The Purpose of Boost Classroom Experiences:

The Career Ladder works with and supports LAUSD paraeducators and classified staff in their pursuit of a teaching credential through Building Our Own Staff as Teachers (BOOST). BOOST Classroom Experiences (CEs) are designed to give BOOST members an opportunity to develop their teaching skills with the guidance of a practicing teacher, Teaching Coach. CEs are not evaluations of job performance.

Instructions to the Boost Member:

Completing Boost Classroom Experiences:

CEs must be completed one at a time and approved sequentially. A CE must be approved by the Career Ladder Office before the next one may be submitted. The quality of the experiences and skills acquired by the individual is important. It is the responsibility of the BOOST member to work collaboratively with a supervising Teaching Coach to determine how the experiences will be completed. See the following procedures for completing a CE:

1. Select a Teaching Coach: The Coach may be any LAUSD employee who holds a valid teaching credential and who you will be able to meet with and observe in the classroom. This is typically a certificated staff member at your work site.

2. Complete each section of the CE in order. Be concise, but give enough detail to answer the questions.

3. Meet with the Teaching Coach to review the planned Focus Element to be developed BEFORE planning the activity. Review Part A: Plan Activity on page 4 together. Arrange a day and time when you will share your written essay with the Teaching Coach. Complete Part B: Review Written Essay on page 4.
CE #3 Additional Professional Responsibilities Participant Name: ________________

5. Meet with Teaching Coach to share your essay. Teaching Coach provides feedback. Complete Part C: Reflect on Experience and Focus Element, found on page 5, immediately after feedback session with Teaching Coach.

8. When all sections are completed, have the school site administrator or designee sign Part F: Administrator Signature on page 7.

10. Please note that BOOST CEs must be completed in order and a minimum of one per academic year to remain an active BOOST member and to qualify for financial assistance.

Approval of BOOST Classroom Experiences:

Completed CEs are submitted to the Career Ladder Office. Certificated Career Ladder staff serve as the reviewers. The reviewer scores the CE according to the rubric printed on the last page by reviewing the planned activity description, coach feedback, and Instructional Standard reflection. This is done as quickly as possible, usually within two weeks.

CEs that meet the standards will be approved. You will receive a notice in the mail. A digital copy will be scanned to your online profile at the Career Ladder Office.

When a CE does not meet the standards or is incomplete, it will be returned for revision and correction. Please include the original and the revised CE when resubmitting for approval.

|          | • Complete; member followed directions and filled in all sections |
| Not approved | • Lacks detail; description needs specifics or concrete examples

Instructions to the Teaching Coach

A Teaching Coach may be any LAUSD employee who holds a valid teaching credential and works with students. The Teaching Coach offers advice, reviews the planned activity, observes the activity if performed, determines if the member has shown proficiency in the Instructional Standard, and provides feedback on the activity to the BOOST member. A different Teaching Coach may be used for each Instructional Standard.

Process Overview:

1. Review the planned activity as written by the BOOST member. Provide suggestions for improvement or corrections where appropriate. Be sure to refer to the Teaching and Learning Framework to ensure that the essay reflects planning for effective and highly effective levels of proficiency.

2. Observe the activity and/or review essay.

3. Provide feedback to the member for their own professional growth in becoming a teacher using the LAUSD Teaching and Learning Framework.

4. Determine the level at which the BOOST member has shown proficiency in the Instructional Standard: Ineffective, Developing, Effective, or Highly Effective.

Thank you for your assistance in helping this BOOST member take his/her next steps to becoming a teacher.

If you have any questions or concerns, please call the Career Ladder Office at (213) 241-4571.
