All required PD is paid at hourly rate for those in attendance.

We will also continue to support ELLP schools with a differential payment to the Designee/Lead Teacher for first and second semester, for fulfilling the obligations and duties of the role.*

(see over)

***ELLP Designee Differential:** LAUSD employees may not be paid more than one coordinating differential at a time.

If the staff member serving as ELLP Designee already receives a differential from the site in their regular role (e.g. intervention coordinator, coach, etc.), then – **as an alternative to requesting the ELLP differential** – the school can send a second staff member along with the Designee to the PDs. That person will also be paid at hourly rate.
