In accordance with the LAUSD Integration Plan, enrollment in Magnet PE classes may not exceed 45 students.

1. For targeted high needs elementary and middle schools, class sizes in grades 4-8 shall be reduced by an additional 2 in the above chart, until the class sizes set forth in Article XVIII are reached in these schools.
2. ELA/Math classes in these categories (PHBAO 11-12; Non-PHBAO 6-12) may not exceed 39 students.
3. While there remains a dispute between the District and UTLA as to the implementation of magnet averages and maximums, without giving up its position, the District will attempt to achieve these maximums for 2021-2022
4. These classes will be staffed to achieve an average of 27 students per class
5. These classes will be staffed to achieve an average of 30 students per class
