

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

MAJOR CHANGES

Changes starting 2017-18 school year are as follows:

- The teacher staffing ratios for grades K-3 and 4-5(6) will be the same as those in place for the 2016-17 school year.
- The administrator staffing ranges will be the same as the 2016-17 school year. Starting 2017-18 fiscal year, the Generic Assistant Principal position will be allocated in program code 10400 (TSP-Per Pupil School Allocation).
- The clerical staffing ranges is revised so that the schools will no longer receive partial full time equivalent (fte) **in the total norm allocation**. The clerical staffing ranges decreased by 50 students.

GUIDELINES

TEACHERS

- The teacher staffing ratios for grades K-3 and 4-5(6) will be the same as those in place for the 2016-17 school year.
- Dual Language Program (Dual Language, Maintenance Bilingual Education, Transitional Bilingual Education, and Foreign language Immersion Programs):

Continuing for the 2017-18 fiscal year, Dual Language, Maintenance Bilingual Education, Transitional Bilingual Education, and Foreign language Immersion Program classes at elementary schools participating in the Dual Language Program will be normed separately from non-dual language classes. Grades K-3 will receive the norm teachers resources based on a 24:1 student teacher ratio in each program language. Grades 4-5/6 will also be normed separately and will receive the norm teacher resources based on the applicable norm table for Grades 4-5/6.

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

In addition, a new cost center will be established for each newly approved elementary program language in 2017-18 school year (e.g., Spanish, Korean, Mandarin, etc.) to facilitate the collection and validation of enrollment counts.

Norm staffing resources for Dual Language Program will be allocated in program code 11119 (Dual/Foreign Language/Bilingual). Funds in program 11119 will not carry over and must be used for the intended purpose. The 10 days of substitute time for teachers in the Dual/Foreign Language/Bilingual Program (Program 11119) is allocated in Program 13027. Hence, substitute days for these teachers should be time reported using program code 10327.

- Norm Enrollment Adjustments - As in the past, the following adjustments will be applied to Norm Day Enrollment for the 2017-18 school year:
 - Age ineligible students who are:
 - enrolled as Kindergarten (K) or Transitional Kindergarten (TK) but turn 5 years old after December 2, 2017, or
 - enrolled as grade TE but turn 5 years old after June 30, 2018
 - Students with 13 absence days or more, from enrollment date through norm day
 - Students with more than one enrollment record (duplicate students)
 - Only enrolled students with scheduled classes in MiSiS will be counted. In other words, students must be both enrolled and scheduled for norm purposes. Schools should ensure that every enrolled student's class schedule is entered into MiSiS. Otherwise, enrolled students without scheduled classes will be excluded from Norm Day Enrollment count.
 - No Show students (students who are scheduled into classes but have not attended school, i.e., marked absent each day) who were not flagged by the school in MiSiS as No Show by Norm Day data capture will be manually deducted from the school's Norm Day enrollment count.
- Special Day Program (SDP) students at Elementary School

Students enrolled in the class/section of a Special education teacher are categorized in the Classification Report as SDP. The total SDP counts are excluded in the calculation of General education norm teachers.

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

- Special education teachers assigned to elementary schools based on the number of students with special needs and their specific disabilities. Refer to Attachment E for the Special Education norm table guide. These class sizes are based on the 2008-2011, Los Angeles Unified School District and United Teachers Los Angeles Contract.
- Pursuant to Education Code section 42238.02, as a condition of receiving a grade span adjustment for kindergarten through grade three (K–3 GSA), a component of Local Control Funding Formula (LCFF), school districts must make progress towards or maintain a K–3 maximum average class size of 24 or less at each school site. If the annual independent audit of a school district shows that a school district did not comply with these conditions, the California Department of Education (CDE) will retroactively reduce the school district’s funding.
- The Education Code imposes financial penalties on school districts that exceed specified class sizes. To safeguard against financial penalties, the number of pupils assigned to individual classes may not exceed 33 in kindergarten, 32 in grades 1-3 at any time, and 36 in grades 4-6.

Note: These limits also apply to “combination” classes. For purposes of the Class Size Penalties report to the California Department of Education, any class combining pupils in kindergarten or in any grade(s) 4 through 8 with one or more of Grades 1, 2, or 3 shall be considered a class of grades 1, 2, or 3. For example, if five (5) grade 3 pupils are added to a grade 4 class of 28, the class would be considered a grade 3 class of 33. In this example, a fiscal penalty would be assessed on the District because the class exceeded the class size requirement of 32 for grade 3.

- Staffing Position Simulator
“Staffing Position Simulator” tool is available on the School Fiscal Services website (<http://achieve.lausd.net/Page/794>). The purpose of this tool is to provide schools with transparency as to how Norm Teacher counts are calculated based on their enrollment, Norm Category, and Affiliated Charter status. In addition to the Norm Teacher count, this tool will also calculate the number of Counselor, Administrator, and Clerical norm positions. Schools can also use the tool to assist with the norm calculation during the budget planning and development.

The following are the Class Size and Norm Table information for different norm categories for Grades K-5/6:

Average Class Size without K-3 Grade Span Adjustment Funding

BOARD APPROVED STAFFING RATIOS FOR 2017-18

ELEMENTARY SCHOOLS – March 6, 2017

Without the K-3 Grade Span Adjustment funds the average class sizes for elementary schools would be as follows:

School Norm Category	K	1-3	4-5/(6)
District Norms for Regular Schools	29.5	32.0	39.0
Schools Designated as Predominantly Hispanic, Black, Asian & Other Non-Anglo (PHBAO)	29.5	29.5	30.5
Schools Designated as Desegregated Receiver Schools (PWT, CVP, CAP Receivers Satellite Zone)	29.5	32.0	36.0

K-3 Grade Span Adjustment ¹

- A. Schools identified as PHBAO, use Attachment A, Table 1P; schools identified as Desegregated/Receiver, use Attachment B, Table 1D; schools identified as PHBAO Affiliated Charter Schools, use Attachment C, Table 1PA; schools identified as Desegregated/Receiver Affiliated Charter Schools, use Attachment D, Table 1DA. All tables are based on a maximum class size of 24:1.

School identified as PHBAO Affiliated Charter Schools, use Attachment C, Tables 1PA, 1PAA, and 1PAB. Table 1PA is the number of teachers needed for a student teacher ratio of 24:1. Table 1PAA (TIIG PHBAO) is the number of teachers needed for a student teacher

¹ Continuing for the 2017-18 fiscal year, funding for Targeted Instructional Improvement Block Grant (TIIG) resources for Affiliated Charter Schools that began operations prior to fiscal year 2013-14 is included in the Charter School Categorical Block Grant. Therefore, these Affiliated Charter Schools are not eligible for class size reduction funded by District TIIG resources (PHBAO or Desegregated / Receiver). Norm Charts for PHBAO Affiliated Charter Schools are displayed in Attachment C. Norm Charts for Desegregated/Receiver Affiliated Charter Schools are displayed in Attachment D.

However, Affiliated Charter Schools that operated starting in fiscal year 2013-14 and beyond do not receive Charter School Categorical Block Grant allocations. Instead, these schools are eligible for class size reduction funded by District TIIG resources (PHBAO or Desegregated / Receiver). Norm Charts for PHBAO Affiliated Charter Schools are displayed in Attachment C. Norm Charts for Desegregated/Receiver Affiliated Charter Schools are displayed in Attachment D.

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

ratio 29.5:1. Table 1PAB (District Norm) is the number of teachers needed for a student teacher ratio of 32:1.

K-3 Class Size Reduction resources are used to fund the difference between the number of teachers generated from the PHBAO Norm Table (1PAA) and the K-3 Class Size Reduction Table (1PA).

TIIG class size reduction resources are used to fund the difference between the number of teachers generated from the District Norm Table (1PAB) and the PHBAO Norm Table (1PAA).

The number of norm teachers for grades K-3 at PHBAO Affiliated Charter Schools that began operations prior to fiscal year 2013-14 will be calculated as follows:

- I. Determine the number of teacher positions based on K-3 enrollment from Table 1PA.
- II. Determine the number of teacher positions based on K-3 enrollment from Table 1PAA.
- III. Determine the number of teacher positions based on K-3 enrollment from Table 1PAB.
- IV. The number of teacher positions in Step III represents the number of District funded positions.
- V. Subtract the number of teacher positions in Step III from Step II to determine the TIIG funded class size reduction positions. Affiliated Charter schools will use the Charter School Categorical Block Grant to fund the number of positions calculated in this step.
- VI. Subtract the number of teacher positions in Step II from Step I to determine the K-3 CSR funded positions.

Affiliated Charter schools identified as PHBAO will use the Charter School Categorical Block Grant to fund the number of positions from Step V above.

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

Norm Tables for Grades 4-5/(6) ²

- A. Schools identified as PHBAO, use Attachment A, Table 2P; schools identified as Desegregated/Receiver use Attachment B, Table 2D. Schools identified as PHBAO Affiliated Charter Schools use Attachment C, Table 2PA; schools identified as Desegregated/Receiver Affiliated Charter Schools use Attachment D, Table 2DA. These norms provide an average class size of 30.5 pupils for PHBAO schools, an average class size of 36.0 for Desegregated/Receiver schools, and an average class size of 39.0 (District norm) for Affiliated Charter Schools, based on grades 4-5/(6) norm day enrollment.

Affiliated Charter schools that began operations prior to fiscal year 2013-14 will use the Charter School Categorical Block Grant to implement Grades 4-5(6) class size reduction (30.5:1 for affiliated charter schools identified as PHBAO or 36.0:1 for affiliated charter schools identified as Desegregated/Receiver).

To calculate the number of positions for a student teacher ratio of 30.5:1 (PHBAO):

- I. Determine the number of teacher positions based on grades 4-5(6) enrollment from Table 2P.
- II. Determine the number of teacher positions based on grades 4-5(6) enrollment from Table 2PA.
- III. Subtract the number of teacher positions in Step II from Step I to determine the TIIG funded class size reduction positions. Affiliated Charter schools will use the Charter School Categorical Block Grant to fund the number of positions calculated in this step.

² Continuing for the 2017-18 fiscal year, funding for Targeted Instructional Improvement Block Grant (TIIG) resources for Affiliated Charter Schools that began operations prior to fiscal year 2013-14 is included in the Charter School Categorical Block Grant. Therefore, Affiliated Charter Schools are not eligible for class size reduction funded by District TIIG resources (PHBAO and Desegregated / Receiver). Norm Charts for PHBAO Affiliated Charter Schools are displayed in Attachment C. Norm Charts for Desegregated/Receiver Affiliated Charter Schools are displayed in Attachment D.

However, Affiliated Charter Schools that operated starting in fiscal year 2013-14 and beyond do not receive Charter School Categorical Block Grant allocations. Instead, these schools are eligible for class size reduction funded by District TIIG resources (PHBAO and Desegregated /Receiver). Norm Charts for PHBAO Affiliated Charter Schools are displayed in Attachment C. Norm Charts for Desegregated/Receiver Affiliated Charter Schools are displayed in Attachment D.

BOARD APPROVED STAFFING RATIOS FOR 2017-18

ELEMENTARY SCHOOLS – March 6, 2017

Affiliated Charter schools identified as PHBAO will use the Charter School Categorical Block Grant to fund the number of positions from Step III above.

To calculate the number of positions for a student teacher ratio of 36:1
(Desegregated/Receiver):

- I. Determine the number of teacher positions based on grades 4-5(6) enrollment from Table 2D.
- II. Determine the number of teacher positions based on grades 4-5(6) enrollment from Table 2DA.
- III. Subtract the number of teacher positions in Step II from Step I to determine the TIIG funded class size reduction positions. Affiliated Charter schools will use the Charter School Categorical Block Grant to fund the number of positions calculated in this step.

Affiliated Charter schools identified as Desegregated/Receiver will use the Charter School Categorical Block Grant to fund the number of positions from Step III above.

ADMINISTRATORS

- The Administrator staffing ranges will be the same as the 2016-17 school year.
- Administrative personnel are allocated based on total school enrollment, including transitional kindergarten expansion, special day program classes (SDP), state preschool (SPS), pre-kindergarten special education, and magnet center enrollment.
- The work basis assignment for Principals will be E basis.
- The work basis assignment for Assistant Principals will be B basis. The Assistant Principal position(s) are included in the discretionary portion of the “General Fund School Program”. Please refer to the “General Fund School Program Manual” for specific details.
- Starting 2017-18 fiscal year, the Assistant Principal positions will be allocated in program code 10400 (TSP-Per Pupil School Allocation).

BOARD APPROVED STAFFING RATIOS FOR 2017-18

ELEMENTARY SCHOOLS – March 6, 2017

- Continuing for the 2017-18 fiscal year, Administrative personnel at Elementary Schools will be assigned based on the following table:

ELEMENTARY SCHOOL ADMINISTRATIVE STAFFING			
Enrollment From	Enrollment To	Principal	Assistant Principal
1	1,109	1.0	
1,110	1,809	1.0	1.0
1,810	2,419	1.0	2.0
2,420	and above	1.0	3.0

Span School Administrative Calculation

- Span school administrative norm allocation is based on the following (weighted average):
 - Determine the percentage enrollment by grade level groupings K-5 and 6-12 to total enrollment.
 - Determine number of administrative norm positions from the individual norm tables based on 100% of enrollment as if site is an elementary school and again based on 100% of enrollment as if site is a secondary school.
 - Multiply the percentage enrollment by grade level groupings from #1 above by the number of positions that result from the individual norm tables from #2 above.
 - Sum the result and round to the nearest full FTE (e.g. 2.49 FTE is rounded to 2.0 FTE; 2.50 FTE is rounded to 3.0 FTE).

CLERICAL

- Starting 2017-18 fiscal year, the clerical staffing ranges is revised so that the schools will no longer receive partial full time equivalent (fte) **in the total norm allocation**. The clerical staffing ranges is decreased by 50 students.
- Each school receives the number of clerical positions using the revised staffing tables displayed below, based on active enrollment, including transitional kindergarten expansion program, special day program students (SDP), pre-kindergarten special day classes, magnet center, and dual language center enrollment. Additional clerical

BOARD APPROVED STAFFING RATIOS FOR 2017-18

ELEMENTARY SCHOOLS – March 6, 2017

resources to support State Pre-School classes are allocated separately by the Early Childhood Education Division.

- Sites do not have flexibility over Modified Consent Decree Clerical Support.
- Schools will receive budgets based on recommended staffing ratios. Schools may realign certain resources to meet their unique needs. Please refer to the “General Fund School Program Manual” for flexibility guidelines.

Elementary Clerical ³

Enrollment From	Enrollment To	School Admin. Asst.	Modified Consent Decree Support	Additional Clerical Support	Total Clerical Staff
1	300	1.00	0.50	0.50	2.00
301	749	1.00	1.00	-	2.00
750	1,499	1.00	1.00	1.00	3.00
1,500	2,199	1.00	1.00	2.00	4.00
2,200	2,899	1.00	1.00	3.00	5.00
2,900	3,599	1.00	1.00	4.00	6.00
3,600	4,299	1.00	1.00	5.00	7.00
4,300	and above	1.00	1.00	6.00	8.00

Staffing pattern

The typical staffing pattern at elementary school is as follows:

One (1) - School Administrative Assistant (Job ID 24102500)

All other clerical positions - Office Technician(s) (Job ID 24102828)

The work basis assignment for all clerical positions at Elementary Schools is E basis.

³ Based on total enrollment, including special day program (SDP), Transitional Kindergarten Expansion Program, pre-kindergarten special day classes, magnet center, and dual language center enrollment. Additional clerical resources to support State Pre-School classes are allocated separately by the Early Childhood Education Division.

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

Span School Clerical Calculation

- Span school clerical norm allocation is based on the following (weighted average):
 1. Determine the percentage enrollment by grade level groupings K-5 and 6-12 to total enrollment.
 2. Determine number of clerical positions from the individual clerical staffing tables based on 100% of enrollment as if site is an elementary school and again based on 100% of enrollment as if site is a secondary school.
 3. Multiply the percentage enrollment by grade level groupings from #1 above by the number of positions that result from the individual clerical staffing tables from #2 above.
 4. Sum the result. If the result is greater than 1.5, round to the nearest full FTE (e.g. 2.49 FTE is rounded to 2.0; 2.50 FTE is rounded to 3.0 FTE). If the result is less than or equal to 1.50 FTE, the site will be allocated 1.5 FTE clerical staff.

OTHER RESOURCES

- In the continuing effort to improve the District's budgeting process for schools, for the 2017-18 fiscal year resources allocations for Library Media Teacher Differential will be included in the allocation for Program 13027, "General Fund School Program".
- Plant Managers, School Facilities Attendants, and Pool Custodians are day shift employees. If a school needs these positions to work night shift(s), the school is responsible for the additional cost.
- Library Aide position will continue to be paired with another 3 hour Library Aide position.
- Continuing for the 2017-18 fiscal year, resource allocations for Administrators (Principals), Teachers, Counselors at middle schools, Library Media Teacher/Librarian, Psychologists, Nurses, Clerical, Custodial, Financial Managers, Instructional Materials, Activity Differentials, etc. will be included in the allocation for Program 13027 "General Fund School Program". Starting 2017-18 fiscal year, Counselors at senior high schools will be allocated in program 10529 "TSP-Nurses/HS Counselors".

BOARD APPROVED STAFFING RATIOS FOR 2017-18 ELEMENTARY SCHOOLS – March 6, 2017

- Schools will receive budget based on recommended staffing ratios. Schools may realign certain resources to meet their unique needs. Please refer to the “General Fund School Program Manual” which is available on School Fiscal Services website (<http://achieve.lausd.net/Page/794>) for flexibility guidelines.

769	-	792	33		1,561	-	1,584	66	

Los Angeles Unified School District

ATTACHMENT A – Teacher Norm Tables for PHBAO Elementary Schools

The 2017-18 norm table provides one position for every 24 students based on total enrollment in grades K-3 classes. To prevent loss of Local Control Funding Formula K through 3 Grade Span Adjustment funding, the school district must maintain a maximum average class size of 24 or less at each school site.

A class with 4th, 5th, or 6th grade students combined with any K-3 students is considered a K-3 class. Therefore, maximum average class size is 24. Attendance & Enrollment Section captures school month end enrollments for compliance with K-3 class size guidelines, and will work with Local District in monitoring of class sizes.

The Education Code imposes financial penalties on school districts that exceed specified class sizes. To safeguard against financial penalties, the number of pupils assigned to individual classes may not exceed 33 in kindergarten and 32 in grades 1-3.

Note: These limits also apply to “combination” classes. For purposes of the Class Size Penalties report to the California Department of Education, any class combining pupils in kindergarten or in any grade(s) 4 through 8 with one or more of Grades 1, 2, or 3 shall be considered a class of grades 1, 2, or 3. For example, if five (5) grade 3 pupils are added to a grade 4 class of 28, the class would be considered a grade 3 class of 33. In this example, a fiscal penalty would be assessed on the District because the class exceeded the class size requirement of 32 for grade 3.

Los Angeles Unified School District

ATTACHMENT A – Teacher Norm Tables for PHBAO Elementary Schools

TABLE 2P: Grades 4-5/ (6) (PHBAO Schools)

This table provides for an average class size of 30.5.

ATTACHMENT B – Teacher Norm Tables for Desegregated/Receiver Elementary Schools

The 2017-18 norm table provides one position for every 24 students based on total enrollment in grades K-3 classes. To prevent loss of Local Control Funding Formula K through 3 Grade Span Adjustment funding, the school district must maintain a maximum average class size of 24 or less at each school site.

A class with 4th, 5th, or 6th grade students combined with any K-3 students is considered a K-3 class. Therefore, maximum average class size is 24. Attendance & Enrollment Section captures school month end enrollments for compliance with K-3 class size guidelines, and will work with Local District in monitoring of class sizes.

The Education Code imposes financial penalties on school districts that exceed specified class sizes. To safeguard against financial penalties, the number of pupils assigned to individual classes may not exceed 33 in kindergarten and 32 in grades 1-3.

Note: These limits also apply to “combination” classes. For purposes of the Class Size Penalties report to the California Department of Education, any class combining pupils in kindergarten or in any grade(s) 4 through 8 with one or more of Grades 1, 2, or 3 shall be considered a class of grades 1, 2, or 3. For example, if five (5) grade 3 pupils are added to a grade 4 class of 28, the class would be considered a grade 3 class of 33. In this example, a fiscal penalty would be assessed on the District because the class exceeded the class size requirement of 32 for grade 3.

769	-	792	33	1,561	-	1,584	66		

Los Angeles Unified School District

ATTACHMENT D – Teacher Norm Tables for Desegregated/Receiver Affiliated Charter Schools

The 2017-18 norm table provides one position for every 24 students based on total enrollment in grades K-3 classes. To prevent loss of Local Control Funding Formula K through 3 Grade Span Adjustment funding, the school district must maintain a maximum average class size of 24 or less at each school site.

A class with 4th, 5th, or 6th grade students combined with any K-3 students is considered a K-3 class. Therefore, maximum average class size is 24. Attendance & Enrollment Section captures school month end enrollments for compliance with K-3 class size guidelines, and will work with Local District in monitoring of class sizes.

The Education Code imposes financial penalties on school districts that exceed specified class sizes. To safeguard against financial penalties, the number of pupils assigned to individual classes may not exceed 33 in kindergarten and 32 in grades 1-3.

Note: These limits also apply to “combination” classes. For purposes of the Class Size Penalties report to the California Department of Education, any class combining pupils in kindergarten or in any grade(s) 4 through 8 with one or more of Grades 1, 2, or 3 shall be considered a class of grades 1, 2, or 3. For example, if five (5) grade 3 pupils are added to a grade 4 class of 28, the class would be considered a grade 3 class of 33. In this example, a fiscal penalty would be assessed on the District because the class exceeded the class size requirement of 32 for grade 3.
