Further, Contractor certifies that no persons having any such interests shall be subcontracted in connection with this Agreement, or employed by the Contractor.

Contractor understands that California law governs situations in which there exists or has existed a financial interest between a Contractor and a public official within a 12-month window leading up to a governmental decision. The District’s rights under this section shall also include access to the Contractor’s offices for the purpose of interviewing the Contractor’s employees.

Any information provided on machine-readable media shall be provided in a format accessible and readable by the District. The Contractor’s failure to provide records or access within the time requested shall preclude Contractor from receiving any payment due under the terms of this Agreement until such evidence/documents are provided to the District. In such case, the Contractor shall be liable to the District for any reasonable costs or damages occasioned to the District thereby. The expense of completing the services, or any other costs or damages otherwise resulting from the failure of the Contractor to fulfill its obligations, will be charged to the Contractor and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the Contractor. If such costs and expenses are in excess of the sum which otherwise would have been payable to the Contractor, then the Contractor shall promptly pay the amount of such excess to the District upon notice of the excess so due.
