Pat,

Here is the photos from the concerned citizen (see back-up). Note on of the photos was taken from the Southern edge of Atlas looking Northwest towards Jordan. Interesting maybe drone photos?

Good morning Ms. Cerda,

Please see the email below. I received it yesterday. I'm assuming Ms. Jones thinks I'm stills Erving as principal. Didn't know if I should forward it to anyone at the Partnership or LAUSD, but since you're the principal, I thought that should be your call.

Have a great Wednesday, and if Ms. Jones reaches out again, I will let you know.

Thanks,

This look so dangerous. Im afraid it gonna fall and hit one of my babies at school. I saw that yard down the street catch on fire a few months ago. I don't want this yard next to my babies school. Something needs to be done about
