

CONSTRUCTION UPDATE BULLETIN

TOPANGA ELEMENTARY CHARTER SCHOOL

AUGUST 2024

Dear Parents and School Community,

We are pleased to provide the latest information on the *CLASSROOM REPLACEMENT PROJECT* at Topanga Elementary Charter School. The second phase of the project is scheduled to begin in the Summer of 2025. The project includes paving and drainage improvements as well as several new greening features, including shade trees, decomposed granite areas, a grass play field, and paving to be finished with solar reflective cool coating. We appreciate the support and understanding shown by our parents, community, and school administration throughout this process.
