

TALK TO A NURSE WHEN YOU ARE INJURED AT WORK

When you are injured at work, help is just a phone call away. Sedgwick's nurses are on call 24/7 to provide advice and facilitate treatment if needed.

Confidential, Compassionate, and Convenient.

1

Employee

Report the incident to your administrator, manager, or supervisor

2

Call a Nurse

Call **1.800.528.7392** or scan the QR code to talk to a Sedgwick nurse (select option 2, then option 2 again)

3

Talk to a Nurse

- Locate the best healthcare provider to treat the injury
- Schedule the healthcare provider appointment
- Follow-up with the employee after the appointment

REMEMBER

If the injury is a medical emergency, call 911 first for immediate medical assistance. The Sedgwick team is always there to help; employees should feel free to call **1.800.528.7392** following the injury to report new symptoms or changes in their condition.
