

CONSTRUCTION UPDATE BULLETIN

CLASSROOM REPLACEMENT PROJECT

AT CANYON CHARTER ELEMENTARY SCHOOL

AUGUST 2024

Dear Parents and School Community,

We are pleased to provide you the latest information about our *CLASSROOM REPLACEMENT PROJECT* at Canyon Charter Elementary School. We began construction on January 1, 2024, and are diligently progressing with the set schedule. We truly appreciate the support and understanding shown by our parents, community, and school administration.

PROJECTED BUDGET:

\$57.5 MILLION

PROJECTED COMPLETION:

1st Quarter 2027

THE PROJECT INCLUDES:

- Removal of 7 classrooms in portable buildings and 2 kindergarten classrooms
- Construction of a new 2-story classroom building consisting of 9 classrooms, and support spaces
- Re-routing of a sewer line running through the campus playground
- Installation of temporary classroom to support school operations during construction
- An enhanced Information technology network convergence system
- Relocation of historical schoolhouse building
- Site work and Americans with Disabilities Act (ADA) improvements
- New landscape, hardscape, and playground with cool surface coating

CURRENT WORK:

- Continuing the modernization of Building D (Boys and Girls Restrooms) to ADA compliance
- Demolition of modular Classrooms 17 & 18
- Prepare the Historical Schoolhouse (Library) for relocation
- Prepare the site for the construction of the new 2-story building

UPCOMING WORK:

- Turnover completed Building D (Boys and Girls Restrooms) to the school campus
- Relocate the Historical Schoolhouse (Library)
- Demolition of classroom 19 and adjacent restrooms
- Grading and steel frame for new 2-story Building
