Re: Summary of Air Testing Activities for Castlebay Lane Elementary School in Porter Ranch, California

The purpose of this letter is to document the lack of air testing and sample collection at the Castlebay Lane Elementary School located at 19010 Castlebay Lane, Porter Ranch, California, on December 15, 2015.

At the direction of Los Angeles Unified School District (LAUSD) Superintendent Ramon Cortines, all LAUSD schools were ordered closed and evacuated at approximately 7 a.m. due to the threat of a terrorist attack. Due to the evacuation order, no air monitoring or sample collection was conducted.

Sincerely,

Elizabeth Gonzalez, P.E.
Principal Engineer
