DATE: July 5, 2022

PURPOSE: The purpose of this reference guide is to provide updated information to District schools (high schools and select middle schools) undergoing the accreditation process under the auspices of the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC).

MAJOR CHANGES: This reference guide replaces REF-5832.8, *Guidelines for the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) Accreditation Process*, dated August 16, 2021. It provides an overview and framework, including updated information regarding the six-year accreditation cycle, self-study, accreditation visit, and follow-up processes. It also includes information regarding WASC accreditation resources and support.

BACKGROUND: I. WESTERN ASSOCIATION OF SCHOOLS AND COLLEGES (WASC)

- A. District high schools and select middle schools undergo an accreditation process under the auspices of WASC. It is a six-year accreditation cycle, guided and assisted by a self-study, visit and follow-up (Attachment A).
- B. The WASC accreditation process validates the integrity of a school's program and student transcripts (at the high school level) and ensures for the benefit of colleges, universities and the community at large that graduating students have mastered a body of knowledge.
- C. Why WASC accreditation is necessary:
 - 1. The University of California requires all California public and private high schools to be ACS WASC accredited (or a candidate for accreditation) in order to establish and/or maintain an "a-g" course list.
 - 2. Accreditation is required with respect to the Cal Grants.

3. The ACS WASC/CDE (California Department of Education) process serves as the basis for the School Plan for Student Achievement (SPSA).
 4. Colleges and universities examine transcripts to determine if students have attended accredited institutions.
 5. Teachers receive credit for the years during which they taught at an accredited school by many schools/districts nationwide.
 6. Military recruiters expect applicants to be from accredited schools.
 7. Many districts have policies to accept credits only from ACS WASC accredited schools or schools accredited by other regions that have reciprocal agreements with ACS WASC.
- D. The WASC Focus on Learning process works in harmony with the School Plan for Student Achievement (SPSA), which is a plan of action to improve student academic performance by coordinating all educational services and resources. Through the Focus on Learning process, a school fulfills the requirements for accreditation and forms the basis for the SPSA that is aligned with the Local Control and Accountability Plan (LCAP) and developed using a single set of research-based criteria.

INSTRUCTIONS: II. OVERVIEW OF WASC ACCREDITATION PROCESS

- A. WASC Focus – WASC accreditation focuses attention on five WASC/CDE criteria categories:
1. Organization: Vision and Purpose, Governance, Leadership and Staff, and Resources
 2. Curriculum (California Standards-based Student Learning)
 3. Instruction (California Standards-based Student Learning)
 4. Assessment and Accountability (California Standards-based Student Learning)
 5. School Culture and Support for Student Personal and Academic Growth
- B. ACS WASC School and Member Portals
1. In Fall 2020, WASC launched its School and Member Portals. All ACS WASC accreditation materials were moved to the portals to deliver a customized experience for the user.
 2. Through the portals, schools and members have access to the applicable manual and templates for its current accreditation status. Materials will also be easy to submit.
 3. To access the applicable manual and templates for its current accreditation status, a school site needs to login to the ACS WASC School Portal at <https://acswasc.force.com/schoolportal/s/login/>.
 4. A username and password are required to access the portals. Contact ACS WASC at mail@acswasc.org to request access or for additional information.

C. WASC Three-Stage Accreditation Process (School Improvement Cycle)

1. Self-Study

- a. Using the WASC *Focus on Learning* protocol, a school site begins the accreditation process by conducting a comprehensive self-evaluation (self-study), reflecting on what the school does well and what areas need improvement.
- b. The *Focus on Learning* protocol shifts the focus of accreditation visits from a compliance model to a school improvement model.
- c. A school WASC leadership team should include, at minimum, the principal, the administrator in charge of the WASC accreditation process, the WASC coordinator and the UTLA chapter chair.
- d. At the onset of the accreditation process (eighteen months prior to the scheduled WASC accreditation visit), it is the responsibility of the principal to share with the local district leadership the school's site self-study efforts and request, as needed, guidance and ongoing support during the accreditation process.
- e. A school site WASC leadership team is responsible for addressing the following key action items:
 - i. Site Timeline (Attachment B): The self-study process requires at least eighteen months to complete.
 - ii. A school leadership team should begin self-study activities no later than mid/late fall in the school year that precedes the year of the WASC visit.
 - iii. For example, if a WASC visit is scheduled for spring of the 2023-2024 academic year, a school's leadership team should begin self-study activities in mid/late fall of 2022-2023.
 - iv. WASC Self-Study Time-Task Calendar:
 - a) Using the WASC Self-Study Time-Task Calendar as a framework, a site team develops a time-task calendar that addresses all key accreditation components and actions (Attachment B).
 - b) The Time-Task Calendar serves as a guide for the self-study planning and implementation process and the accreditation visit.
 - v. Plan for the Engagement of All Staff and Stakeholders: A site leadership team **must** develop a self-study plan that ensures the engagement of all constituent groups, i.e., certificated/classified staff, students, and parents/community representatives.
 - vi. Resource Allocation Plan: A site team must identify the resources (fiscal, human and time) necessary to support the WASC accreditation process.

LOS ANGELES UNIFIED SCHOOL DISTRICT

REFERENCE GUIDE

2. Self-Study Report
 - a. After conducting a comprehensive self-evaluation, reflecting on what the school does well and what areas need improvement, a site team writes a *Self-Study Report* that outlines the school's findings and charts a course for future school improvement (Attachment C).
 - b. A site team must also update the School Plan for Student Achievement (SPSA) to reflect the self-study goals, strategic action plan and any recommendations left by the visiting committee.
 - c. A self-study report must be submitted by the deadline indicated by ACS WASC. Any deviations from that deadline must be pre-approved by ACS WASC. A WASC visiting committee chair does not have the authority to change the deadline to submit the self-study report.
3. WASC Visit
 - a. After reviewing a site's *Self-Study Report*, a WASC visiting committee, composed of fellow non-District educators, spends three-and-a-half days at the school (Attachment D).
 - b. A WASC visiting committee observes classrooms, meets with stakeholder groups, conducts its own review of evidence and student work, and meets with focus groups and other stakeholder groups (Attachment E). For more detailed guidance, refer to the *Focus on Learning* manual which can be accessed through the WASC School Portal: <https://www.acswasc.org/>.
 - c. At the conclusion of a site visit, a WASC committee writes a *Visiting Committee Report* that outlines its findings—identifying strengths and recommending areas that need attention prior to the next visit.
 - d. A *Visiting Committee Report* is then sent to the WASC Commission to assist Commission members in determining a school's accreditation status (Attachment F).
 - i. A school's WASC accreditation status reflects the Commission's determination of the degree to which a school demonstrates the capacity, commitment and competence to support high-quality student learning and ongoing school improvement.
 - ii. The accreditation status awarded to a school also describes the level of support the Commission believes a school will require for continuing improvement during the next six-year accreditation cycle (Attachment F).
4. Ongoing School Improvement (Follow-up)
 - a. After the visit, a school, with the support of the local district, refines, implements, and monitors its schoolwide action plan and the School Plan for Student Achievement (SPSA).
 - b. Learner goals and action steps identified in the self-study, as well

LOS ANGELES UNIFIED SCHOOL DISTRICT

REFERENCE GUIDE

- as visiting committee recommendations, are to be incorporated into the SPSA.
- c. The schoolwide action plan identifies:
 - i. Key issues to address
 - ii. Who is responsible
 - iii. What resources are needed
 - iv. How progress will be assessed and reported to stakeholders
- 5. A high school is responsible for updating its accreditation information on its "a-g" course list by e-mailing a copy of the official accreditation letter or certificate stating the new accreditation status to University of California Office of the President (UCOP).
 - a. Procedures for updating accreditation status are provided in REF-5833.10, *Revision of the UC/CSU A-G Approved Course List*, dated March 28, 2022 and on the UCOP website.
 - b. For additional information, refer to the Related Resources section of this reference guide.
- D. Mid-Cycle and Probationary WASC Revisits
 - 1. Mid-Cycle Revisit
 - a. The WASC Commission may award an accreditation status that requires a one- or two-day mid-cycle revisit at the three-year mark of the six-year accreditation cycle.
 - b. A mid-cycle revisit does not require a school to conduct a full self-study. However, a school is required to write and submit a mid-cycle report to WASC prior to the revisit.
 - c. The Mid-Cycle Report consists of five sections:
 - i. Student/Community Profile Data
 - ii. Significant Changes and Developments
 - iii. Ongoing School Improvement
 - iv. Progress on Critical Areas for Follow-up/Schoolwide Action Plan
 - v. Schoolwide Action Plan Refinements
 - d. Templates and procedures for completing a mid-cycle report are available in the ACS WASC School Portal: <https://www.acswasc.org/>.
 - 2. Special Progress Visit
 - a. Following a mid-cycle report and revisit, the WASC Commission may determine that a special progress visit and report are required during the fourth year of the six-year accreditation cycle.
 - 3. Templates and procedures for completing a special progress report are available in the ACS WASC School Portal: <https://www.acswasc.org/>.
 - 4. Probationary Revisit
 - a. The WASC Commission may award a one-year or a two-year probationary accreditation status to a school following a self-study.

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

- b. In such a situation, the Commission has determined that there is compelling evidence that a school deviates significantly from the WASC criteria in one or more critical areas and requires attention within the probationary status term (one or two years).
- c. The school must then prepare a probationary report (as described in the Mid-Cycle Revisit above) describing how it has addressed the critical areas identified by the Commission, and a visiting committee will visit the school after the probationary status term (one or two years).
- d. Templates and procedures for completing a probationary report are available in the ACS WASC School Portal:
<https://www.acswasc.org/>.

III. Request for Technical Support, Change of WASC Visitation Dates, Extension or Appeal of Assigned Term

- A. Technical Support: Any time during the accreditation process, a principal may contact the local district or Advanced Learning Options for guidance.
- B. Change of WASC Visitation Dates:
 - 1. To change a school's WASC visitation date, a principal must submit a formal request on a school's official letterhead that is addressed to the WASC president. It should include pertinent information for the request.
 - 2. The principal then contacts the director of Advanced Learning Options who will then forward the request for change of a visitation date to WASC. The principal is not to send the request directly to WASC.
 - 3. Not all requests are granted.
 - 4. Significant additional costs are incurred as a result of changes to a WASC visitation schedule and for appeals. It is a school's responsibility to issue payment for all additional charges in a timely manner.
- C. WASC Professional Development:
 - 1. Advanced Learning Options/WASC Training
 - a. A school site WASC leadership team (three to four members) may attend professional development sessions offered by Advanced Learning Options in partnership with WASC.
 - b. WASC professional development is designed to inform the team of the self-study requirements and to provide guidance for completing the self-study tasks.
 - i. For a self-study, the professional development cycle begins eighteen months prior to the ACS WASC committee visit (Attachment B).
 - a) Day 1 is offered in the fall semester 18 months prior to the school year of visit.
 - b) Day 2 is offered in the spring semester of the school year prior to the school year of visit. For example, if your visit is

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

scheduled for spring 2023-2024 school year, the school site WASC team should attend Day 1 during fall 2022-2023, Day 2 during spring of 2022-2023 and Day 3 fall 2023-2024.

- ii. Each day of the WASC self-study training provides guidance on writing the required chapters in the self-study report. Attachment C includes an overview of the content and focus of each training session.
2. A half-day professional development is also available for schools completing a mid-cycle or probationary revisit report.
3. Professional development is also provided to District staff, i.e., teachers, site and local district administrators who are interested in participating on a WASC visiting committee. Bi-annually, information regarding visiting committee professional development is sent directly to school sites.
4. Online WASC professional development—The ACS WASC website provides recorded webinars and PowerPoint presentations.

IV. WASC ACCREDITATION FUNDS

A. WASC Annual Fees

1. Each academic year Advanced Learning Options allocates funds to support school site preparation efforts for a WASC accreditation visit.
2. Advanced Learning Options covers the annual WASC membership fees for all LA Unified high schools and select middle schools. It also reimburses WASC visiting committee members who participate in an in-person self-study visit.

- B. For detailed information on the allocation of funds to schools participating in accreditation visits and the reimbursement of expenses for WASC visiting committee members participating in a WASC self-study, refer to the District memorandum, *WASC Accreditation Funds*, issued each academic year.

Sample Schedule for Visit

The following sample schedule is provided for full self-study visits to California public schools. This schedule should be adjusted by a school and visiting committee (VC) chair to fit the local situation. In the self-study process, it is very important to allow enough time for extensive dialogue with the schoolwide focus groups and the leadership team; this discussion will include the examination of evidence used to determine growth areas by the stakeholders. The focus of the subject area and support staff meetings will be to understand the information and evidence that led support to the schoolwide findings. The VC chairperson should be in regular communication with the principal and self-study coordinator to discuss the progress of the visit. In the event of a virtual visit, the VC chairperson in collaboration with the principal will provide direction.

Day before Visit (Usually Sunday)

(12:00 NOON)	(Visiting committee may meet for Sunday brunch)
1:00 PM	Meeting of VC members to begin group discussion on perceptions of self-study — planning of questions and group processes for forthcoming Sunday meetings
3:00 PM	Meeting with the principal, self-study coordinator, and Leadership Team to clarify issues in the self-study and explain the visit; the VC and school leaders participate in a reflective discussion of the self-study
4:30–5:00 PM	School leaders conduct a brief school tour for VC
5:00–6:00 PM	Brief meeting with the governing board, district, school and/or community representatives
6:00–7:00 PM	Meeting with parent/community committee
7:30 PM	Dinner and meeting of VC to debrief, receive instructions from the chair, organize the work of the committee, and examine supplementary materials

First Day

7:15–8:00 AM	Meeting with leadership team (total VC team) (or later in the day)
8:00–8:30 AM	Meeting with principal and VC chair (possibly other VC members)
8:00–11:45 AM	Evidence gathering: class/program observations, interviews, examination of student work

11:00 AM–1:00 PM	Meeting with the leadership team and others invited by the school to discuss/clarify findings of visit and the VC report — ALL leadership team members must have copy of draft VC report (can be electronic)
1:00–3:00 PM	Closure on issues raised in the earlier session discussing the draft VC report; the VC may revise the report as a result of this meeting; the final draft of the report is completed during this session
	Completion of the “Accreditation Status Recommendation” and the “Documentation and Justification Statement”
	Finalization of evaluations, exit PowerPoint presentation for closing session
3:00–3:30 PM	Oral report to staff/stakeholders using a PowerPoint presentation; the principal is encouraged to invite representatives of students, classified staff, and community to attend
3:30–4:00 PM	Final draft of report left with principal ; departure of VC

ACS WASC/CDE Accreditation Status Determination Worksheet

How well are all students learning and achieving?

Is the school doing everything possible to support high achievement and prepare all students to be college and career ready?

Directions

- Discuss the evidence reviewed through the self-study and the visit for each of the factors. Particularly examine the **schoolwide strengths and the growth areas for continuous improvement**.
- Individually, read the factors and the supporting rubrics. Mark an "X" for the most appropriate rating in the box provided.
- Read the attached sheets with the ACS WASC/CDE criteria and indicators prior to marking the most appropriate rating.
- As a visiting committee, come to **consensus** on the most appropriate rating. NOTE: The rubrics are guides to assist in the **synthesis of the visiting committee's findings from the self-study and visit**. Other points may need to be brought into the discussion.
- Select one of the following ratings for each factor and insert the ratings on the accreditation status factors with the narrative rationale in the visiting committee report.
 - ✓ **Highly Effective:** The results of the self-study and the visit provide evidence that this factor has had a high degree of impact on student learning, the school's program, and the school's operation.
 - ✓ **Effective:** The results of the self-study and the visit provide evidence that this factor has had a satisfactory level of impact on student learning, the school's program, and the school's operation.
 - ✓ **Somewhat Effective:** The results of the self-study and the visit provide evidence that this factor has had a limited impact on student learning, the school's program, and the school's operation.
 - ✓ **Ineffective:** The results of the self-study and the visit provide evidence that this factor has had little or no impact on student learning, the school's program, and the school's operation.

Accreditation status will be based upon a school demonstrating the following factors:	Highly Effective	Effective	Somewhat Effective	Ineffective
The involvement and collaboration of stakeholders in the self-study reflects a thorough, accurate description and analysis of what currently exists at the school, as well as aligned schoolwide prioritized areas of strength and growth.	<ul style="list-style-type: none"> All school instructional staff and other stakeholders (e.g., Board, administration, parents, support staff, older students, other stakeholders) involved in data review, analysis and dialogue about perceived strengths and areas of need. Accreditation Status Determination Attachment ACS WASC/CDE Criteria with Indicators/Prompts

(These indicators summarize important aspects as noted in the suggested areas to analyze and examine for each criterion in the ACS WASC/CDE self-study manual.)

A. ORGANIZATION

A1. Vision and Purpose *To what extent a) does the school have a clearly stated vision and mission (purpose) based on its student needs, current educational research, including equity, diversity, and inclusion, the district Local Control and Accountability Plan (LCAP), and the belief that all students can achieve at high academic levels and b) is the school's purpose supported by the governing board and the district LCAP further defined by schoolwide learner outcomes and the academic standards?*

Vision – Mission – Schoolwide Learner Outcomes – Profile: The school has established a clear, coherent vision and mission (purpose) of what students should know and demonstrate; it is based upon high-quality standards and is congruent with research, practices, the student/community profile data, a belief that all students can learn and be college and career ready, and aligned with district goals for students.

Development/Refinement of Vision, Mission, Schoolwide Learner Outcomes: There are effective processes in place to ensure involvement of all stakeholders in the development and periodic refinement of the vision, mission, and schoolwide learner outcomes.

Understanding of Vision, Mission, Schoolwide Learner Outcomes, District LCAP: Students, parents, and other members of the school and business community demonstrate understanding of and commitment to the vision, mission, the schoolwide learner outcomes, and the district LCAP.

A2. Governance *To what extent does the governing board a) have policies and bylaws that are aligned with the school's purpose to support the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards based on data-driven instructional decisions for the school; b) delegate implementation of these policies to the professional staff; and c) monitor results regularly and approve the schoolwide action plan/SPSA and its relationship to the Local Control and Accountability Plan (LCAP)?*

Understanding the Role of the Governing Board and District Administration: The school community understands the governing authority's role, including how stakeholders can be involved.

Relationship between Governing Board and School: The school's stakeholders understand the relationship between the governing board's decisions, expectations, and initiatives that guide the work of the school.

Uniform Complaint Procedures: The school leadership understands and utilizes the Uniform Complaint Procedures from the district.

A3. Leadership: Data-Informed Decision-Making and Continuous School Improvement *a) To what extent based on multiple sources of data, does the school leadership, parent/community, and staff make decisions and initiate activities that focus on all students achieving the schoolwide learner outcomes, academic standards, and college- and career-readiness standards? b) To what extent do the school leadership and staff annually monitor and refine the schoolwide action plan/SPSA and make recommendations to modify the LCAP as needed?*

Broad-Based, Inclusive, and Collaborative: The school's broad-based, inclusive, collaborative planning process is a continuous improvement cycle that a) assesses data to determine student needs, b) collaboratively determines and implements strategies and actions and c) monitors results and impact on student success.

School Action Plan/SPSA Correlated to Student Learning: The school's action plan/SPSA is directly correlated to and driven by the analysis of student achievement data and other data and aligned with district LCAP.

Collective Accountability to Support Learning: The school leadership and staff demonstrate shared decision-making, responsibility, and self-reflection on actions and accountability for implementing practices, programs, actions, and services that support student learning.

Internal Communication and Planning: The school has effective existing structures for internal communication, planning, and resolving differences.

A4. Staff: Qualified and Professional Development *To what extent do qualified staff and leadership facilitate achievement of the student academic standards and the schoolwide learner outcomes through a system of preparation, induction, and ongoing professional development? To what extent is there a systematic approach to continuous improvement through professional development based on student performance data, student needs, and research?*

Qualifications and Preparation of Staff: The school has confidence in district and school procedures to ensure that leadership and staff are qualified based on staff background, training, and preparation. The processes to assign staff members and provide appropriate orientation for all assignments maximizes the expertise of the staff members in relation to impact on quality student learning.

Professional Development and Learning: The school effectively supports professional development/learning with time, personnel, material, and fiscal resources to facilitate all students achieving the academic, college- and career-readiness standards, and the schoolwide learner outcomes.

Measurable Effect of Professional Development on Student Learning: There are effective processes in place to assess the measurable effect of professional development on teacher practice and the impact it has on student performance.

Supervision and Evaluation: The school implements effective supervision and evaluation procedures in order to promote professional growth of staff.

Communication and Understanding of School Policies and Procedures: The school implements a clear system to communicate administrator and faculty written policies, procedures, and handbooks that define responsibilities, operational practices, decision-making processes, and relationships of leadership and staff.

A5. Resources *To what extent are the human, material, physical, and financial resources sufficient and utilized effectively and appropriately in accordance with the legal intent of the program(s) and LCAP to support students in accomplishing the schoolwide learner outcomes, academic standards, and the college- and career-readiness standards?*

Resource Allocation Decisions: The school leadership and staff are involved in the resource allocation decisions. There is a relationship between the decisions about resource allocations, the district's LCAP and the school action plan/SPSA, the school's vision, mission, the schoolwide learner outcomes, major student learner needs, academic standards, and college- and career-readiness standards.

Practices: There are district processes and practices in place for developing an annual budget, conducting an annual audit, and at all times conducting quality business and accounting practices.

Facilities Conducive to Learning: The school's facilities are safe, functional, well-maintained, and adequate to meet the students' learning needs and support the educational program (i.e., accomplish the vision, mission, and the schoolwide learner outcomes).

Instructional Materials and Equipment: The policies and procedures for acquiring and maintaining adequate instructional materials and equipment, such as textbooks, other printed materials, instructional technology, manipulatives, and laboratory materials are effective.

Accreditation Status Determination

The visiting committee will recommend an accreditation status which will be acted upon by the Accrediting Commission. ACS WASC accreditation is an ongoing six-year cycle of quality whereby the school demonstrates the capacity, commitment, and competence to support high-quality student learning and continuous school improvement.

Current status options are:

- ☐ **Six-Year Accreditation Status with a Mid-Cycle Progress Report**
- ☐ **Six-Year Accreditation Status with a Mid-Cycle Progress Report and One-Day Visit**
- ☐ **Six-Year Accreditation with a Mid-Cycle Progress Report and Two-Day Visit**
- ☐ **One-Year or Two-Year Probationary Accreditation with an In-Depth Progress Report and Two-Day Visit**
- ☐ **Accreditation Status Withheld**

NOTE: The Commission reserves the right to grant additional conditions of accreditation other than those above. Such action will follow a Commission review of the visiting committee report.

Accreditation status will be based upon a school demonstrating the following:

1. The involvement and collaboration of stakeholders in the self-study that accomplishes the self-study outcomes
2. The use of prior accreditation findings and other pertinent data to ensure high achievement of all students and drive school improvement
3. *Organization: Vision and Purpose, Governance, Leadership, Staff, and Resources* that supports high achievement for all students
4. *Curriculum* that supports high achievement for all students
5. *Learning and Teaching* that supports high achievement for all students
6. *Assessment and Accountability* that supports high achievement for all students
7. *School Culture and Support for Student Personal, Social-Emotional, and Academic Growth* that supports high achievement for all students
8. Acceptable progress by all students toward clearly defined schoolwide learner outcomes/graduate profile, academic standards, and other institutional and/or governing authority expectations
9. The alignment of a schoolwide action plan/SPSA to the school's areas of greatest need to support high achievement of all students
10. The capacity to monitor and implement the schoolwide action plan/SPSA
