for TCMS Teachers**

Available for registration through MyPLN
Keyword: **TCMSPD**
TCMS teachers are compensated at hourly rate

Dates and Time

Dates: June 18-19, 2021
Participants must attend both days
Time: 9:00 am – 12:00 pm + Asynchronous
Location: Virtual Online PD

**Are your students ready for college
math?**

- TCMS offers teachers an exciting new way to engage with students.
- Designed by LAUSD and California State University Northridge (CSUN) faculty.
- Two key components: Quantitative Reasoning and College-level placement.
- Math preparedness is a crucial part of college eligibility.
- Prepared students are more likely to earn a degree and accumulate less college debt.
