(Program codes 7S046, 70S46, and 7E046) restricted funds.

INSTRUCTIONS: I.

INTRODUCTION

An Imprest Fund permits an administrator to make direct purchases of items utilizing a local site checking account. The Imprest Fund is another means of procuring materials when a vendor does not accept a purchase order or P-Card; it does not represent additional funding to the site.

II. ELIGIBILITY FOR BASIC DISTRICT PROVIDED FUND

- A. Under current policies, Local District administrators, principals, nonschool location administrators and other designated administrative officials may request an Imprest Fund. A basic amount is provided from District funds. Additional amounts may be requested as explained in Section IV of this reference guide.
- B. The basic amounts that may be requested are listed below:
 - 1. For schools and early education centers that do not have a restricted/specially funded program:

 Enrollment
 Maximum

 Under 300
 \$750

 300-749
 \$1,100

| 750-1,199 | \$1,500 |
|----------------|---------|
| 1,200-2,199 | \$1,800 |
| 2,200 and over | \$2,000 |

2. For schools and early education centers that have a restricted/specially funded program or two or more schools sharing one Imprest Fund account under the same administrator:

| Combined Enrollment | <u>Maximum</u> |
|---------------------|----------------|
| Under 300 | \$1,100 |
| 300-749 | \$1,500 |
| 750-1,199 | \$1,800 |
| 1,200 and over | \$2,000 |

Once the restricted/specially funded program expires, or the number of schools assigned to a principal is reduced to only one, the amount for the Imprest Fund will revert to the basic amount.

3. For Local District offices: \$10,000

4. For non-school location: \$ 750

III. ESTABLISHING AN IMPREST FUND

A. Only cost centers with operating expense budgets will be allowed to establish an Imprest Fund, limited to one account per cost center. Eligible administrators should complete and sign an "Imprest Fund Request" form (Attachment A). The original form must be submitted to:

Attn: Head Accountant Accounts Payable Branch 333 S. Beaudry Avenue, 27th Floor Los Angeles, CA 90017

If the Imprest Fund is being re-established due to a change in administrator, the existing Imprest account (not the bank account) must be closed by the outgoing administrator before a new one can be established for the incoming administrator. Please refer to Section IX - Permanent Closing of the Imprest Fund.

Establishing an Imprest Fund will not result in a charge against a school or office budget, except when an additional amount over the basic maximum amount is requested.

B. If a cost center has an existing account with Bank of America (B of A),

contact the Treasury Section at (213) 241-3145 to update your signature card and other relevant information for the new administrator.

- C. When opening a brand new Imprest Fund, the account must be with B of A. Contact the Treasury Section at (213) 241-3145 for assistance in establishing the account. This will ensure the school account is identified as part of LAUSD's corporate account with B of A. Being part of LAUSD's corporate bank account guarantees that monthly bank service charges will be assessed per the District's agreement with B of A, with most charges absorbed by the District. For more information on bank accounts, please see BUL-6310.0 *Banking Policies*, dated July 1, 2014.
- D. School and office accounts are not charged in the District's accounting system when Imprest Fund checks are issued by the administrator or when the checks are transacted at the bank. School and office accounts are charged when Imprest Fund reimbursement claims are processed by the Accounts Payable Branch.
- E. As custodian of the Imprest Fund, the administrator has the fiduciary responsibility of ensuring that expenditures charged to the Imprest Fund are in compliance with district policies and the funding line(s) to be charged has a sufficient available balance before issuing an Imprest Fund check. If expenditures are charged to restricted Title I funds, the administrator is responsible for ensuring that the expenditures are justified in their Single Plan for Student Achievement (SPSA)/SPSA Update. The stewardship and responsibility over the Imprest Fund cannot be delegated and remains at all times with the fund administrator.
- F. All newly established Imprest Funds will require enrolling into the Automated Clearing House (ACH)/Electronic Funds Transfer (EFT) program for direct deposit to their bank account. Please see Attachments E and F for instructions on filling out the EFT Enrollment Form. Accounts Payable will finalize the EFT set up for the school's/office's Imprest Fund after the test remittance is confirmed by the school/office.

IV. INCREASING THE AMOUNT OF THE IMPREST FUND

The school or office administrator may increase the amount of the Imprest Fund above the basic amount outlined in Section II by transferring the allowable additional amount from accounts such as 13027 - General Fund (GF) School Program, 14173 – Continuation Schools Supplies or 10025 – GF Admin to the Budget Services Branch account designated for this purpose.

A. The maximum amount allowed for the Imprest Fund by account type is:

| Account Type | <u>Maximum</u> |
|-----------------|----------------|
| All Schools | \$ 5,000 |
| Local Districts | \$20,000 |
| Other Offices | \$ 2,000 |

B. Send the completed and signed "Imprest Fund Request" form (Attachment A) with the budget transfer document number indicated on the form to the Accounts Payable Branch to initiate processing of the requested increase.

V. OPERATION OF THE FUND

- A. Administrators must deposit replenishment warrants only to the Imprest Fund checking account that bears the name of the school/office. The Imprest Fund must not be co-mingled with a personal checking account or any other bank account.
- B. No single item with a total cost in excess of \$1,000 (inclusive of sales tax, shipping and handling) may be purchased through the Imprest Fund. In no case may the cost of the item exceed the amount of the Imprest Fund. There are no additional limitations, other than budgetary, to the total amount that may be expended during any fiscal period.
- C. The fund administrator must ensure that the Imprest Fund bank account balance is monitored. Fund administrators must verify the bank balance before issuing an Imprest Fund check to make sure that the bank account has a sufficient balance to cover the check amount and avoid unnecessary returned check or NSF/overdraft charges.
- D. An original invoice or receipt must be obtained when the purchase is made. Upon issuance of the Imprest Fund check, the fund administrator must ensure that the original invoice or receipt is marked "PAID" to prevent the chance for it to be re-used for another reimbursement.
- E. No reimbursement claim shall be submitted for an item of expenditure before it has occurred.
- F. Prior to submission of the reimbursement claim form to Accounts Payable Branch (for non-Title I funded expenditures) or to Federal and State Education Programs (FSEP) Branch (for Title I funded expenditures), the fund administrator must ensure:

- 1. The funding line provided is valid in Systems, Applications, Products (SAP) financial system and the account has sufficient balance to cover the cost of the materials or services purchased.
- 2. The purpose of the expenditure, quantity and unit cost should be indicated under the column "description" on the claim form for each account charged.
- 3. The page from the SPSA/SPSA Update that specifically describes the purchase and the itemized receipt/invoice for the purchase and/or the approved Request for Travel and Attendance at Conference, Convention or Meeting (Form 10.12.1) for Conference Registration fees are required to be attached to the claim form for allowable charges to Title I funds for the reimbursement to be paid. Only in extremely limited circumstances may Title I funds be used for Imprest Fund reimbursement as the use of this fund is limited due to regulatory requirements and use of this account may be subject to multiple audits and reviews. (Refer to Section VI below for specific procedures for Imprest Fund reimbursement with Title I funds.)
- G. All records relating to the Imprest Fund must be available at the school or office for audit. For records retention, please see Bulletin no. 5503.1Records Retention and Destruction, dated July 1, 2012. The Accounting and Disbursements Division retains the right to request supporting receipts and/or any pertinent documentation from the fund administrators at its discretion. Further, it is required that the fund administrator or his/her designee produce the requested documents on demand. The fact that a reimbursement was made does not constitute approval by the Accounting and Disbursements Division.
- H. The bank account and the Imprest Fund must be reconciled monthly. The fund administrator or his/her designee must use the Imprest Fund Reconciliation Form (Attachment B) and Imprest Fund Bank Account Reconciliation Form (Attachment C). The fund reconciliation identifies amounts that make up the Imprest Fund total and the bank reconciliation explains the difference between the bank balance per bank statement and your own accounting record. Excel templates are also available on the Accounts Payable web page. The total of unspent funds, outstanding checks, receipts for unclaimed authorized purchases, and claims in process must equal the total amount of the fund at all times.

- I. At the end of each quarter, the fund administrator or his/her designee must submit copies of the bank and fund reconciliations to their Local District Fiscal Specialist for children education centers/elementary schools and to their Coordinating Financial Manager for secondary schools.
- J. At the end of the fiscal year, the administrator must submit a final claim together with the bank statement and bank reconciliation report to the Accounts Payable Branch for reimbursement of expenditures to be charged to the appropriate fiscal year. Schools must submit their final claim no later than June 10 and June 30 for central offices. It is not necessary to close the Imprest Fund at the end of each fiscal year, unless there is a change in the Fund administrator.
- VI. PROCEDURES FOR IMPREST FUND REIMBURSEMENT WITH TITLE I FUNDS (Program Codes 7S046, 70S46, and 7E046)
 - A. When procuring materials with Title I funds, schools are encouraged to use a purchase order. The Imprest Fund should be utilized only if a vendor does not accept a purchase order or P-Card.
 - B. The fund administrator must make sure that expenditures charged to restricted federal funds are in compliance with the requirements of the Title I program. It is possible that an audit may determine the expenditures were not appropriate and result in disallowance. The fund administrator will be required to reimburse the Imprest Fund for any disallowed expenditures.
 - C. The following are the only allowable Title I expenditures:
 - 1. Admissions to approved educational activities see REF-2111.0 Field Trips Handbook and Revised Procedures, dated July 24, 2006 and REF-2191.4 Admission Ticket Purchases, dated August 2013. A copy of Request for Approval of School Organized Trip for Students, (Form 34-EH-57) must be attached to the claim. Schools desiring to use Title I restricted funds must submit a School Site Council approved budget adjustment request identifying commitment item 580005 (Other Expense) and an SPSA Update page. The SPSA Update page should establish the instructional purpose of the expenditure, the destination, the number of students requiring admission tickets, and the cost.

- 2. Conference or registration fees for employees are allowed provided an Approved Travel Request Notification (ATRN) of the conference attendee is submitted to Accounts Payable together with the reimbursement claim. Further information regarding travel/conference attendance is provided in BUL-5525.1- District Policy for Travel and Attendance at Conferences, Conventions, or Meetings, dated July 1, 2013.
- 3. Local Districts and schools may use their Imprest Fund for allowable parent training and parent travel expenses. Parents may attend only policy board approved conferences using Title I funds.
- 4. Contract bus services for educational field trips, provided that the contractor has been approved by the Transportation Branch. For additional information, refer to BUL-1521.1 Buses for Student Trips and Other School Activities, dated June 26, 2009. The claim form must state the bus company used and the Field Trip Approval must be attached to the claim form.
- 5. Supplemental Instructional Materials for items as described in the Program and Budget Handbook.
- D. Submission of reimbursement claims from the Title I Program (Program Codes 7S046, 70S46, and 7E046)
 - 1. Email a completed Federal Grant (Title I) Imprest Fund Claim Form (Attachment H) to FSEP Branch at fsep@lausd.net with the subject line on your email "Imprest School/Office Name Claim Number (current fiscal year cost center claim count FG)" and attach the following documentation:
 - a. Page from the SPSA/SPSA Update that specifically describes the purchase
 - b. A detailed itemized receipt/invoice of purchases and/or the approved Request for Travel and Attendance at Conference, Convention or Meeting (Form 10.12.1) form for Conference Registration fees.
 - 2. FSEP will review the expenditure and documentation and, if approved, will forward the claim to Accounts Payable for reimbursement. If the claim requires additional documentation, FSEP will contact the school and the school's fiscal specialist. If

- the claim is denied, the principal will contact the school's fiscal specialist to identify another funding source for reimbursement.
- 3. To avoid delays in reimbursement of Imprest Fund claims from Title I funds, schools and offices should submit the required documentation to FSEP and not to Accounts Payable. Due to the additional review for charges to the Title I program, schools and offices must separate the Title I funded expenditures from all other expenditures and complete a separate claim form for the Title I purchase(s).

VIII. REPLENISHING THE FUND AND RETENTION OF RECORDS

- A. The administrator to whom the Imprest Fund was issued must sign the completed Imprest Fund Claim Form (IMP-1706 Rev. 09/15), available at the Accounts Payable web page under Publications. Warrants are payable only to the school/office name and can be endorsed only by the administrator of the Imprest Fund.
- B. If the Imprest claim is being charged to Title I, fund administrators must email completed and signed claim forms including required supporting documents with the subject line to read "Imprest-School/Office Name-Claim Number (current fiscal year cost center claim count FG)" to FSEP at fsep@lausd.net. For all other funding sources, administrators should submit completed and signed claim forms by Facsimile (FAX) to Accounts Payable at (213) 241-8913 or via email to accounts-payable@lausd.net with the subject line to read "Imprest -School/Office Name Claim Number (current fiscal year cost center claim count)." The administrator must retain all supporting documents for review during the next audit. This review may affect final approval of the reimbursement. Imprest Fund Claim Form numbering should continue to be sequential for all types of claim and distinguish Title I claims by adding the suffix "FG" to the reference number.

For assistance in converting funding lines from IFS format to SAP format (or vice-versa), please visit the BTS Help Zone at http://btshelpzone.lausd.net/nav/index.htm and reference the BTS quick reference guide titled "Convert IFS to SAP Account String."

C. To ensure continuous Imprest Fund cash availability, the administrator should submit claim forms when approximately one-third of the Imprest Fund is used. Delay in submission of a reimbursement claim, especially at year-end, may result in charging expenditures to next year's budget. The administrator should not wait until the fund is close to being depleted before requesting fund replenishment. Claims that total less than \$50 should not be submitted except at the end of the fiscal year or

to clear the fund of an outgoing administrator. (See Sections V-J and IX)

IX. PERMANENT CLOSING OF THE IMPREST FUND

If the administrator is leaving a school or office for any reason (promotion, transfer, resignation, or retirement), he must do the following prior to leaving:

A. Close the Imprest Fund by submitting a closing reimbursement claim and a check in the amount of the unexpended funds. The check for the unspent funds must be payable to Los Angeles Unified School District and sent to:

Attn: Head Accountant Accounts Payable Branch 333 S. Beaudry Avenue, 27th Floor Los Angeles, CA 90017

- B. There is no need to close the Imprest Fund bank account just ensure that the bank account is properly transferred to the incoming administrator by completing and signing a bank signature card changing the authorized signatory for the account to the new school/office administrator. If the account is with B of A, see Bank Signature Card and instructions (Attachments G and G.1). The fund administrator may contact the Treasury Section at (213) 241-3145 to verify that changes have been made.
- Failure to reconcile all previous funds or properly close the Imprest Fund account may result in the freezing of the new administrator's request and/or delay in establishing Imprest Fund account for the outgoing administrator in his new location. The Imprest Fund administrator is liable for any unreconciled or prohibited transactions that he authorized and will have to reimburse the District for these expenditures before a new Imprest Fund account can be opened for him/her in the new assigned location.
