

Los Angeles Unified School District Workers' Compensation Program Pre-designation of Physician Form

In the event of a work related injury or illness, I request to be treated by my personal physician. I understand this designation may only be made **before** the date of injury. I understand that I must have group health coverage for non-industrial injuries or illnesses in order to pre-designate.

The physician I selected meets the following criteria:

- Is my personal medical doctor (M.D.), doctor of osteopathic medicine (DO) or medical group.
- Is my regular physician, who shall be either a physician who has limited his or her practice of medicine to general practice or who is a board-certified or board-eligible internist, pediatrician, obstetrician-gynecologist, or family practitioner, and has previously directed my medical treatment, and retains my medical records.
- Your "personal physician" may be a medical group if it is a single corporation or partnership composed of licensed doctors of medicine or osteopathy, which operate an integrated multispecialty medical group providing comprehensive medical services predominantly for nonoccupational illnesses and injuries
- Agrees before the injury to be designated as my physician in the event an industrial injury occurs.

If my personal physician is not qualified to treat the injury or declines to provide treatment, my employer will direct my treatment to an appropriate physician.
