Finding and Accepting Jobs over the Telephone

Before any features are available, you must register with the system and create a PIN. The Access ID and PIN are used for all interactions with the system.

Call-in

From the main menu, select one of the following options.

1. Review or Cancel Assignments
Job information is played. Current and future jobs are played in job number order. After each job is played, you may be allowed to cancel the job. If this option is not played, contact the system operator. To cancel a job, enter a reason from the list of decline/cancellation reasons. Canceling an assignment on the day of the job may result in being disqualified from being offered other jobs for today.

2. Hear Available Jobs
If feature is enabled, listen to available jobs. During morning callout, only jobs for today are played.

3. Review or Modify Callback number
The number currently in your profile is played. Enter all digits that will be required to call you from the location of the system. Include the long distance code and/or area code.

4. Review or modify Temporary Do not Call Time
If feature is enabled, enter a time that the system can resume calling you.

5. Review or Modify Unavailability dates
Your current and future unavailability dates are played in start date order. You are not offered jobs that occur during this period. The unavailability period does not restrict you from calling the system and hearing jobs for any date.

Call-in (continued)

6. Review or Modify Daily Availability

- Review or delete time periods you are available to work.
- Enter a new time period you are available to work.
- Review or delete a time period you do not want to receive calls.
- Enter a new time period that you do not want to receive calls. When entering a time period, select the days/times.

7. Change PIN or Name Recording

Job Offers

When the system calls you about an open job, the job information will play, including the absent employee's name, the location, classification, and dates and times of the job. Also, if special instructions were recorded for the job, they will be played. You can accept or decline the assignment. If you decline the assignment you will be asked to enter a reason for the decline and you may be disqualified from other job offers for that day during the morning callout.

Assignment Cancellations

Substitute cancelled assignment notification calls are made once an hour during callout periods. The details of the cancelled job are played. You will automatically be made available for other jobs during the time period that was held by the canceled job.

Call-out

Substitutes are called and offered jobs. The system may also call to inform a substitute of an assignment cancellation.

A substitute can:

- **Press the star (*) key for the system to wait up to 2 minutes**
  When the system calls, if someone else answers the telephone and has to locate you or you have to locate your login information, the system can be told to wait for approximately two minutes. If, at that time no Access ID is entered, the system will disconnect and record that the result of the call was a no answer.

- **Access the system**
  Enter your Access ID and PIN, both followed by the star (*) key.
