

Blended Learning with LAUSD Teacher

- Single Enrollment Subscription to Courses: \$55 per subscription
Each single enrollment subscription provides access for 12 months for one student enrolled in one course. If a student completes or withdraws from a course the subscription may be reused to enroll the same or another student in any one course.

Virtual Learning with Apex Learning Online Teacher²

- Accelerated Credit Recovery Courses³: \$175 per semester course enrollment
- General Studies Courses³: \$275 per semester course enrollment
- Advanced Placement or World Language Courses³: \$300 per semester course enrollment
- Reusable Subscription with Instruction³: \$540 per reusable subscription
Each reusable subscription with instruction provides access through August 15, 2019 for one student enrolled in one course. If a student completes or withdraws from a course the subscription may be reused to enroll the same or another student in any one course. Instruction is provided by an Apex Learning online teacher.

Professional Services:

- \$2,200 per 6-hour onsite session
- \$600 per 3-hour web conference session

1

Prices do not include course materials such as literature for certain English courses and textbooks for certain AP courses. Go to: http://cdn.apexlearning.com/documents/materials_list.pdf for the most up to date course materials list.

2

Apex Learning online teachers are California-certified and highly qualified in their subject areas.

3

Accelerated credit recovery courses are not approved for initial eligibility by the NCAA. All other courses are NCAA approved.
