Unit C - Article XVII

VACATION

1.0 – 1.16 – Current Contract Language (CCL)

2.0 Vacation pay out

Employees, at their discretion and upon request to the district, shall receive a payout of available vacation days in the amount requested by the employee. This pay out shall count as vacation time for purposes of this section and shall lower the employee's cap by the amount of days requested. This request can be made at any time during the calendar year and shall not be denied by the district. The pay out shall be made available to the employee no later than fourteen (14) days after the date requested.

2.0 All non-A-basis vacation-accruing employees shall be provided the opportunity to use accrued vacation hours on any unassigned days within their basis.
