WHAT YOU CAN DO

- Continue to **educate yourself & others** (raise awareness)
- Help children **develop & maintain good self-esteem**
- Talk about **healthy relationships** with your children
- Know what your **children are doing online**
- Know **where** they are & **who** they are with (online & in real life *IRL*)
- Teach your children **skills for resiliency** (*awareness of surroundings*)
- Teach them to **listen to their gut**
- Maintain **open communication with your children**
