CAREER AND TRANSITION CENTERS (CTC)

Overview

Students at Career and Transition Centers focus on the development of life and employment skills. These programs provide for community integration through work experiences, independent living skills development, and community-based instruction.

Eligibility

Students that are eligible for services provided at the Career and Transition Center must meet the following criteria:

- Have completed the fourth year of high school or are 18 years old
- Eligible for special education services (up to 22 years old)
- Currently on an alternate curriculum

**Promoting and
supporting successful
transition from school
to adult life.**

Benefits for Students

- Development of daily living skills, independence, and self-advocacy skills
- Career Awareness & Pre-Employment Preparation: resumes, applications, interview techniques
- Community integration
- Development of Job Skills & work experience opportunities
