

ITI @ ISTE 2019 Sessions

The Los Angeles Unified School District's Instructional Technology Initiative (ITI) team will be presenting at the International Society for Technology in Education (ISTE) 2019 Conference being held in Philadelphia, PA.

Sophia Mendoza, ITI Director, is a 2019 ISTE Impact Award Winner for her distinguished contributions to ISTE Standards implementation across L.A. Unified.

If you will be attending ISTE 2019, please feel free to attend our conference sessions:

ISTE Standards in Action: Becoming Knowledge Constructors

Saturday, June 22, 2019
8:30 a.m. - 11:30 a.m.
Room: 122B

In this session, L.A. Unified instructional technology leaders will facilitate an in-depth workshop on the ISTE Standard Knowledge Constructor through the exploration of a real-world issue. You'll design a lesson that will allow you to capture the student thought process and design a learning experience that promotes the construction of knowledge. This workshop replicates professional learning opportunities offered to L.A. Unified teachers and principals.

Computer Science Fundamentals for K-5 Students

Saturday, June 22, 2019
10:00 a.m. - 11:30 a.m.
Room: Marriott Franklin 5-6-7

In this session, learn how L.A. Unified schools build #CSforAll by teaching computer science fundamentals courses and lessons to elementary students. Explore Code.org lessons and resources to begin teaching computer science foundational concepts and skills to elementary students through interdisciplinary instruction.

ISTE Standards System-Wide: How the Nation's Largest Districts Approach EdTech

Sunday, June 23, 2019
1:30 p.m. - 2:30 p.m.
Room: 122B

In this session, attendees will hear from L.A. Unified and the New York Department of Education (NYDOE) -- the two largest schools districts in the nation -- to learn about promising practices centered on procurement, partnerships, computer science expansion, and how the ISTE Standards supports these practices and more.

From Policy to Practice: Developing #DigCit System-Level Supports

Monday, June 24, 2019
9:00 a.m. - 10:00 a.m.
Room: 113A

This session is for district leaders who want to learn how to support digital citizenship from a system-level perspective such as policy. Presenters will provide examples of policy development that supports digital citizenship in practice.

The Triple Track Approach to Personalizing Professional Learning with the ISTE Standards

Tuesday, June 25, 2019
10:15 a.m. - 11:15 a.m.
Room: Nutter Theater - Level 1

This panel presentation aims to contextualize the implementation of all three sets of the ISTE Standards by providing first-hand accounts from the perspectives of district leaders, a school site principal, and classroom educator.
