**SUBJECT: AIR QUALITY ADVISORY FOR JUNE 13, 2025**

The South Coast Air Quality Management District (SCAQMD) forecasts air quality on Friday June 13, 2025, to be “unhealthy for sensitive groups” in communities located within the San Gabriel Mountains. Sensitive or susceptible persons, including children, older adults and those with heart or lung disease, should minimize outdoor activity. Refer to the attached map of schools that fall within the designated area.

The Office of Environmental Health and Safety (OEHS) will continue to monitor air quality conditions and provide updates, as necessary. Please share this information as needed. Additional information may be found in each school’s Integrated Safe School Plan. Should you have any questions or need assistance, do not hesitate to contact my office at (213) 241-3199.
