplinary team may include, but not be limited to, an Administrator, a Los Angeles School Police Department Officer, and a mental health professional (e.g., Psychiatric Social Worker, School Psychologist, Pupil Services and Attendance Counselor). The student making the threat, the targeted individual(s) or witness(es) should not be part of the threat assessment team meeting.

Critical roles of effective teams include:
1. Communication among all key stakeholders. The administrator/designee shall coordinate and document all actions.
2. Collaboration with other professionals across institutional boundaries, including local law enforcement, community mental health agencies, child protective services, and probation.
3. Coordination of services for prevention, early identification, and interventions.
4. Sharing of confidential information shall be restricted to those persons with a need to know basis. Information must not be discussed or divulged concerning any involved parties to any other person(s).
5. Consultation with other resources may include: ESC Administrator of Operations, ESC Operations Coordinators; Office of General Counsel; Educational Equity Compliance Office; Crisis Counseling and Intervention Services; Human Relations, Diversity and Equity; Division of Special Education; Behavior Support Unit; and Student Discipline, Expulsion and Support Unit.

E. Assess for Risk to Self or Others
1. The administrator/designee or the designated school site threat assessment team member will meet with the student to complete a risk assessment using Attachment B, School Violence Risk Assessment Checklist and Attachment C, Suicide Risk Assessment Checklist. The questions should not be read to the student, but rather should be used as a guide while assessing the student.
2. The multi-disciplinary threat assessment team will determine the level of risk by reviewing Attachment B, School Violence Risk Assessment Checklist and Attachment C, Suicide Risk Assessment Checklist, as needed:
• **Low Risk** - Does not pose imminent danger to self or others; insufficient evidence for violence potential.

• **Moderate Risk** - May pose imminent danger to self or others, but there is insufficient evidence to demonstrate a viable plan of action to do harm.

• **High Risk** - Poses imminent danger to self or others with a viable plan to do harm and exhibits extreme and/or persistent inappropriate behaviors; sufficient evidence for violence potential; qualifies for immediate arrest or hospitalization.

F. **Suspected Child Abuse**
   If child abuse is suspected or there is concern that contacting the parent may escalate the student’s current level of risk, and/or the parents/guardians are contacted and unwilling to respond, report the incident to the appropriate child protective services agency following the District’s *Child Abuse and Reporting Requirements*, BUL-1347.2. This report should include information about the student’s suicide risk.

G. **Determine Appropriate Action Plan**
   Interventions will be based upon the severity and potential risk of the threat. The action plan determined by the team should be documented and managed by the school site administrator/designee. Actions may include:
   1. Contact with and/or apprehension of student(s) who initiated the threat.
   2. Removal of student from premises.
   3. Conference with student(s) initiating the threat and his/her parent(s) and consider appropriate interventions, including access to mental health services, case management, school or community resources. Other actions may include discipline, change of class(es), and/or change of school.
   4. Consider the possibility that there are circumstances that might increase the likelihood of an attack that may need to be addressed. Examples of triggers may include bullying, suspension, expulsion, relationship problems, significant loss, or interpersonal conflict.
   5. Warn and protect the targeted individual(s) of the threat and/or take reasonable steps to protect the targeted individual(s) in the school, when appropriate. If the targeted individual is a student, take appropriate steps to warn the parent/guardian.
   6. Design support system for the targeted individual and/or student who initiated threat, if appropriate.
   7. Obtain a restraining order, when appropriate.
   8. Monitor progress toward reestablishing school safety.
H. **Additional Actions**

Additional interventions may be required if the behavior falls under any of the following categories:

1. **Criminal Threat (bodily harm or an immediate physical threat)**
   a. Call Los Angeles School Police Department or local law enforcement.
   b. Warn the targeted individual(s) and their parent/guardian of the threat and/or take reasonable steps to protect the targeted individual(s) while attending school or a school related activity/event.
   c. Notify the ESC Operations staff and Student Discipline and Expulsion Support Unit.

2. **Disciplinary Action**
   a. Contact Student Discipline and Expulsion Support Unit to discuss procedures for discipline and/or intervention.
   b. If the student has an IEP, consult the appropriate staff from the Division of Special Education.
   c. Notify the ESC Operations staff.

3. **Mental Health Evaluation**
   a. While in school or at a school-sponsored activity, students who present with severe mental health/behavior issues, such as depression, homicidal or suicidal ideation, should be addressed by an administrator/designee to discuss any concerns for their safety and health/mental health well-being.
      (1) Determine the level of risk by reviewing Attachment B, School Violence Risk Assessment Checklist and Attachment C, Suicide Risk Assessment Checklist, as needed. If the behaviors are determined to be high risk, secure emergency services by calling 911, Los Angeles County Department of Mental Health ACCESS (800) 854-7771, and/or School Police (213) 625-6631.
      (2) Supervise and monitor the student until appropriate assistance arrives.
      (3) Non-law enforcement District employees should not transport students exhibiting the behaviors noted above.
   b. Contact law enforcement to conduct a welfare check, as appropriate.
   c. For assistance and consultation, contact Crisis Counseling and Intervention Services, School Mental Health at (213) 241-3841.

I. **Student Re-entry Guidelines**

1. A student returning to school following hospitalization, including psychiatric and drug or alcohol inpatient treatment, must have
written permission by the health care provider to attend school (see Attachment E, Medical Clearance for Return to School).

2. If the student has been out of school for any length of time, including mental health hospitalization, the school site administrator/designee may consider holding a re-entry meeting with key support staff, parents, and student to facilitate a successful transition. See Attachment D, Student Re-entry Guidelines for a checklist of action items to consider.

3. As appropriate, consider an assessment for special education for a student whose behavioral and emotional needs effect their ability to benefit from their educational program (see REF-5578.0 Guidelines for Individualized Education Program Teams Regarding the Social-Emotional Needs of Students with Disabilities, October 17, 2011).

4. If the student is transferred to another school or location, the site administrator/designee should communicate with the receiving school to assist with the transition and ensure continued support services for the student. See Attachment D, Student Re-entry Guidelines for a checklist of action items to consider.

J. Provide Resources (see Attachment H, Resource List)
1. For mental/physical health services, refer the student to School Mental Health, a community resource provider, or their health care provider.
2. For students who pose a risk to themselves, provide the 24/7 Suicide Prevention Crisis Line (877) 727-4747.

K. Monitor and Manage
1. The administrator/designee will monitor and manage the case as it develops and until it has been determined that the individual no longer poses an immediate threat to self or others.
2. Maintain consistent communication with appropriate parties on a need to know basis.
3. Update iSTAR, as needed.

L. Document All Actions
1. Each administrator/designee shall maintain records and documentation of actions taken at the school for each case by completing an incident report in the iSTAR.
2. The administrator/designee notes taken during the threat assessment meeting are for use by Los Angeles Unified School District attorneys. No copies of the notes shall be furnished to anyone including employees, students, or parents without permission from the Office of General Counsel. Attachment G, Inter-office Correspondence, may be used to document notes during a threat assessment meeting.
3. Notes, documents and records related to the incident are considered
confidential information and remain privileged to authorized personnel. These notes should be kept in a confidential file separate and apart from the student’s cumulative records.

IV. **RESPONDING TO SUICIDAL IDEATION AND BEHAVIOR**

For matters related to students exhibiting suicidal ideation and/or behaviors, follow guidelines as indicated in BUL-2637.1 Suicide Prevention, Intervention and Postvention, July 16, 2012 or contact the ESC Operations staff.

V. **RESPONDING TO STUDENTS WITH DISABILITIES**

VII. **RESPONDING TO HATE VIOLENCE**

For incidents or threats related to hate-motivated violence follow guidelines as indicated in BUL-2047.0 Responding to and Reporting Hate-Motivated Incidents and Crimes, dated October 10, 2005 or contact the ESC Operations staff.

VIII. **CONFIDENTIALITY**

All matters are confidential and may not be shared, except with those persons who need to know. Information sharing should be within the
confines of the District’s reporting procedures and investigative process. The District will not tolerate retaliation against anyone for reporting threatening behaviors.

Multi-disciplinary threat assessment team determines the level of risk.
F. □ SUSPECTED CHILD ABUSE (When reporting child abuse, include information about the student’s threat and suicide risk)

G. □ DETERMINE APPROPRIATE ACTION PLAN (Interventions will be based upon the severity and potential risk of the threat. The action plan determined by the team should be documented and managed by the school site administrator/designee.)

H. □ ADDITIONAL ACTIONS
   May be required if the behavior falls under any of the following categories:
   4. Criminal Threat (bodily harm or an immediate physical threat)
   5. Disciplinary Action
   6. Mental Health Evaluation

I. □ STUDENT RE-ENTRY GUIDELINES (If the student has been out of school for any length of time, including mental health hospitalization, or will be transferring to a new school, the school site administrator/designee may consider using re-entry guidelines for a successful transition. See Attachment D.)

J. □ PROVIDE RESOURCES (see Attachment H, Resource List).
