The Celebrations

“You must **NEVER** be fearful about
what you are doing when it is **RIGHT**.”

—Rosa Parks

BSAP Success Indicators

Successful Black student achievement is defined by high academic performance, strong social-emotional awareness and management, and a positive cultural identity.

School Experience and Support

- Every student has an advocate
- Increase access to mental and social-emotional health resources
- Increase favorable school experience survey responses
- Access to culturally responsive curriculum and pedagogy
- Decrease discipline rates (arrests, suspensions, referrals)
- Elimination of policies and practices that contribute to school to prison pipeline

Academic Achievement

- Graduation rate increase
- Attendance and chronic absenteeism rate decrease
- Increase enrollment in Advanced Placement and honors courses
- Increase proficiency in Math and ELA/English
- Increase number of students on track in A-G requirements
- Increase number of students at or above benchmark in literacy skills
- Decrease 1st time referrals for special education services

Engagement

- Increase levels of parent and family engagement
- Increase participation in extracurricular activities at school
- Increase presence of community organizations on campus

Furthermore, strategies and methods utilized to cultivate these things shall be directly responsive to the unique needs of Black students due in large to the historic and ongoing social and economic conditions experienced by Black people.
