Policy Bulletin

TITLE: Sexual Harassment Policy
(Student-to-Student, Adult-to-Student, and
Student-to-Adult)

NUMBER: BUL-3349.1

ISSUER: David Holmquist, General Counsel
Office of the General Counsel

DATE: August 6, 2014

ROUTING
All Employees

POLICY: The Los Angeles Unified School District is committed to maintaining a working and learning environment that is free from sexual harassment. Sexual harassment of, or by employees, students, third parties or persons doing business that takes place or is affiliated with the District, is a form of sex discrimination in that it constitutes differential treatment on the basis of actual or perceived sex, sexual orientation or gender. As such, any act of sexual harassment is a violation of state and federal laws, as well as District policy and is prohibited.

The District considers sexual harassment to be a serious offense which can result in disciplinary action to the offending employee or student, including the suspension or expulsion of the offending student in Grades 4-12. While suspension or expulsion as a disciplinary consequence for sexual harassment shall not apply to students enrolled in Kindergarten and Grades 1-3 under California law, other disciplinary actions or interventions may be taken as appropriate.

Students or employees of the District who believe that they have been a target of sexual harassment shall bring the problem to the attention of the site administrator or site Title IX/Bullying Complaint Manager. All complaints will be promptly investigated in a way that respects the privacy of all parties concerned. The District will take appropriate actions reasonably calculated to eliminate the harassment, prevent its recurrence and remedy its effects. The District prohibits retaliatory behavior against anyone who files a sexual harassment complaint or who participates in the complaint investigation process.

MAJOR CHANGES: This bulletin replaces District policy BUL-3349.0 on the same subject issued by the Office of the General Counsel on November 29, 2006. It reflects current state and federal requirements and provides updated guidance and procedures for reporting and investigating complaints of student-to-student, adult-to-student, and student-to-adult sexual harassment.

LOS ANGELES UNIFIED SCHOOL DISTRICT Policy Bulletin

GUIDELINES: The following guidelines apply:

I. BACKGROUND

A. Legal Definition of Sexual Harassment

California Education Code §212.5 and Title 5 of the California Code of Regulations, §4916, define sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting under any of the following conditions:

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.

B. Protected Categories

California Education Code and Penal Code identify protected categories that, though stipulated independently, are not mutually exclusive. Sexual harassment can violate both Penal Code and Education Code.

1. California Education Code §220 - Applicability to Educational Institutions

No person shall be subjected to discrimination on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in §422.55 of the Penal Code in any program or activity conducted by an educational institution that receives, or benefits

from, state financial assistance or enrolls pupils who receive state student financial aid.

2. California Education Code §200 - State Policy; Declaration of Purpose as it Relates to Protected Categories

It is the policy of the State of California to afford all persons in public schools, regardless of their disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in §422.55 of the Penal Code, equal rights and opportunities in the educational institutions of the state. The purpose of this chapter is to prohibit acts which are contrary to that policy and to provide remedies therefor.

3. California Penal Code §422.55 - Hate Crime and Victim Characteristics or Protected Classes Indicated

For the purposes of this title, and for purposes of all other state law unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply: “Hate crime” means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim: disability; gender; nationality; race or ethnicity; religion; sexual orientation; and association with a person or group with one of more of these actual or perceived characteristics.

VI. CONFIDENTIALITY AND NON-RETALIATION

Complaints of sexual harassment and sex discrimination involving students shall be handled in a confidential manner to respect the privacy of all parties to the fullest extent possible under the law.

The District prohibits retaliation in any form against anyone who files a complaint of suspected sexual harassment and/or sex discrimination or participates in the complaint investigation process. Retaliation is grounds for a separate complaint. Incidents of retaliation may be reported to the Title IX/Bullying Complaint Manager or administrator for appropriate investigation and follow-up. These confidentiality and non-retaliation requirements extend to all parties involved.

VII. DUAL RESPONSIBILITIES IN REPORTING SUSPECTED CHILD ABUSE AND RESPONDING TO STUDENT SEXUAL HARASSMENT COMPLAINTS

Child abuse reporting procedures, sexual harassment policies and procedures, and disciplinary policies and procedures must be effected in a coordinated manner as follows:

1. If it is suspected that conduct could constitute both child abuse and sexual harassment, the child abuse report should be filed immediately as required by District procedures outlined in BUL-1347.2, "Child Abuse and Neglect Reporting Requirements."
2. Separate and apart from filing a suspected child abuse report, immediate steps should be taken to protect any alleged target(s) of child abuse and/or sexual harassment.
3. If conduct could constitute both child abuse and sexual harassment, school administrators are responsible for implementing this policy and the steps outlined herein for responding to and conducting a prompt investigation into whether sexual harassment has occurred.
4. School administrators should communicate with the local law enforcement agency as to whether the school's sexual harassment complaint investigation would compromise the local law enforcement agency's criminal investigation. Administrators should clarify when they can proceed with their administrative investigation. Once released to handle the issue administratively, administrators should begin the

investigation promptly.

A determination of child abuse or sexual harassment involves very different standards and outcomes. Suspected child abuse investigations involve addressing possible criminal conduct. Making a report of suspected child abuse does not relieve the District of its responsibility to take administrative action to respond, investigate, to determine whether sexual harassment has occurred and to resolve the situation.

For further information on District child abuse reporting policies and procedures, see the District's policy BUL-1347.2, "Child Abuse and Neglect Reporting Requirements."

5. For allegations of sexual misconduct involving employees as perpetrators, administrators should also consult with the Educational Service Center Administrator of Operations/designee or division head to coordinate next steps in the administrative investigation. See District policy, "Employee Inappropriate Conduct Allegation Policy and Procedures," BUL-6211.0

VIII. COMPLAINT PROCEDURES

Schools/sites that know, or reasonably should know, of possible harassment must promptly investigate to determine what occurred and take appropriate steps to eliminate the harassment, prevent its recurrence and remedy its effects. The school's investigation is different from law enforcement or personnel investigations. A law enforcement or personnel investigation does not relieve schools of their independent obligation to investigate the conduct.

Complainants may access either an informal resolution at the site level or formal complaint resolution process through the District's Educational Equity Compliance Office. Informal processes are encouraged for expedient resolutions. However, the informal process shall be bypassed if the complainant names a principal as a respondent or the complaint alleges school-wide discriminatory practices. In those circumstances, the complainant should initiate a formal complaint directly with the Educational Equity Compliance Office.

Below are the guidelines for investigating and responding to sexual harassment and sex discrimination complaints.

A. Informal Process or Site-Level Investigation Response:

Any written or oral report of sexual harassment is a sexual harassment complaint and must be addressed. A reasonable effort must be made to investigate and address allegations submitted anonymously if the report contains sufficient information to identify alleged targets and/or accused persons.

The following guidelines are recommended to investigate and resolve complaints using the informal process at the Site-Level:

1. Assure targets the District takes allegations of sexual harassment and/or sex discrimination seriously, will not tolerate such treatment, and has strong policies against it.
2. Inform targets of the confidentiality and non-retaliation guidelines, and assure them that they will not be required to confront the accused persons.
3. Assure targets of interim steps that will be taken to monitor the parties and effectively address any alleged harassing behavior, to include providing additional monitoring of the safety of targets and any specific steps to eliminate the behavior. Make targets aware of available resources and the right to report a crime to law enforcement.

Interim measures to protect targets may include options to avoid contact with the accused in academic and extracurricular settings, safety plans, increased monitoring, training and educational materials to address school climate, as well as support resources, such as academic support, counseling, health and mental health services. In general, when taking interim measures, minimize the burden on the targets.

4. Provide the names of school personnel who can help if the situation/incident continues or escalates.
5. Provide all parties, including parents and guardians, with the District's "Nondiscrimination Statement" and/or "Sexual Harassment Policy" poster summaries as applicable. The attached English and Spanish "Sexual Harassment Policy Acknowledgement" posters can be used to document via the sign-off section that the sexual harassment policy has been reviewed and is understood by all parties. Secondary students may also be provided with the District's "Title IX and Nondiscrimination, Students Know Your Rights" brochure. In Grades K-6, students

LOS ANGELES UNIFIED SCHOOL DISTRICT Policy Bulletin

may be provided with the “Students, Don’t Let Others Bully or Harass You!” brochure.

6. When investigating sexual harassment complaints, carefully consider all available information in determining whether the conduct described violates the District’s sexual harassment policy and whether it rises to the level of creating a hostile environment. The following elements should be used for this analysis:
 - a. Was the conduct unwelcome?
 - b. Was the conduct of a sexual nature or based on actual or perceived sex, sexual orientation, gender identity or gender expression?
 - c. Was the conduct severe, persistent, or pervasive?
 - d. Was the conduct objectively offensive, in other words, would a reasonable victim of similar characteristics (i.e. age, gender) find the conduct objectively offensive?
 - e. Did the conduct limit the individual’s ability to participate in or benefit from an educational program or activity?

When the answers to questions “a” and “b” are “yes”, the conduct is sexual harassment. Taking into consideration the totality of the circumstances, if the answers to all the questions are “yes” then the sexual harassment has risen to the level of also being a hostile environment which is a violation of Title IX law.

It is important to note that sexual harassment is inappropriate and requires an immediate response and/or corrective actions to be taken to prevent its recurrence and address its effects, whether or not the conduct has risen to the level of a hostile environment.

If the conduct does not meet the elements of this analysis for sexual harassment or hostile environment, the conduct may still be inappropriate and require an immediate response and corrective action.

7. Obtain specific information relevant to the complaint such as where, when, and the frequency with which the incident(s) occurred, as well as the identities of the accused persons, other affected parties and any witnesses. If appropriate, request that complainants provide a written statement. If complainants are unable to provide written statements, District personnel will provide assistance. It is recommended that transcribed statements be done in the presence of a District witness.

LOS ANGELES UNIFIED SCHOOL DISTRICT Policy Bulletin

8. Interview accused persons and provide assurances regarding confidentiality and non-retaliation. If appropriate, request that accused persons provide written statements. If accused persons are unable to provide written statements, District personnel will provide assistance. It is recommended that transcribed statements be done in the presence of a District witness.
9. Interview any witnesses or other affected parties identified by the targets and accused persons and provide assurances regarding confidentiality and non-retaliation. If appropriate, request written statements. If witnesses or other affected parties are unable to provide written statements, District personnel will provide assistance. It is recommended that transcribed statements be done in the presence of a District witness.
10. Take appropriate administrative steps in response to sexual harassment, including acting to end the harassment, monitoring to ensure the conduct does not reoccur, and addressing any hostile environment that may have been created. Response strategies may involve the initiation of counseling and/or disciplinary proceedings for the accused and providing supports to targets and other affected parties, which can be documented using the District's electronic tools for documenting discipline, counseling and incidents. Using the "Complaint Investigation Record" attached to this policy along with the District's electronic tool for reporting and documenting incidents, known as the Incident System Tracking Accountability Report (ISTAR), provides a vehicle to document the incident, required investigation, whether any harassing behavior has ceased and interventions provided for target(s) and the accused. See District policy, "Incident System Tracking Accountability Report (ISTAR)," BUL-5269.2.
11. Refer to District policies, BUL-5655.2, "Guidelines for Student Suspension," and BUI-6231.0, "Discipline Foundation Policy: School-Wide Positive Behavior Intervention and Support" for further guidance with interventions. For assistance in providing written communication of the school's investigative responses to parents of the accused, see the attached English and Spanish "Sample Follow-Up Letter to Parents" for students accused of sexual harassment.
12. Inform complainants in general terms that protects the privacy and confidentiality of individuals as required by law of the outcomes and whether corrective actions specific to the claims have been or will be taken to resolve the complaint. Tell complainants of applicable appeal processes.

LOS ANGELES UNIFIED SCHOOL DISTRICT Policy Bulletin

13. Inform parents/guardians of student complainants about the filing, the status of the investigation and findings, as well as the resolution of any complaint of sexual harassment in general terms. Care must be taken to protect the identity of the accused and any witnesses and the confidentiality of the specific administrative actions. For assistance in providing written communication of the school's investigative responses to parents/guardians of student complainants, see the attached English and Spanish "Sample Follow-Up Letter to Parents" for student targets.
14. If a student has been a target of harassment based on sexual orientation or gender identity, consult with the student to determine an appropriate way to inform the student's parents/guardians of the harassing conduct. Student sexual orientation and/or gender identity should be divulged only on a need-to-know basis among staff and cannot be otherwise divulged without permission of the student. See the District's policy, "Transgender Students – Ensuring Equity and Nondiscrimination," BUL-6224.0.
15. Monitor with targets that the harassment has ceased. For example, arrange for a designated staff person to check-in with targets after one week and then again after two weeks to evaluate whether the remedies implemented have been effective.
16. Use the "Complaint Investigation Record" attached to this bulletin to document findings and actions taken to address the complaint, as well as to document monitoring and assessment of the effectiveness of actions taken. If harassing conduct has not ceased, additional actions and monitoring will be required. The completed sexual harassment complaint investigation documentation is in addition to noting incidents, discipline and counseling using the District's electronic databases. A copy of the completed "Complaint Investigation Record" should be provided to the site's ISTAR designee to attach to the electronic incident record.
17. The same "Complaint Investigation Record" may be used when the conduct is determined to be inappropriate behavior that did not constitute sexual harassment or when there are no findings of violations of the District's nondiscrimination or sexual harassment policies. Corrective action may still be necessary and the form provides a vehicle to document the investigation and actions taken.
18. "Complaint Investigation Record" forms must be safeguarded by retaining them in a separate school file in a central location as

LOS ANGELES UNIFIED SCHOOL DISTRICT Policy Bulletin

opposed to a student's cumulative record. Upload electronic copies of the completed investigation record to ISTAR, if applicable, as well as print and attach copies of relevant ISTARs to the hardcopy file for the investigation record. Access to these records is restricted to those individuals with a legitimate need for such access. These records must be kept for five years from the school year in which the complaint was filed. Duplicate copies should also be filed in each accused student's individual disciplinary file.

B. Formal Complaint of Discrimination/Harassment and/or Appeal of Site Informal Decision:

1. In addition to or instead of filing a complaint at a site, any individual has the right to file with the Educational Equity Compliance Office a formal written complaint of discrimination within six months of the last occurrence or when knowledge of the complaint was first obtained depending on which comes first. A complainant unable to make a written complaint will be assisted by District personnel.
2. The written complaint/appeal may be filed using the "Title IX Complaint Form," the District's Uniform Complaint Procedures (UCP) form or simply by filing a written complaint statement.
3. The complaint shall contain the following information:
 - a. The specific facts about the complaint which may be helpful to the complaint investigator including, but not limited to the following: the nature of the complaint, names of those involved, witnesses, and dates/places of occurrences;
 - b. The specific relief being sought; and
 - c. Any other relevant or supportive documentation or information the complainant believes will provide assistance in understanding the complaint.
4. The formal complaint should be made to the District's Title IX Coordinator in the District's Educational Equity Compliance Office, at 333 South Beaudry Avenue, 20th Floor, Los Angeles, California 90017 for appropriate investigation and response.

C. Formal Complaint/Appeal Process: The Educational Equity Compliance Office will follow steps as outlined below and in the District's UCP policy in response to a formal written discrimination complaint or appeal of a site decision.

 3. Provide a written report of findings and conclusions to the complainant and the respondent within 60 days of receipt of the complaint/appeal that also contains the following:
 - a. The assurance that the District will not tolerate retaliation against a complainant for the filing of a complaint or participating in the complaint investigation.
 - b. A statement advising the complainant of the option to appeal the Educational Equity Compliance Office's decision to the California Department of Education within 15 days of receipt of the Educational Equity Compliance Office's decision letter.

The written appeal must be sent within 15 days of receipt of the letter of findings. Such appeals should specify the reason(s) for appealing the decision, include a copy of the District's decision and be addressed to: California Department of Education, Office of Equal Opportunity, 1430 N Street – Room 4206, Sacramento, California 95814.
- E. Civil Law Remedies: Pursuant to the California Education Code §262.3, persons who have filed a complaint should also be advised that civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies may be available to them.

NONDISCRIMINATION STATEMENT

The Los Angeles Unified School District is committed to providing a working and learning environment free from discrimination, harassment, intimidation and/or bullying. The District prohibits discrimination, harassment, intimidation and/or bullying based on the actual or perceived characteristics set forth in Penal Code § 422.5, Education Code § 220 and actual or perceived sex, sexual orientation, gender, gender identity, gender expression, race or ethnicity, ethnic group identification, ancestry, nationality, national origin, religion, color, mental or physical disability, age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity it conducts or to which it provides significant assistance.

Discrimination is different treatment on the basis of a protected category in the context of an educational program or activity without a legitimate nondiscriminatory reason and interferes with or limits the individual's ability to participate in or benefit from the services, activities, or privileges provided by the District.

Harassment occurs when: (1) the target is subjected to unwelcome conduct related to a protected category; (2) the harassment is both subjectively offensive to the target and would be offensive to a reasonable person of the same age and characteristics under the same circumstances; and (3) the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit an individual's ability to participate in or benefit from the services, activities, or opportunities offered by the District.

Upon witnessing an act of discrimination, harassment, intimidation and/or bullying based on actual or perceived characteristics of a protected category (as enumerated above), school personnel are required to take immediate steps to intervene when it is safe to do so. Once a school or office has notice of discriminatory, harassing, intimidating and/or bullying conduct, whether carried out by employees, students, or third parties, it should take immediate and appropriate steps to investigate or otherwise determine what occurred and take prompt and effective steps reasonably calculated to end the conduct, eliminate a hostile environment, if one has been created and prevent the conduct from occurring again. These steps should be taken whether or not an individual makes a complaint or asks the school or office to take action.

This nondiscrimination policy applies to all acts related to school activity or school attendance within any school or office under the jurisdiction of the Superintendent of the Los Angeles Unified School District.

For inquiries or complaints related to discrimination, harassment, intimidation and/or bullying of students based on the actual or perceived characteristics listed above, contact your school's administrator, the school's Title IX /Bullying

DISTRITO ESCOLAR UNIFICADO DE LOS ÁNGELES

DECLARACIÓN ANTIDISCRIMINATORIA

El Distrito Escolar Unificado de Los Ángeles está comprometido a mantener un ambiente laboral y de aprendizaje libre de discriminación, hostigamiento, intimidación y/o acoso escolar. El Distrito prohíbe la discriminación, el hostigamiento, la intimidación y/o el acoso escolar basado en las características actuales o percibidas según el Código Penal § 422.5, el Código de Educación §220, e incluyendo sexo real o percibido, orientación sexual, género, identidad de género, expresión de género, raza o étnia, identificación de grupo étnico, ascendencia, nacionalidad, origen nacional, religión, color, discapacidad mental o física, edad, o en base a la asociación con una persona o grupo con uno o más de estas características reales o percibidas, en cualquier programa o actividad que conduzca o al cual proporciona una asistencia considerable.

La discriminación es el trato diferente en base de una categoría protegida en el contexto de un programa educativo ó actividad sin motivo legítimo antidiscriminatorio y que interfiere con o limita la capacidad del individuo para participar en o beneficiarse de los servicios, actividades o privilegios proporcionados por el Distrito.

El hostigamiento ocurre cuando: (1) el objeto es sometido a una conducta no deseada relacionada a una categoría protegida; (2) el hostigamiento es subjetivamente ofensivo al objeto y sería ofensivo para una persona razonable de la misma edad y características bajo las mismas circunstancias; y (3) el hostigamiento es suficientemente severo, penetrante y persistente con el fin de interferir o limitar la capacidad del individuo para participar en o beneficiarse de los servicios, actividades u oportunidades que ofrece el Distrito.

Al presenciar un acto de discriminación, hostigamiento, intimidación y/o acoso escolar, el personal del plantel educativo está obligado a tomar medidas inmediatas para intervenir siempre y cuando sea seguro hacerlo. Al reportar tal conducta a un administrador o a la persona asignada al Título IX/Administrador de Quejas del Acoso Escolar puede hacer una intervención apropiada. Una vez que el plantel escolar u oficina tenga conocimiento de conductas discriminatorias, de hostigamiento, de intimidación y/o de acoso escolar, ya sean realizadas por los empleados, estudiantes, o por terceros, debe tomar medidas inmediatas y apropiadas para investigar y determinar lo sucedido. El plantel escolar debe tomar medidas inmediatas y eficaces, razonablemente calculadas, para poner fin a la conducta, y eliminar un entorno hostil, si es que ha sido creado y evitar que la conducta vuelva a ocurrir. Estas medidas se deben tomar aunque el individuo no presente una queja, o bien si éste pide al plantel escolar u oficina que tome medidas.

Esta política antidiscriminatoria se aplica a todos los actos relacionados con la actividad escolar o asistencia dentro de cualquier plantel escolar u oficina bajo la jurisdicción del Superintendente del Distrito Escolar Unificado de Los Ángeles.

The District prohibits sexual harassment of or by employees, students, or persons doing business with or for the District on the basis of actual or perceived sex, sexual orientation, gender, gender identity or gender expression. Failure to follow this policy is a violation of state and federal law.

Sexual harassment is defined by California Education Code § 212.5 as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

Upon witnessing an act of discrimination, harassment, intimidation and/or bullying based on actual or perceived characteristics of a protected category (as enumerated above), school personnel are required to take immediate steps to intervene when it is safe to do so. Reporting such conduct to an administrator or Title IX/Bullying Complaint Manager can be an appropriate intervention. Once a school or office has notice of discriminatory, harassing, intimidating or bullying conduct, whether carried out by employees, students, or third parties, it should take immediate and appropriate steps to investigate or otherwise determine what occurred. School personnel are to take prompt and effective steps reasonably calculated to end the conduct, eliminate a hostile environment, if one has been created, and prevent the conduct from occurring again.
