

Bringing you seasonal crops grown by our local farmers!

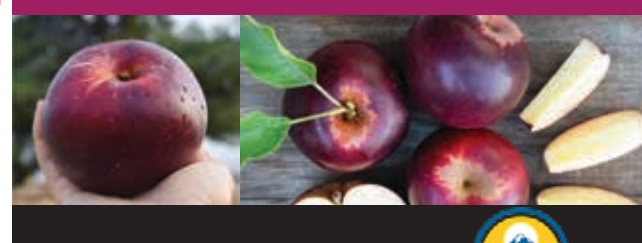

Easter Egg Radishes

CARA CARA ORANGES

**Locally farmed in Alba's Oranges
Riverside County, California!**

ARKANSAS BLACK APPLES

Café LA Harvest is an initiative to include more local California produce in our school menus. This initiative helps support local economies and farmers while exposing our students to the benefits of delicious, fresh, farm-to-school fruits and vegetables.

Farm to School (F2S) connects students with fresh, local produce while teaching them about agriculture. By partnering with local farms, we bring seasonal, healthy foods into cafeterias and classrooms—supporting our community, building healthy habits, and inspiring a sustainable future.
