## **Equity Impact:**

| Component                  | Score | Score Rationale   |
|----------------------------|-------|---|
| Recognition                | 4     | The 2023-24 Revised Budget is LA Unified's plan related to anticipated revenues and expenditures for all funds and actively recognizes historical inequities. Students learn in different ways depending on the student's background, language, race, economic profile, etc. Therefore, resources are allocated using metrics that recognize these differences. Programs with funding models that use various indicators include, but are not limited to, the Student Equity Needs Index (SENI), Black Student Achievement Plan (BSAP), Arts Program, Staffing Equity Grant, and Title I. |
| Resource<br>Prioritization | 4     | The 2023-24 Revised Budget effectively prioritizes resources based on student need. Programs are established and funds are allocated by applying various metrics to address the unique needs for specific student groups such as low-income students, English Learners, and students in foster care as well as to provide additional support to accelerate gains in closing opportunity and outcome gaps.   |
| Results                    | 4     | The 2023-24 Revised Budget includes investments in schools that are allocated to improve student achievement and equity across all student groups. The goal is to build fairness and inclusion and ensure every student has the opportunity to achieve their academic goals.  |

#### EXECUTIVE SUMMARY – 2023-24 REVISED BUDGET

At its June 20, 2023 meeting, the Board adopted a budget based on assumptions from the Governor's May Revision. The Revised Budget is based upon the Enacted State Budget which was signed by the Governor on June 27, 2023. In addition, the Revised Budget reflects labor agreements and release of committed fund balances that were approved by the Board in June 2023.

The Enacted State Budget provides a new ongoing investment with the Local Control Funding Formula (LCFF) Equity Multiplier for school sites that have prior-year nonstability rates of greater than 25% and socioeconomically disadvantaged pupil rates of greater than 70%. This updated funding formula results in less Equity Multiplier revenue for LA Unified than what was included in the Governor's May Revision. In addition, the Enacted State Budget reduced onetime investments, namely the Arts, Music, and Instructional Materials (AMIM) Discretionary Block Grant and Learning Recovery Emergency Block Grant. However, the reductions to these grants are lower compared to the Governor's May Revision proposal which allows LA Unified to receive additional revenues.

Labor agreements that were approved in June 2023 for California School Employees Association (CSEA), Building Council "Trades", School Police, School Police Management, and labor agreements related to the revised instructional calendar are included in this revised budget.

The total impact of these changes to LA Unified's multi-year projection results in a positive estimated General Fund unrestricted/unassigned ending balance of \$22.6 million in the third Fiscal Year 2025-26.

#### Revised Multi-year Projection from the Adopted Final Budget

LA Unified continues to have a structural deficit whereby in-year expenditures exceed in-year revenues. Revenues continue to be impacted by declining enrollment. Expenditures have not been reduced commensurately. As a result, the 2023-24 Revised Budget includes the draw down of one-time fund balance over the multi-year projection as well as the use of one-time State funding as balancing solutions.

Table I provides a summary reconciliation of the unrestricted/unassigned General Fund ending balances 2023-24 through 2025-26 from the Adopted Final Budget (June 2023) to the Revised Budget (August 2023):

Table I. Estimated Unrestricted/Unassigned General Fund Ending Balances

| Enacted State Budget Changes  | 26.9    | 53.8    | 280.2   |  |  |  |

| Net Changes   | 13.5    | 92.1    | 12.0    |  |  |  |
| Estimated Unassigned Ending Balance at Revised Budget (August 2023)   | \$127.2 | \$110.6 | \$22.6  |  |  |  |

**Enacted State Budget Changes** – the following are the major changes that impact the General Fund ending balance:

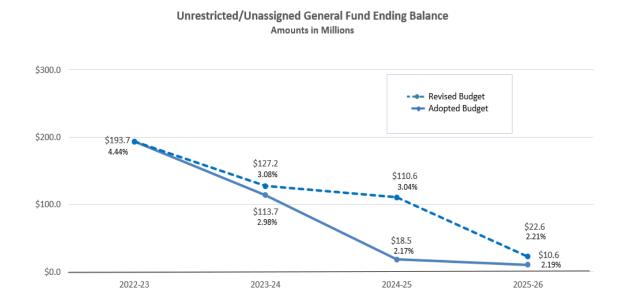

- LCFF Equity Multiplier of \$26.9 million each fiscal year. The funding formula in the Governor's May Revision would have generated an estimated \$150 million in annual revenue.
- AMIM Discretionary Block Grant of additional \$114 million in revenues can be used to fund existing labor agreements in 2025-26
- Learning Recovery Emergency Block Grant of additional \$85.6 million in revenues can be used to fund existing labor agreements in 2025-26

**Other Changes** – the following are the major changes since the Adopted Final Budget in June 2023:

- Revenues from the LCFF Equity Multiplier are placed in assigned ending balance
- Release of \$77 million and \$211 million in committed ending balance for 2023-24 and 2024-25, respectively, as approved by the Board of Education in June 2023
- Labor agreements for CSEA, Building Council "Trades", School Police, School Police Management, and labor agreements related to the revised instructional calendar, as approved by the Board of Education in June 2023
- Consistent with statute, updates to contributions for Routine Restricted Maintenance Account and Reserve for Economic Uncertainties to meet statutory requirements

Appendix I of the board report lists the estimated Assigned and Committed General Fund ending balances for 2023-24 through 2025-26.

The unrestricted/unassigned General Fund ending balance reserve percentage is estimated to drop from 4.44% in 2022-23 to 2.21% in 2025-26.

#### **Next Steps**

The national and state economy continue to be shrouded with uncertainty brought about by the delayed tax receipts due to the postponement of tax filings until October 2023, interest rate hikes, and the prospect of a potential recession.

The current multi-year projection is positive due to balancing solutions and use of onetime resources. However, in the absence of further balancing solutions, the cost of agreements with bargaining units that have yet to settle shall further lower the unrestricted/unassigned General Fund ending balances.

The Unaudited Actuals for the prior year fiscal year 2022-23 is the next State statutory report and is scheduled to be presented to the Board on September 12, 2023. The 2022-23 Audited Annual Financial Report will also be submitted to Board in December 2023.
