

**ISTE Standards for Students Suite**

These professional learning opportunities will focus on the integration of the *ISTE Standards for Students* by leveraging digital resources to empower 21st century learners.

Empowered Learner

In this 2-hour session, learners will explore how collaboration allows students to take an active role in achieving and demonstrating their learning goals. Through the use of Google Docs, learners will plan and design collaborative lessons, scaffold learning in real time and create a customized learning experience for their students. This session is designed for the classroom teacher who is looking to empower students to create, produce, and communicate their learning goals through the use of digital resources.

Creative Communicator

In this 2-hour session, learners will develop an understanding of how to use collaborative tools to foster student creativity and help them clearly express their ideas. Using Google Slides, learners will engage in interactive activities designed to promote, support, and model creative and innovative thinking. Learners will explore how multiple modalities such as images, audio, video, and text allow students to convey complex ideas more clearly. By the end of the session, learners will have experienced practical ways to leverage collaborative digital resources that can be immediately applied in the classroom.
