

Small Learning Community: **SHAPS**

Sports Medicine, Health and Public Service

<p>A. Vision Statement</p>	<p>Our vision is to provide students with a strong foundation and preparation for college and career beyond high school. Students will meet their A-G requirements while working in environments that emphasize personalization, collaboration, caring, and learning. Each student will have an equal opportunity to succeed through the promotion of intellectual growth, self-discipline, and academic achievement through quality instruction and curriculum based on California State Standards.</p>
<p>B. Mission Statement</p>	<p>Our mission is to empower students with knowledge, planning skills, academic and career goals, problem solving skills, and proficiency with technology to provide a strong foundation that prepares students to transition into college, public service, and health related fields.</p>
<p>C. Describe the culture of your SLC. i.e.....traditions, college/career</p>	<p>SHAPS will encourage college culture with college career days along with SHAPS pathways. SHAPS has instituted a Distinguished Speakers Bureau that meets with students once a month. Speakers include Sheriff Lee Boca, Lawyer Thomas Mesereau, and other prominent personalities.</p> <p>SHAPS will solicit community members to enhance the curriculum and support student learning. SHAPS will implement job shadowing for juniors and seniors with neighboring businesses. SHAPS will have honest and open communication among teachers, parents and students to build a structure to support student learning and parent involvement. Trust will be a driving force within SHAPS. Good teaching is celebrated in SHAPS monthly. Students' good work and attendance is acknowledged with assemblies, awards and certificates.</p> <p>There are occasions when we show our caring for each other and awareness of significant events in each others' lives, by celebrating benchmarks in the life of the school.</p>

Sports Medicine, Health and Public Service

<p>L. What does the role of the parent in your SLC?</p>	<p>Parent Advisory Committee meets bi-monthly. Family events three times a semester in the form of Family Math Night, College Night and Career Nights. Parents will volunteer for SHAP events throughout the year.</p>
<p>M. What is the goal of your professional development plan and how will it address new teachers that come to your SLC?</p>	<p>The goal is to provide high quality, ongoing professional development focused on classroom instruction that includes school-based coaching and support for instruction based on teaching and learning needs. The PD will focus on curriculum and common assessments SHAPS staff will continue to participate in the Panther Walks to support peers and a common vision of good instruction.</p>
<p>N. What is the leadership beyond the Principal? i.e.... PDCommittee, Advisory Council, Assessment Committee</p>	<p>SHAPS will be led by an assistant principal, lead teacher and counselor.</p> <p>An advisory board will consist of community partners, teachers, students and parents. Sub-committees will be formed to address professional development and assessment.</p> <p>Administrator/Assistant Principal</p> <p>The assistant principal meets with the lead teacher, the counselors, and SLC teachers on a regular basis to monitor the daily progress, issues and concerns. The administrator coordinates discipline, attendance and scheduling matrix, and serves as a liaison to the guidance staff.</p> <p>The assistant principal will review strategies for curriculum design, SLC's and student activities based on the plan, supported by academic research. In addition, the assistant principal will assist the lead teacher in the staff development on technical content and</p>

	<p>advanced teaching techniques.</p> <p>SLC Counselor</p> <p>Responsibilities include recruiting students, scheduling and advising students. In addition, the counselor will coordinate senior advisories for students, teachers and community partners' and actively communicate with parents. The SLC counselor will collect data from teachers and administrators and submit to the data coach for analysis; assist with required grant reports, and report progress to the SLC Advisory Board and assistant principal.</p> <p>Lead Teacher</p> <p>The SHAPS lead teacher plans and facilitates team meetings, and serves as a liaison to the administration and the SLC Advisory Board. The lead teacher works directly with the principal, assistant principal, and SLC Advisory Board to develop the matrix and to provide leadership for SHAPS. The lead teacher organizes communication with parents, staff and community including outreach. The SHAPS lead teacher represents the their staff on the Instructional Leadership Team.</p> <p>Teachers</p> <p>SHAPS teachers will work cooperatively and collaboratively with colleagues, students, and faculty as they make student achievement their top priority. Teachers will maintain a safe and welcoming classroom environment, working with and exploring current technology and related support programs, software, and websites. Achieving and struggling students alike will be identified for appropriate acceleration, referral, or intervention. Parent and family relationships will be utilized to reinforce guidance, decision-making and resolution of issues.</p>
