

## ***PACKAGING GUIDELINES for BULK Sliced Cucumbers***

*For cucumbers coins, use recipe #R4478. Click on “FS Tutorial Videos” on our website for instructions on using equipment to seal bagged items. Scroll to the bottom of videos and view “Setting Up and Using the Bag Sealer” and “How to Package Using the Saddle Pack Stand.”*

Cucumber coins come in a 5 lb. tray and makes about 31 servings.

Portion size for cucumbers is **2.6 oz,** which is about **9 slices.**

Without a scale you can estimate the 2.6 oz. portion by filling up a ½ lb. boat or 5 oz. container as shown in this photo.

Put the 2.6 oz or 9 slices of cucumbers into a bag.

Use the tape machine to prepare bags of cucumber coins. Serve the bagged coins in the Harvest Stand.

Offer a packet of tajin with the cucumbers.
