

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

TITLE: Title IX Policy/Nondiscrimination Complaint Procedures
(Including for Sex Discrimination and Sexual Harassment)

NUMBER: BUL-2521.3

ISSUER: Dave Holmquist, General Counsel
Office of the General Counsel

DATE: August 14, 2020

POLICY: The Los Angeles Unified School District (District) is committed to providing a learning and working environment in which all individuals are treated with respect and dignity. Each student and employee has a right to learn and work in an environment that is free from unlawful discrimination. No District student or employee shall be excluded from participation in, be denied the benefits of, or be subject to discrimination on the basis of actual or perceived gender/sex (including gender identity, gender expression, marital status, parenting, pregnancy, childbirth, breastfeeding, false pregnancy, termination of pregnancy and pregnancy related medical conditions), sexual orientation or a person’s association with a person or group with one or more of these actual or perceived characteristics in any District educational program or activity or to which it provides significant assistance.

ROUTING
All Employees

Sexual harassment of, or by employees, students, third parties or persons doing business that takes place or is affiliated with the District, is a form of sex discrimination in that it constitutes differential treatment on the basis of actual or perceived sex, sexual orientation or gender. As such, any act of sexual harassment is a violation of law, as well as District policy and is prohibited.

The District considers sexual harassment to be a serious offense, which can result in disciplinary action to the offending employee or student, including suspension or expulsion of the offending student in Grades 4-12. While suspension or expulsion as a disciplinary consequence for sexual harassment shall not apply to students enrolled in Kindergarten and Grades 1-3 under state law, other disciplinary actions or interventions may be taken as appropriate. Students or employees of the District who believe that they have been a target of sexual harassment may bring the problem to the attention of the site administrator or site Title IX/Bullying Complaint Manager. All complaints will be promptly investigated in a way that respects the privacy of all parties. The District will take appropriate actions reasonably calculated to eliminate the harassment, prevent its recurrence and remedy its effects. The District prohibits retaliatory behavior against anyone who files a sexual harassment complaint, makes a report on an individual’s behalf or who participates in the complaint investigation process.

MAJOR CHANGES: This bulletin replaces BUL-2521.2 *Title IX Policy/Complaint Procedures* dated February 14, 2018 and BUL-3349.1 *Sexual Harassment Policy (Student-to-Student,*

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

Adult-to-Student, and Student-to-Adult) dated July 30, 2014. Per the February 19, 2019, Los Angeles Unified School District’s Board of Education’s delegation of authority for the Superintendent to review, approve and adopt updates to nondiscrimination policy, this policy includes changes in State law regarding sexual harassment postings and new federal regulations under Title IX in relation to sexual harassment definitions and grievance procedures. It reflects current state and federal requirements and provides updated guidance.

GUIDELINES:

I. BACKGROUND

Title IX of the Education Amendments of 1972 states, “No person . . . shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

California Education Code (E.C.) § 200 *et seq.*, affords all persons in public schools, regardless of their disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in § 422.55 of the Penal Code, equal rights and opportunities in the educational institutions of the state.

California’s public schools have an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity.

California law clarifies that gender means actual or perceived sex, and includes a person’s gender identity and gender expression or gender-related appearance and behavior whether or not stereotypically associated with the person’s assigned sex at birth.

State law elaborates that a pupil shall be permitted to participate in sex-segregated school programs and activities, including athletic teams and competitions, and use facilities consistent with the pupil’s gender identity, irrespective of the gender listed on the pupil’s records.

California Education Code §212.5 and Title 5 of the California Code of Regulations, §4916, define sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting under any of the following conditions:

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

employment or academic decisions affecting the individual.

- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.

Federal regulations provide new definitions of sexual harassment and mandated grievance procedures for addressing allegations specific to sexual harassment. Under the new regulations for Title IX of the Education Amendments of 1972, conduct on the basis of sex that satisfies one or more of the following may constitute sex discrimination or sexual harassment and will be addressed according to the protections afforded in this policy:

- An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- Sexual assault – an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation [See Attachment K for policy definitions related to sexual assault];
- Dating violence – violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of relationship, the frequency of interaction between the persons involved in the relationship;
- Domestic violence – includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or
- Stalking – engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

Title IX only applies to such conduct occurring against a person in the United States, who is participating in or attempting to participate in the District's

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

educational programs or activities; this includes locations, events or circumstances over which the District exercises or exercised substantial control over both the respondent and the context in which the conduct occurs or occurred.

Both law and District policy require that all educational programs and activities be conducted without discrimination based on legally protected characteristics.

II. DEFINITIONS

See Attachment K for policy definitions.

III. EQUAL TREATMENT OF STUDENTS ON THE BASIS OF ACTUAL OR PERCEIVED SEX IN EDUCATIONAL PROGRAMS AND ACTIVITIES

While the District does not discriminate on the basis of all protected characteristics per the annually issued memorandum *Nondiscrimination Required Notices and Ordering of Student Brochures*, state law assures equal treatment of students in educational programs and activities and specifies that equity on the basis of actual or perceived sex, sexual orientation, gender, gender identity or gender expression shall be practiced in the following ways:

A. Programs and Activities

1. Students have the right to equal learning opportunities in their school.
2. Students may not be excluded from participation in, be denied the benefits of, or be subjected to harassment or other forms of discrimination on the basis of actual or perceived sex, sexual orientation, gender, gender identity or gender expression, disability, nationality, race or ethnicity, immigration status, religion, or association with anyone with one or more of these characteristics in any program or activity.
3. Students shall be permitted to participate in sex-segregated school programs and activities and use facilities consistent with the student's gender identity, irrespective of the gender listed on the student's record.

B. Course Accessibility and Instruction

1. Students may not be required to take or be denied enrollment in a course because of actual or perceived sex, sexual orientation, gender, gender identity or gender expression.
 - a. Instruction in all courses and classes must be co-educational, unless otherwise specified under law.
 - b. Elementary and secondary units of instruction, which deal exclusively with human sexuality, may be conducted in separate sessions for boys and girls in accordance with their gender identity.

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

- c. Student grouping by vocal range and quality is allowed in a chorus or choruses.
- d. Students have the right to be evaluated and graded without regard to actual or perceived sex, sexual orientation, gender, gender identity or gender expression.
- e. Instructional materials and textbooks shall not contain any matter reflecting adversely upon persons because of actual or perceived sex, sexual orientation, gender, gender identity or gender expression, except if such passages are for historical reference.
- f. Instructional materials and textbooks shall accurately portray the cultural, racial, gender, and sexual diversity of our society.
- g. When developing the master program in secondary schools, consideration must be given to the naming and scheduling of classes as to promote sex/gender integration, especially in non-traditional course offerings.
- h. In general, the law does not allow for sex segregation in educational programs except under limited conditions. California law, consistent with Title IX regulations, allows for the District to maintain existing single-sex instructional settings, wherein students may participate on the basis of their gender of identity, with evaluations of the school's programs' or classes' effectiveness to occur every two years at Girls Academic Leadership Academy, Boys Academic Leadership Academy and Young Oak Kim Academy.

C. Counseling

1. Students shall be provided counseling and guidance that is not discriminatory.
2. No counselor shall unlawfully discriminate against any student. Guidance counseling regarding school programs and career, vocational, or higher education opportunities shall not be differentiated on the basis of any protected category. In addition, counselors shall affirmatively explore with students the possibility of careers, or courses leading to careers, that are nontraditional for that student's sex.

D. Physical Education

1. All physical education classes, instruction and testing must be co-educational.
2. Regulations state that schools must not provide any course or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation by its students on such basis, including physical education classes.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

3. Student grouping by ability is allowed. However, any grouping of students during physical education activities should be on-going, flexible, and modified per unit activity and may not have a discriminatory impact. Students are to be assessed by objective standards of individual performance without regard to sex.
4. See BUL-1826.0 *Sex Equity in Physical Education Programs* for detailed information regarding physical education.

E. Athletics

Compared programs must be equivalent, that is equal, or equal in effect. Identical benefit, opportunities, or treatment are not required, provided the overall effect of any differences is negligible. Overall, the athletic interests and abilities of male and female students must be equally and effectively accommodated. See Attachments P1 and P2 for further considerations in ensuring an equitable athletics program.

1. Schools shall offer all students equal opportunities to play sports.
2. Equipment and supplies, game and practice schedules, budgets, coaching, travel allowances, facilities, recruitment, publicity, support services and tutoring offered to teams shall provide comparable and equitable athletic opportunities for members of both sexes.
3. Students shall be permitted to participate in sex-segregated athletic teams and competitions consistent with their gender identity in accordance with California Interscholastic Federation guidelines.

F. Sexual Harassment

Sexual harassment of or by school employees or students is a form of sex and gender discrimination and is prohibited. School personnel must respond promptly to allegations of sexual harassment. Sections V, VIII and IX of this policy outline specific responsibilities of stakeholders and grievance procedures.

G. Pregnant and Parenting Students

1. No student or applicant for enrollment will be subject to discrimination on the basis of that student's pregnancy at any stage of pregnancy, childbirth, lactation status, false pregnancy, termination of pregnancy, recovery from pregnancy, or parental or marital status.
2. Pregnant and parenting students, regardless of their marital status, have the same rights as other students to remain in their current educational program or to attend any District school or program for which they would otherwise qualify and to do so in an environment free of discrimination or harassment.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

3. Pregnant and parenting students must have full access to the same programs and activities for which they would otherwise qualify, including, but not limited to, graduation, awards, ceremonies, field trips, student clubs, after-school activities, and any other school-related programs/activities. As such, students cannot be expelled, suspended, or otherwise excluded from, or required to participate in, school programs/activities solely on the basis of their pregnancy-related conditions or parental/marital status.
4. District schools and programs shall make reasonable accommodations to facilitate the equal access and full participation of pregnant, lactating, breastfeeding and parenting students and employees.
5. Schools may require a pregnant female student to provide written permission from her licensed healthcare provider that she is physically and emotionally able to remain in or participate in a school activity or program only if such permission is also required for other health conditions or temporary disabilities requiring medical care.

See District policy BUL-2060.1 *Pregnant and Parenting Students Educational Rights* for detailed information regarding pregnant and parenting students.

H. Extra-Curricular Activities, Programs, and Clubs

Participation in all extra-curricular activities, programs, and student clubs shall be available to all students without regard to actual or perceived sex, sexual orientation, gender, gender identity or gender expression.

All student clubs are to have equal access to facilities and a fair opportunity to meet.

No extra-curricular activity, program, or club is to be labeled or scheduled with the result of the separation of students on the basis of actual or perceived sex, sexual orientation, gender, gender identity or gender expression. Participation in student clubs will follow guidelines for student body activities and student club bylaws.

I. Fundraising

Board Rule 1721 states, "It is the intent of the Board that no donation shall provide a substantial advantage in educational benefits to a school if such benefits cannot be balanced in all schools." When fundraising for programs and activities in a school, ensure equity across the school. Where booster clubs provide benefits and services to athletes of one sex that are greater than what the District is providing to athletes of the other sex, the District shall take action to ensure that the benefits and services are equivalent for both sexes. See Attachment P2 for further considerations around ensuring equity in fundraising.

IV. CERTAIN PROGRAMS AND ACTIVITIES ARE EXCLUDED

Title IX and the California Education Code do not apply to the following:

- A. YMCA, YWCA, Boy Scouts, Girl Scouts, Camp Fire Girls and voluntary youth service organizations.
- B. Father-son and mother-daughter activities, provided that comparable activities are offered for students of the other sex. Care must be taken that such activities accommodate for students and their various family configurations.
- C. Scholarships based upon a combination of factors where participation is limited to individuals of one sex, if the activity complies with other nondiscriminatory provisions of the law and District policy.

V. RESPONSIBILITY FOR POLICY IMPLEMENTATION

A. School Principals or Site Administrators shall:

1. Identify the administrators or designees responsible to serve as the site's Title IX/Bullying Complaint Managers and establish a systematic process to oversee the site-based response to complaints of discrimination, harassment and retaliation in a safe and private manner. The District's Title IX Coordinator centrally coordinates provision of relevant investigators and Title IX decision-makers and provides training and resources for site-based Title IX/Bullying Complaint Managers as well.

The role of the Title IX/Bullying Complaint Manager is to oversee the prompt and equitable response to any complaints of harassment, discrimination, and retaliation, including sexual harassment or sex discrimination under state and federal law, as well as to provide or coordinate supportive measures, information, and options to the parties regarding sexual harassment, sex discrimination or retaliation. The Title IX/Bullying Complaint Manager also has responsibilities regarding addressing complaints of bullying and hazing as articulated in District policy BUL-5212.2 *Bullying and Hazing Policy (Student-to-Student and Student-to-Adult)*.
 - b. School sites must identify at least two Title IX/Bullying Complaint Managers so complainants can choose the person with whom they feel most comfortable discussing their concerns.
 - c. Provisions must be made to facilitate the ability of non-verbal or limited-English speaking complainants to access the Title IX/Bullying Complaint Managers and file a complaint. A complainant unable to make a written complaint will be assisted by District personnel.

The *Sexual Harassment Prevention Policy* must additionally be posted in a prominent and conspicuous location in each bathroom and locker room at a school.
2. The *Nondiscrimination Statement* and *Sexual Harassment Prevention Policy* posters can be accessed in Armenian, Chinese, Farsi, Korean, Polish, Russian or Tagalog, from the Educational Equity Compliance Office website to duplicate then in the quantity necessary to meet the specific needs of the individual school's student population.

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

1. Names of the Title IX Complaint Managers for that school, including phone numbers and email addresses.
2. This website link, [Title IX and Nondiscrimination](#), which provides information regarding the rights of a pupil and the public and the responsibilities of the District under Title IX.
3. Those reporting or complaining about discrimination, harassment, or retaliation can also contact the District's Title IX Coordinator; contact information, including the website address, is noted at the end of this policy.

VII. CONFIDENTIALITY AND NON-RETALIATION

Complaints shall be handled in a confidential manner to respect the privacy of all parties to the fullest extent possible under the law. The District must keep confidential the identity of any individual who has made a report or complaint, respondent, and witness, except as may be permitted by the Family Education Rights and Privacy Act, required by other law, or to carry out the purposes of the Title IX regulations.

Parties are protected from retaliation. The District prohibits retaliation in any form against anyone who reports or files a complaint of suspected harassment or discrimination or participates in the complaint investigation process. Specifically, no District personnel or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation or proceeding under this law.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances, for the purpose of interfering with any right secured by title IX constitutes retaliation.

The exercise of free speech under this law does not constitute retaliation. If the District charges an individual with making a materially false statement in bad faith, that does not constitute retaliation. A determination regarding responsibility alone at the conclusion of an investigation will not be sufficient to conclude that any party made a materially false statement in bad faith.

Retaliation is grounds for a separate complaint; such incidents may be reported to the Title IX/Bullying Complaint Manager, a site administrator or to the District Title IX Coordinator for appropriate investigation and follow-up. These confidentiality and non-retaliation requirements extend to all parties involved.

VIII. DUAL RESPONSIBILITIES IN REPORTING SUSPECTED CHILD ABUSE AND RESPONDING TO STUDENT SEXUAL HARASSMENT COMPLAINTS

A. Child abuse reporting procedures, sexual harassment policies and procedures, and disciplinary policies and procedures must be effected in a coordinated manner as follows:

1. If it is suspected that conduct could constitute both child abuse and sexual harassment, the child abuse report should be filed immediately as required by District procedures outlined in BUL-1347.4 *Child Abuse and Neglect Reporting Requirements*.
2. Separate and apart from filing a suspected child abuse report, immediate steps should be taken to protect any alleged targets of child abuse and/or sexual harassment.
3. If conduct could constitute both child abuse and sexual harassment, school administrators are responsible for implementing this policy and the steps outlined herein.
4. School administrators should communicate with the local law enforcement agency as to whether the District's investigation would compromise the local law enforcement agency's criminal investigation. Administrators should clarify when they can proceed with an administrative investigation. Once released to handle the issue administratively, administrators should promptly respond.

A determination of child abuse or sexual harassment involves very different standards and outcomes. Suspected child abuse investigations involve addressing possible criminal conduct. Making a report of suspected child abuse does not relieve the District of its responsibility to take administrative action under relevant harassment and discrimination law and regulations.

5. For allegations of sexual misconduct involving employees as perpetrators, administrators should also consult with the Local District Administrator of Operations or division head to coordinate next steps in addressing immediate safety under District policy.

IX. COMPLAINT PROCEDURES FOR COMPLAINTS FOR HARASSMENT, DISCRIMINATION OR RETALIATION OTHER THAN TITLE IX SEXUAL HARASSMENT

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

When a complaint or a report of discrimination, harassment or retaliation is received, it shall be given immediate attention. Schools/sites that have actual knowledge of possible discrimination or harassment must promptly respond to determine what occurred and take appropriate steps to provide supportive measures, to ensure parties are afforded their rights and appropriate grievance procedures, eliminate any immediate safety concern, and prevent recurrence.

Complainants may access appropriate channels for site level support or formal complaint venues as described below. Prompt site-level responses are encouraged for expedient resolutions. However, immediately direct a formal complaint to the Local District or relevant Division Head and the Educational Equity Compliance Office (EECO) if the complainant names a principal as a respondent or the complaint alleges school-wide discriminatory practices. Otherwise, refer to BUL-6612.1 *Non-Discrimination and Anti-Harassment (Including Sexual Harassment) Policy and Complaint Procedure* for additional protections regarding employee-to-employee related harassment, discrimination or retaliation complaints.

Below are the guidelines for investigating and responding to complaints under state law and the District's Uniform Complaint Procedures (Sections A-D), and for formal sexual harassment complaints that fall under Title IX (Section E).

A. Site Level Response:

Any written or oral report of harassment, discrimination or retaliation must be addressed. Under state law, a reasonable effort must be made to investigate and address allegations submitted anonymously if the report contains sufficient information to identify parties involved.

The following guidelines are recommended for sites to investigate and resolve complaints that do not fall under or rise to the level of sexual harassment for a formal Title IX complaint, but may fall under state nondiscrimination law generally:

1. Assure the parties that the District takes the allegations seriously, will not tolerate such treatment, and has strong policies against it.
2. Inform the parties of applicable confidentiality and non-retaliation guidelines.
3. Assure the parties supportive measures will be provided in addition to any measures taken to effectively address any alleged discriminatory, harassing or retaliatory behavior, to include providing additional monitoring of the safety of parties and any specific steps to eliminate the conduct. Make parties aware of the range of available supportive

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

measures (Attachments K, L, M) and the right to report a crime to law enforcement regardless of whether a formal complaint is filed. In general, provide supportive measures to the parties in an equitable manner.

4. Provide the names of school or District personnel who can help if the situation continues or escalates.
5. Provide all parties, including parents and guardians, with the District's *Nondiscrimination Statement* and/or *Sexual Harassment Prevention Policy* poster summaries or *Title IX Protections* handout, as applicable. The *Sexual Harassment Prevention Policy Acknowledgement* form (Attachment N) can be used to document the sexual harassment prevention policy has been reviewed and/or explained and is understood by all parties.
6. Harassment: Apart from providing supportive measures and/or investigating complaints generally as outlined here, when determining whether to investigate sexual harassment complaints at the site level, carefully consider all available information and relevant sexual harassment definitions in determining whether the conduct described, if true, would violate the District's sexual harassment policy under either Title IX regulations or state law. Different grievance procedures are available depending on whether Title IX is invoked. For the grievance procedures specific to sexual harassment under Title IX regulations, please see Section E below. Otherwise, refer to the site-level response and Uniform Complaint Procedures outlined here.

Discrimination: When investigating discrimination complaints, carefully consider all available information in determining whether the conduct described in the complaint violates the District's nondiscrimination policy. The following three questions should be asked:

- a. Was the individual treated differently in a way that interfered with or limited the ability of the student to participate in or benefit from a District program or activity?
- b. Was the different treatment based on actual or perceived sex, sexual orientation, gender, gender identity or gender expression [or other protected characteristic under nondiscrimination law]?
- c. Did the context or circumstances of the incident(s) provide a legitimate and non-discriminatory basis for the different treatment pursuant to District policy?

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

When, based on the evidence obtained as part of the investigation, the answers to questions “a” and “b” are “yes” and the answer to “c” is “no,” the incident/situation may be considered discrimination. However, conduct that does not rise to the level of discrimination may still be considered inappropriate behavior and may require that corrective actions be taken pursuant to other District policies.

7. Obtain specific information relevant to the complaint such as where, when, and the frequency with which any incidents occurred, as well as the identities of all involved or affected parties.
8. Interview the complainant, respondents, any witnesses, or other affected parties identified by complainant or a respondent, and provide assurances regarding confidentiality and non-retaliation.
9. If appropriate, request that parties provide written statements. If parties are unable to provide written statements, District personnel will provide assistance. It is recommended that transcribed statements be done in the presence of a District witness. Additionally, preserve any evidence and documentation provided by the parties, such as emails, screenshots, pictures and physical evidence.
10. Take appropriate administrative steps to respond to the allegations, including acting to end the conduct, monitoring to ensure it does not reoccur and addressing any hostile environment. Provide supportive measures whether or not a formal complaint is filed and throughout any grievance procedure. Supportive measures and remedies (defined in Attachment K) are to be memorialized using the District’s electronic tools for documenting supportive measures, discipline, and counseling. Use the District’s electronic tool, known as the Incident System Tracking Accountability Report (ISTAR), to document incidents, investigations, and resolutions. See District policy BUL-5269.2 *Incident System Tracking Accountability Report (ISTAR)*.
11. An emergency removal of an accused may be justified if, after an individualized threat assessment, it is determined that a threat to physical health and safety of an individual arises from allegations of sexual misconduct. The accused must have an opportunity to appeal the removal before proceeding. Consult with Crisis Counseling & Intervention Services, School Mental Health and/or Student Discipline and Expulsion Support in these instances.
12. Refer to District discipline-related policies for further guidance regarding supportive measures, interventions, and remedies available. Under Title

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

IX, the parties may voluntarily agree in writing to an informal resolution after a formal complaint has been filed, except for when an employee is accused of misconduct with a student. Informal resolutions shall not be attempted when allegations involve sexual violence.

13. Inform parties, including parents/guardians or duly-authorized representatives, in general terms that the District protects the privacy and confidentiality of individuals regarding the outcomes of the complaint and whether supportive measures, disciplinary actions or remedies have been or will be taken to resolve the complaint within parameters of the law and regulations. Confidentiality laws prohibit sharing information about a child's educational records, disciplinary actions, counseling or other sensitive information to persons other than that child's legal parents/guardians and authorized staff within the parameters provided under the Family Education Rights and Privacy Act or within given exceptions provided for under Title IX regulations. For assistance in providing written communication to parents/guardians of students of the school's administrative measures, see *Sample Letter to Parents* (Attachments I or J). Explain any appeal processes available to the parties.
14. If a student has been a target based on actual or perceived sexual orientation or gender identity, consult with the student to determine an appropriate way to inform the student's parents/guardians of the conduct. Student sexual orientation or gender identity should be divulged only on a need-to-know basis among staff and not otherwise divulged without permission of the student. See District policy BUL-6224.2 *Gender Identity and Students – Ensuring Equity and Nondiscrimination*. Students are protected from discrimination or harassment on the basis of actual or perceived gender and sexual orientation under state law and can access complaint procedures at the site-level or under the District's Uniform Complaint Procedures as outlined in Section B.
15. Monitor with parties that the misconduct has ceased. For example, arrange for a designated staff person to check-in with parties after one week and again after two weeks to evaluate whether supportive measures provided to the parties have been effective. Update incident records to reflect whether the matter has resolved. If the conduct has not ceased, additional actions and monitoring will be required.
16. Records related to harassment, discrimination and retaliation investigations, including sexual harassment investigations and determinations, supportive measures or informal resolutions offered,

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

related disciplinary actions and remedies imposed, as well as any appeals and outcomes must be safeguarded. Supportive measures, disciplinary actions and remedies for students are documented in the student information system. Otherwise, retain investigation-related records in a separate school file in a central location as opposed to a student's cumulative record. Update any related investigation or incident records. Access to these records is restricted to those individuals with a legitimate need for such access. These records must be kept for seven years from the school year in which the complaint was filed. Duplicate copies should also be filed in each respondent student's individual disciplinary file.

B. Formal Complaint of Discrimination, Harassment, Retaliation and/or Appeal of Site Informal Decision under the District's Uniform Complaint Procedures (UCP):

1. In addition to or instead of filing a complaint at a site, individuals have the right to file a formal written complaint with the EECO within six months of the last occurrence or when knowledge of the complaint was first obtained depending on which comes first. A complainant unable to make a written complaint will be assisted by District personnel.
2. The written complaint/appeal may be filed using the UCP complaint form or simply by filing a written complaint statement.
3. The complaint shall contain the following information:
 - a. The specific facts about the complaint which may be helpful to the complaint investigator including, but not limited to the following: the nature of the complaint, names of those involved, witnesses, and dates/places of occurrences;
 - b. The specific relief being sought; and
 - c. Other relevant or supportive documentation or information the complainant believes will provide assistance in understanding the complaint.
4. The formal complaint should be made to the District's Title IX Coordinator in the EECO at 333 South Beaudry Avenue, 18th Floor, Los Angeles, California 90017 for appropriate investigation and response. If the complaint constitutes sexual harassment under Title IX, the complaint will instead be addressed under the Title IX grievance procedure outlined in the Title IX Protections handout.

C. Formal Complaint/Appeal Process under Uniform Complaint Procedures - The EECO will follow steps outlined below and in the UCP policy in

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

GUIDELINES (cont.):

response to a formal written discrimination, harassment or retaliation complaint generally or appeal of a site decision:

2. Conduct an impartial investigation and work to resolve the matter.
3. Provide a written report of findings and conclusions to the complainant and the respondent within 60 days of receipt of the complaint/appeal that also contains the following:
 - a. The assurance that the District prohibits retaliation in any form for filing a complaint/appeal, reporting instances of noncompliance, discrimination, harassment, intimidation and/or bullying or for participation in the complaint-filing or investigation process. These non-retaliation requirements extend to all parties involved.
 - b. A statement advising the complainant of the option to appeal the Educational Equity Compliance Office's decision to the California Department of Education within 30 days of the date of the EECO's investigation report.

D. Further Options Regarding Appealing Complaints Addressed Under the UCP (Non-Title IX defined Sexual Harassment Complaints)

A complainant may appeal the Educational Equity Compliance Office's findings to the California Department of Education – EECO within 30 days of the date of the District's investigation report. Such appeals must specify reasons for appealing the decision, include a copy of the original complaint and District decision and be addressed to: California Department of Education, Education Equity UCP Office, 1430 N Street, Sacramento, California 95814.

E. Formal Complaint Investigation Process for Sexual Harassment Under Title IX Regulations

1. The investigation of a Title IX sexual harassment complaint:

Provide a complainant with the *Title IX Protections* (Attachments L, M) identifying the District’s Title IX Coordinator and explaining the specific grievance process and any additional protections, along with the *Title IX Complaint Form* (Attachments G, H) or the link,

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

<https://forms.gle/EvXbyAqCN986gBuZ8>, to file a formal complaint in instances where sex-based conduct reported may constitute sexual harassment as defined in relation to Title IX:

- An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- Sexual assault, dating violence, domestic violence or stalking as defined under the Clery Act or Violence Against Women Act [See Attachment K for related policy definitions].

It is important to note that conduct that does not meet the impact criteria under Title IX, may violate other state laws or District policies regarding student misconduct, be inappropriate and require an immediate response in the form of supportive measures and remedies to prevent its recurrence and address its effects. Document any resolutions of such in relevant electronic systems. In cases where conduct does not constitute sexual harassment under Title IX, proceed with the site-level investigation or formal complaint procedures under the District's Uniform Complaint Procedures as outlined in Section B.

Once a formal Title IX complaint is filed with the Educational Equity Compliance Office/District Title IX Coordinator requesting an investigation, an investigator will be assigned. The parties will be treated equitably, including in the provision of supportive measures and remedies. They will receive notice of the specifics of the allegations as known, and as any arise during the investigation. Persons involved in a Title IX complaint investigation may have an advisor of their choice, which could include an attorney. The investigator will be unbiased and free from conflicts of interest and will objectively review the complaint, any evidence, and any information from witnesses, expert witnesses and the parties. If the investigator conducts interviews, the parties will be provided time to prepare and will receive notice of the time/date/location/participants/purpose for the interviews. The parties will have an equal opportunity to review the evidence gathered over a period of 10 days and will have opportunities to ask for additional relevant questions to be considered and to provide more evidence before the investigation summary is provided to the parties at the same time. Once the investigation summary has been provided, the parties have another 10 days to recommend additional relevant questions and evidence for

POLICY BULLETIN

GUIDELINES (cont.):

consideration before a final determination is made by a different neutral decision-maker. Information protected by a legal privilege will not be used in the investigation unless the party holding the privilege waives it.

2. The final determination of a Title IX sexual harassment complaint:

Anyone accused of sex discrimination or sexual harassment under Title IX will be presumed innocent at the beginning of the investigation; the District will review the evidence provided by all parties and will make a final determination of responsibility after the investigation using a preponderance of the evidence standard of proof. The decision-maker will not be the Title IX Coordinator, the investigator, or any other individual who may have a conflict of interest. The final determination will be provided to the parties at the same time with appeal rights provided. It will explain if any policies were violated, the steps and methods taken to investigate, the findings of the investigation, conclusions about the findings, the ultimate determination and the reasons for it, any disciplinary sanctions that will be imposed on the respondent, any remedies available [See Attachment K for policy definition of remedies] to the complainant to restore or preserve equal access. Overall, the investigation and final determination will be generally no longer than 60 days, unless good cause arises to extend the timeline such as the unavailability of a party/advisor/witness, law enforcement activity or the need for language assistance or accommodation of disabilities. If so, a written explanation will be provided.

3. Dismissals of Title IX sexual harassment complaints:

A complaint filed under Title IX may be withdrawn by the complainant. A Title IX complaint may be dismissed by the District if the incident does not constitute sexual harassment as defined under Title IX, did not occur in the United States, if the target was not participating in or attempting to participate in the District's educational programs or activities, if the respondent is no longer enrolled in or employed by the District, or if the District cannot gather sufficient evidence to reach a determination. The District will inform parties in writing at the same time. If warranted, the

conduct may be addressed separately as provided in this or other District policies.

4. Appeals of a dismissal or final determination of a Title IX sexual harassment complaint

LOS ANGELES UNIFIED SCHOOL DISTRICT

POLICY BULLETIN

GUIDELINES (cont.):

Appeals are available after a complaint dismissal or after a final determination is made. Appeals can be made due to procedural irregularities in the investigation affecting the outcome, new evidence becoming available, or due to bias or a conflict of interest by Title IX personnel that may have affected the outcome. Appeal requests must be made within 30 days of the District's final determination and include the rationale for the appeal. Parties will be given opportunity to submit a written statement in support of or against the final determination. A new decision-maker will issue the final decision at the same time to each party.

5. Constitutional protections under Title IX sexual harassment grievance procedures:

The District will not restrict any rights that are protected from government action under the United States Constitution. More protections are outlined in *Title IX Protections*.

F. Civil Remedies

Pursuant to the California Education Code § 262.3, persons who have filed a complaint should also be advised that civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to them under California or federal discrimination, harassment, intimidation and/or bullying laws.

LOS ANGELES UNIFIED SCHOOL DISTRICT

NONDISCRIMINATION STATEMENT

The Los Angeles Unified School District is committed to providing a working and learning environment free from discrimination, harassment, intimidation, abusive conduct, or bullying. The District prohibits discrimination, harassment, intimidation, abusive conduct or bullying based on actual or perceived race or ethnicity, gender/sex (including gender identity, gender expression, pregnancy, childbirth, breastfeeding/lactation status and related medical conditions), sexual orientation, religion, color, national origin (including language use restrictions and possession of a driver's license issued under Vehicle Code), ancestry, immigration status, physical or mental disability (including clinical depression and bipolar disorder, HIV/AIDS, hepatitis, epilepsy, seizure disorder, diabetes, multiple sclerosis, and heart disease), medical condition (cancer-related and genetic characteristics), military and veteran status, marital status, registered domestic partner status, age (40 and above), genetic information, political belief or affiliation (unless union related), a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state or local law, ordinance, or regulation in any program or activity it conducts or to which it provides significant assistance.

Discrimination is different treatment based on a protected characteristic in the context of an educational program, work or activity without a legitimate, nondiscriminatory reason that interferes with or limits the individual's ability to participate in or benefit from the services, activities, or privileges provided by the District or includes an adverse employment action.

Hostile environment harassment occurs when a target is subjected to unwelcome conduct based on a protected characteristic, which is both subjectively offensive to the target and would be offensive to a reasonable person of the protected characteristics under similar circumstances and is sufficiently severe, persistent, or pervasive to interfere with or limit an individual's ability to effectively work or to participate in or benefit from the services, activities or opportunities offered by the District. Harassment may take many forms, including but not limited to, verbal remarks and name-calling, graphic and written statements, or any conduct that may be threatening or humiliating. Harassment based on any of the above-protected categories is a form of unlawful discrimination and will not be tolerated by the District and can result in disciplinary action against the offending student or employee.

Upon witnessing an act of discrimination, harassment, intimidation, abusive conduct, or bullying based on actual or perceived protected characteristics, school personnel are required to take immediate steps to intervene when it is safe to do so. Once a school/office has express notice or reason to know of such conduct, whether carried out by employees, students or third parties, it should take immediate and appropriate steps to investigate or otherwise determine what occurred and take prompt and effective steps reasonably calculated to end the conduct, eliminate a hostile environment, if one has been created and prevent the conduct from occurring again. These steps should be taken regardless of whether an individual makes a complaint or asks the school/office to take action. Complainants are protected from retaliation. The District prohibits retaliation against any person who files a complaint or an appeal, reports instances of noncompliance, discrimination, harassment, intimidation, abusive conduct or bullying, or who participates in the complaint-filing or investigation process. This nondiscrimination policy applies to all acts related to school activity or school attendance within any school/office under the jurisdiction of the Superintendent of the Los Angeles Unified School District.

El acoso en un ambiente hostil ocurre cuando un persona, está sometida a una conducta desagradable sobre la base de una característica protegida, que es subjetivamente ofensiva para la persona y sería ofensiva para una persona razonable de las características protegidas en circunstancias similares, y es suficientemente severa, persistente, o generalizado para interferir o limitar la capacidad de un individuo para trabajar o participar efectivamente o beneficiarse de los servicios, actividades u oportunidades ofrecidas por el Distrito. El personal escolar que observe discriminación, acoso, intimidación, conducta abusiva y /o abuso por razones, reales o percibidas, de un individuo con características que protege la ley, tiene la obligación de inmediato tomar las medidas para intervenir si existen las condiciones de seguridad necesarias. Una vez que el personal de una escuela u oficina ha indicado conocimiento o razón de saber de tal conducta de discriminación, acoso, intimidación y/o abuso, cometida ya que sea por empleados, estudiantes o terceras personas, deberá tomar las medidas necesarias e inmediatas para investigar o determinar lo que ocurrió y de manera razonable y bien pensada tomar pasos oportunos y efectivos para detener la conducta, eliminar un ambiente hostil, si se ha creado, y prevenir que la conducta ocurra una vez más. Estos pasos se deberán tomar ya sea que exista una persona que se quejó o pidió intervención por parte del personal o la dirección escolar. Los demandantes están protegidos contra represalias. El Distrito prohíbe las represalias contra cualquier persona que presente una queja o apelación, informa casos de incumplimiento, discriminación, acoso, intimidación y/o abuso, o que participe en el proceso de presentación de quejas o investigación.

Esta política de prohibición a la discriminación se aplica a todas las acciones relacionadas con actividad o asistencia escolar en de todas las escuelas u oficinas dentro de la jurisdicción del Superintendente del Distrito Escolar Unificado de Los Ángeles.

LOS ANGELES UNIFIED SCHOOL DISTRICT SEXUAL HARASSMENT PREVENTION POLICY

The District is committed to providing a working and learning environment free from sexual harassment. The District prohibits sexual harassment of or by employees, students, or persons doing business with or for the District based on actual or perceived sex, sexual orientation, gender, gender identity, gender expression, pregnancy, childbirth, breastfeeding/lactating status, and any related medical conditions. Failure to follow this policy is a violation of state and federal law.

Under California law, sexual harassment is any unwelcome conduct based on sex, including sexual advances, requests for sexual favors, and any other verbal, visual, or physical conduct of a sexual nature or based on sex made by someone from or in the work or educational setting, under any of the following conditions:

- Submission to the conduct is directly or indirectly made as a condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions, or for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance or of creating an intimidating, hostile, or offensive work or educational environment.

Under regulations for Title IX of the Education Amendments of 1972, conduct on the basis of sex that satisfies one or more of the following may constitute sexual harassment:

- An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- Sexual assault, dating violence, domestic violence, or stalking as defined under the Clery Act or Violence Against Women Act.

Upon witnessing discrimination, harassment, intimidation, abusive conduct, or bullying based on the above, personnel are required to take immediate steps to intervene when safe to do so. Reporting the conduct to an administrator or Title IX/Bullying Complaint Manager can be an appropriate intervention. Once a school/office has been notified of the conduct and a complaint has been filed, whether carried out by employees, students, or third parties, it should take immediate and appropriate steps to investigate, support the investigation or otherwise determine what occurred and take prompt and effective reasonable steps to end the conduct, eliminate a hostile environment if one has been created, and prevent it from reoccurring. Supportive measures will be provided regardless of whether an individual makes a complaint or asks the school/office to take action. This policy applies to all acts related to school activity or school attendance under the Los Angeles Unified School District Superintendent's jurisdiction.

Any District students or employees who believe they have been a victim of sexual harassment or who have witnessed such an act should report it to an administrator or Title IX/Bullying Complaint Manager so appropriate action may be taken to resolve it. The District prohibits retaliation against anyone who files a sexual harassment complaint or participates in the investigation process. Complaints must be promptly and fairly investigated in a way that respects the privacy of the parties concerned to the fullest extent possible.

LOS ANGELES UNIFIED SCHOOL DISTRICT SEXUAL HARASSMENT PREVENTION POLICY

Your school works to give you an education that is safe and without sexual harassment. Sexual harassment is behavior you don't like that is directed at you because you are a girl or a boy. It can make you feel unsafe or scared and keeps you from learning. It can be someone's bad words, something you see, physical behavior, or touching of private body parts (like parts covered by a swimsuit). Examples may be:

- ▶ Unwanted hugs, kisses, grabbing or touching
- ▶ Standing too close or stopping someone from moving
- ▶ Showing or sending inappropriate or nasty pictures of a sexual nature that make others feel bad or uncomfortable
- ▶ Treating someone differently just because they are a girl or boy

It is against school rules and the law for people to do this. If it's safe for you, you can ask the person to stop doing these bad things to you or other kids. You can help friends share problems like this with an adult they trust. You can report it to the principal, a teacher, or someone who handles complaints like this. The school will take action right away to find out what happened, make it stop and keep it from happening again. No one is allowed to punish you for making a report or for talking to an adult about what happened. The school will share information with people who can help fix it. This is true for all school activities in your school district.

Bajo la ley de California, el acoso sexual es cualquier conducta no deseada con base en el sexo, e incluye insinuación sexual, solicitar favores sexuales o cualquier otra conducta verbal, visual o física de índole sexual, o basada en el sexo, exhibida por una persona en el entorno educativo o laboral, que corresponda con cualquiera de las siguientes condiciones:

- Que someterse a la conducta explícita o implícitamente constituya una condición para el empleo, estatus académico, o progreso del individuo.
- Que someterse a, o rechazar, tal conducta afecte las decisiones que se tomen sobre el individuo en lo referente a empleo o decisiones académicas, o cualquier decisión que afecte al individuo en lo tocante a prestaciones y servicios, honores, programas o actividades disponibles en el plantel o mediante la institución educativa.
- Que la conducta tenga el propósito de afectar negativamente la labor o el rendimiento académico del individuo, o de crear un entorno laboral o de aprendizaje que intimide, sea hostil o humillante.

Bajo las regulaciones del Título IX de las Enmiendas a la Educación de 1972, la conducta basada en el sexo que satisfaga uno o más de los siguientes puede constituir acoso sexual:

- Un empleado que condiciona la provisión de una ayuda, beneficio o servicio del Distrito a la participación de un individuo en una conducta sexual no deseada.
- Conducta no deseada determinada por una persona razonable como tan severa, omnipresente y objetivamente ofensiva que efectivamente niega a una persona el acceso igualitario al programa o actividad educativa del Distrito.
- Agresión sexual, violencia en el noviazgo, violencia doméstica o acoso según se define en la Ley Clery o la Ley de Violencia contra la Mujer.

Al presenciar la discriminación, el acoso, la intimidación, la conducta abusiva u hostigamiento basado en lo anterior, se requiere que el personal tome medidas inmediatas para intervenir cuando sea seguro hacerlo. El informarle sobre la conducta a un Administrador escolar o Administrador de Atención a Quejas de Intimidación/Título IX puede ser una medida de intervención apropiada. Una vez que una escuela / oficina haya recibido la notificación de la conducta, y una denuncia se ha presentado, ya sea por parte de los empleados, estudiantes, o de terceros, deberá tomar medidas inmediatas y apropiadas para investigar apoyar la investigación o determinar lo que ocurrió, y aplicar puntualmente las medidas razonables y eficaces para poner fin a la conducta, eliminar el ambiente hostil si se ha creado tal ambiente, y evitar que se vuelva a producir. Se tomarán medidas de apoyo independientemente con tal que un individuo haya presentado una queja o le pida a la escuela / oficina que tome medidas. Esta política se aplica a todos los actos relacionados con la actividad o asistencia escolar bajo la jurisdicción del Superintendente del Distrito Escolar Unificado de Los Ángeles.

Todo estudiante o empleado del Distrito que crea que ha sido víctima de acoso sexual, o que haya sido testigo de dicho acto, deberá informarle a un Administrador escolar o Administrador de Atención a Quejas de Intimidación/Título IX a fin de que se tomen las medidas adecuadas para resolverlo. El Distrito prohíbe las represalias en contra de un individuo que haya presentado una denuncia de acoso sexual o que participe en el proceso de investigar la denuncia. Las denuncias se deberán investigar de forma oportuna y procurando que se respete la privacidad de las personas involucradas al máximo grado posible.

POLICY DEFINITIONS

- **Actual Knowledge**: Actual knowledge means notice of sexual harassment or allegations of sexual harassment to a recipient’s Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the recipient with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the recipient. “Notice” as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.
- **Appeal**: A written request to review the complaint.
- **Complainant**: Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- **Complaint**: An oral or written allegation that there has been a violation of this policy bulletin, Title IX or Education Code § 220. Specifically under Title IX for sexual harassment, a complaint may be a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the recipient investigate the allegation of sexual harassment. Under Title IX regulations, at the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the recipient with which the formal complaint is filed. Under Title IX regulations, a formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the recipient. Under the Title IX regulations, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the recipient) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party.
- **Complaint Procedure**: The District’s internal procedure to process complaints.
- **Days**: Calendar days unless otherwise specified.
- **District**: Any operating unit or program of the District.
- **Gender**: A person’s actual or perceived sex and includes a person’s perceived identity, appearance, or behavior, whether or not that identity, appearance, or behavior is different from that traditionally associated with a person’s sex at birth.
- **Gender Identity**: An individual’s internal, deeply rooted identification as female, male or a non-binary understanding of gender, regardless of one’s assigned sex at birth. All people have a gender identity.
- **Gender Expression**: A person’s gender-related appearance and behavior whether or not stereotypically associated with the person’s assigned sex at birth. Students who adopt a presentation that varies from the stereotypic gender expectations sometimes may describe themselves as gender nonconforming, gender queer or gender fluid.
- **Remedies**: Remedies are designed to restore or preserve equal access to the District’s education programs or activities. Remedies may include supportive measures as previously reviewed, however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent or accused. Besides supportive measures previously discussed, remedies may include provision of: parent/student conference(s); recovery time think sheets; behavior contracts; reflective behavior journaling; social emotional learning programs; warnings; detention; and formal discipline, such as suspension and expulsion.

- **Respondent:** An individual alleged to have committed acts in violation of this policy, sometimes referred to as “accused.” Under Title IX, respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.
- **Parenting Students:** Students who are the biological mother or biological father of a child, regardless of their marital status.
- **Pregnancy:** Pregnancy at any stage, including childbirth, breastfeeding, pregnancy-related medical condition, false pregnancy, termination of pregnancy or recovery therefrom.
- **Protected Categories:** California Education Code and Penal Code identify protected categories that, though stipulated independently, are not mutually exclusive. Sexual harassment can violate both Penal Code and Education Code:
 - California Education Code §220 - Applicability to Educational Institutions - No person shall be subjected to discrimination on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in §422.55 of the Penal Code in any program or activity conducted by an educational institution that receives, or benefits from, state financial assistance or enrolls pupils who receive state student financial aid.
 - California Education Code §200 - State Policy; Declaration of Purpose as it Relates to Protected Categories - It is the policy of the State of California to afford all persons in public schools, regardless of their disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in §422.55 of the Penal Code, equal rights and opportunities in the educational institutions of the state.
 - California Penal Code §422.55 - Hate Crime and Victim Characteristics or Protected Classes Indicated - For the purposes of this title, and for purposes of all other state law unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply: “Hate crime” means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim: disability; gender; nationality; race or ethnicity; religion; sexual orientation; and association with a person or group with one of more of these actual or perceived characteristics.
- **Sex:** The biological condition or quality of being female or male.
- **Sexual Orientation:** A person’s emotional and/or sexual attraction to another person based on the gender of the other person. Common terms used to describe sexual orientation include, but are not limited to, lesbian, gay, heterosexual and bisexual. Sexual orientation and gender identity are different.
- **Sexual Assault:** Sexual harassment can also be very specific conduct outlined under the Clery Act or Violence Against Women Act. These particular acts are considered severe enough in that only one such incident may be considered sexual harassment. The following are a list of conduct that may constitute sexual assault:
 - **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.
 - **Forcible Rape**—(Except Statutory Rape which is later included) The carnal knowledge of a person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity.
 - **Forcible Sodomy**—Oral or anal sexual intercourse with another person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

- **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will or not forcibly or against the person's will in instances where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.
 - **Forcible Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will or not forcibly or against the person's will in instances where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.
 - **Sex Offenses, Nonforcible**—(Except Prostitution Offenses) Unlawful, nonforcible sexual intercourse.
 - **Incest**—Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - **Statutory Rape**—Nonforcible sexual intercourse with a person who is under the statutory age of consent.
- **Supportive Measures:** Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The recipient must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.
 - **Target:** An individual alleged to have experienced acts in violation of this policy.
 - **Title IX:** Title IX of the Education Amendments of 1972.
 - **Title IX/Bullying Complaint Manager:** An administrator and/or designee responsible to oversee the response to complaints of sex discrimination, sexual harassment, intimidation, bullying and/or hazing, including coordination of provision of supportive measures.
 - **Transgender:** A person whose gender identity differs from their gender assigned at birth and whose gender expression consistently varies from stereotypical expectations and norms. A transgender person desires to live persistently by a gender that differs from that which was assigned at birth. Each transgender person has a unique process in which they go from living and identifying as one gender to another. Gender transition can occur at any age. It begins internally then expands to external expression. This can include social, medical and/or a legal transition.

Title IX Protections

Who can report?

Anyone can report allegations of sex discrimination or sexual harassment to the Title IX Coordinator, a site Title IX Designee, someone with authority to take corrective action, or to any elementary or secondary school employee. Reports can be made in person, by mail, telephone or by emailing the Title IX Coordinator and can be made at any time using the contact information here. If a report is made, the District will inform the alleged target of the complaint process and supports available. School and work sites have designated personnel, Title IX Designees or Title IX/Bullying Complaint Managers, to receive reports of Title IX violations and to assist.

District Title IX Coordinator

Julie Hall-Panameño, Director-Educational Equity Compliance Office
333 South Beaudry Avenue, 18th floor, Los Angeles, California 90017

Phone: 213.241.7682; Fax: 213.241.3312; Email: EquityCompliance@lausd.net; Website: <https://achieve.lausd.net/eeco>

What is sex discrimination or sexual harassment under Title IX?

Sexual harassment is conduct on the basis of sex that satisfies one or more of the following:

- An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct; typically referred to as "quid pro quo" sexual harassment;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; often referred to as "hostile environment" sexual harassment;
- Sexual assault, dating violence, domestic violence, and stalking as defined under the Clery Act or Violence Against Women Act. These particular acts are considered severe enough in that only one such incident may be considered sexual harassment.

How to file a formal complaint:

A target of sex discrimination or sexual harassment, their representative (a parent/caregiver, duly-authorized individual) or the Title IX Coordinator can file a formal written and signed complaint to request a Title IX investigation. A site Title IX/Bullying Complaint Manager can assist. Formal complaints can be filed using this link: <https://forms.gle/EvXbyAqCN986gBuZ8>.

Support is available:

Supportive measures will be made available to involved parties in an equitable manner once the District knows about sex discrimination or sexual harassment and regardless of whether a formal complaint investigation is requested under Title IX.

Supportive measures can be: referrals for Student Support Progress Teams; options to avoid contact or mutual restrictions on contact between parties, such as changes to seating/classes/student groupings/work locations, leaves of absence, safety plans, safe paths of travel, increased monitoring of certain areas of campus to prevent reoccurrence and other similar measures; training and educational materials; academic supports, extensions of deadlines or other course-related adjustments, and modifications of work or class schedules; counseling, health/mental health supports, and restorative justice.

If after an individualized safety and risk analysis, it is determined there is an immediate threat to physical health or safety of an individual arising from the allegations, a removal of the accused may be justified. Written notice will be provided with opportunity to challenge the decision. The District may place an employee respondent on administrative leave during the pendency of the grievance process. Removals may not change rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973 or under the Americans with Disabilities Education Act.

Informal resolutions can happen:

The parties may voluntarily agree in writing to an informal resolution (mediation, restorative justice) after the formal complaint is filed, except for (1) when an employee is accused of misconduct involving a student or (2) in cases involving allegations of sexual violence. Any party may withdraw from informal resolution and resume the grievance process. A record of the informal resolution will be kept and can be shared.

What is the Title IX Grievance Process?

The investigation: Once a formal Title IX complaint is filed requesting an investigation, an investigator will be assigned. The parties will be treated equitably, including in the provision of supportive measures and remedies. They will receive notice of the specifics (e.g., when, where, who, conduct in question) of the allegations as known, and as any arise during the investigation. Persons involved in a Title IX complaint investigation have the right to an advisor of their choice, which could include an attorney. The investigator will be unbiased and free from conflicts of interest and will objectively review the complaint, any evidence, and any information from witnesses, expert witnesses and the parties. If the investigator conducts interviews, the parties will be provided time to prepare and will receive notice of the time/date/location/participants/purpose for the interviews. The parties will have an equal opportunity to review the evidence gathered over a

period of 10 days and will have opportunities to ask for additional relevant questions to be considered and to provide more evidence before the investigation summary is provided to the parties at the same time. Once the investigation summary has been provided, the parties have another 10 days to recommend additional relevant questions and evidence for consideration before a final determination is made by a different neutral decision-maker. Information protected by legal privilege will not be used in the investigation unless the party holding the privilege waives it.

The final determination: Anyone accused of sex discrimination or sexual harassment will be presumed innocent at the beginning of the investigation; the District will review the evidence provided by all parties and will make a determination of responsibility after the investigation using a preponderance of the evidence standard of proof or “more likely than not” that it occurred. The final determination will be provided to the parties at the same time with appeal rights provided. It will explain whether any policies were violated, the steps and methods taken to investigate, the findings of the investigation, conclusions about the findings, the ultimate determination and the reasons for it, any disciplinary sanctions that will be imposed on the respondent, any remedies available to the complainant to restore or preserve equal access. Overall, the investigation and final determination will be generally no longer than 60 days, unless good cause arises to extend the timeline such as the unavailability of a party/advisor/witness, law enforcement activity or the need for language assistance or accommodation of disabilities. If so, a written explanation will be provided.

Remedies may be available:

Remedies are designed to restore or preserve equal access to the District’s education programs or activities. Besides the supportive measures previously discussed, remedies may include: parent/student conferences; recovery time think sheets; behavior contracts; reflective behavior journaling; social emotional learning programs; warnings; detention; and formal discipline, including, but not limited to, suspension or expulsion for students or suspension or dismissal for employees.

A complaint can be dismissed:

A complaint filed under Title IX may be withdrawn by the complainant. A Title IX complaint may be dismissed by the District if the incident does not constitute sexual harassment as defined under Title IX, did not occur in the United States, if the target was not participating in or attempting to participate in the District’s educational programs or activities, if the respondent is no longer enrolled in or employed by the District, or if the District cannot gather sufficient evidence to reach a determination. The District will inform parties in writing at the same time. If warranted, the conduct may be addressed separately as provided in other District policies, such as the [Uniform Complaint Procedures](#).

A dismissal or final determination can be appealed

Appeals are available after a complaint dismissal or after a final determination is made. Appeals can be made due to procedural irregularities in the investigation affecting the outcome, new evidence becoming available, or due to an allegation of bias or a conflict of interest by Title IX personnel that may have affected the outcome. Appeal requests must be made within 30 days of the District’s final determination and include the rationale for the appeal. Parties will be given the opportunity to submit a written statement in support of or against the final determination. A new decision-maker will issue the final decision at the same time to each party. If the complaint does not constitute sexual harassment as defined under Title IX, there may be other complaint processes available at the school site and/or under the District’s Uniform Complaint Procedures. District discipline policies and the Educational Equity Compliance Office website have additional information.

Constitutional protections exist:

The District will not restrict any rights that are protected from government action under the United States Constitution.

There are protections from retaliation:

No employee or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege under Title IX, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation or proceeding under this law or regulations. Free speech does not constitute retaliation; charging someone with making a materially false statement does not constitute retaliation. A complaint can be filed for retaliation.

¿Quién Puede Denunciar? Cualquier persona puede reportar una discriminación sexual o acoso sexual al Coordinador del Título IX, el Designado de Título IX de un sitio, Designado, alguien con autoridad para tomar medidas correctivas, o a empleado de una escuela primaria o secundaria. La denuncia se pueden hacer en persona, por correo, por teléfono o enviando por un correo electrónico al Coordinador del Título IX y se puede hacer en cualquier momento utilizando la información de contacto proveída en este documento. Si se hace una denuncia, el Distrito informará a la supuesta persona del objetivo y del proceso de queja y los apoyos disponibles. La escuela y los lugares de trabajo tienen personal designado, Designados del Título IX o Administradores de Quejas de Título IX/Intimidación, para recibir informes de violaciones del Título IX y para ayudar.

Coordinador Del Título IX Del Distrito: Julie Hall-Panameño, Directora- Oficina de Cumplimiento de la Equidad Educativa
333 South Beaudry Avenue, 18th floor, Los Angeles, California 90017

Phone: 213.241.7682; Fax: 213.241.3312; Email: EquityCompliance@lausd.net; Website: <https://achieve.lausd.net/eeco>

¿Qué Es La Discriminación O El Acoso Sexual Bajo El Título IX? El acoso sexual es una conducta basada en el sexo que cumple con uno o más de los siguientes:

- Un empleado que condiciona la provisión de una ayuda, beneficio o servicio del Distrito a la participación de un individuo en una conducta sexual no deseada; comunmente referido como acoso sexual "una cosa por otra";
- Conducta no deseada determinada por una persona razonable como tan severa, omnipresente y objetivamente ofensiva que efectivamente niega a una persona el acceso igualitario al programa o actividad educativa del Distrito; comunmente referido como acoso sexual en "ambiente hostil";
- Agresión sexual, violencia en el noviazgo, violencia doméstica o acoso según se define en la Ley Clery o la Ley de Violencia contra la Mujer. Estos actos en particular se consideran lo suficientemente graves en el sentido de que solo uno de esos incidentes puede ser considerado acoso sexual.

Cómo Presentat Una Queja: Una persona de el objetivo de discriminación sexual o acoso sexual, su representante (un padre/cuidador, individuo debidamente autorizado) o el Coordinador del Título IX pueden presentar una queja formal por escrito y firmada para solicitar una investigación del Título IX. Un administrador de quejas de Título IX/intimidación del sitio escolar puede ayudar. Las quejas formales se pueden presentar utilizando este enlace: <https://forms.gle/EvXbyAqCN986gBuZ8>.

Apoyo Es Disponible: A las personas involucradas, se pondrá a disposición medidas de apoyo de manera equitativa una vez que el Distrito tenga conocimiento de la discriminación sexual o el acoso sexual y sin importar si se solicita una investigación formal de la queja bajo el Título IX.

Las medidas de apoyo pueden ser: referencia a el Equipo De Apoyo Del Progreso Estudiantil; Opciones para evitar el contacto o restricciones mutuas de contacto entre las personas involucradas, tales como cambios en asientos /clases /agrupaciones estudiantiles/lugares de trabajo del estudiante, permisos de ausencia, planes de seguridad, caminos seguros de viajes, el aumento de la vigilancia en determinadas áreas del las instalaciones escolares para prevenir la recurrencia y otras medidas similares; entrenamiento y materiales educativos; apoyos académicos, extensiones de plazos u otros ajustes relacionados con los cursos y modificaciones de los horarios de trabajo o clases; consejería, apoyos de salud mental, y justicia restaurativa.

Si después de un análisis individualizado de seguridad y riesgo, se determina que existe una amenaza inmediata para la salud o seguridad física de un individuo como resultado de las acusaciones, la remoción del acusado puede estar justificada. Se proporcionará un aviso por escrito con la oportunidad de impugnar la decisión. El Distrito puede colocar a un empleado demandado en licencia administrativa mientras esté pendiente el proceso de quejas. La remoción no necesariamente cambia los derechos bajo los Individuos con Discapacidades, Sección 504 o de la Ley de Rehabilitación de 1973 o bajo El Acta para los Norteamericanos con Discapacidades.

Pueden Occurrir Resoluciones Informales: Las personas involucradas pueden voluntariamente acordar por escrito a una resolución informal (mediación, la justicia restaurativa) después de la queja formal se envió, a excepción de cuando un empleado es acusado de mala conducta relacionada con un estudiante y en el case de Agresión sexual. Cualquiera de las personas involucradas puede retirarse de el proceso de resolución nformal y reanudar el proceso de queja. Se mantendrá un registro de la resolución informal y se podrá compartir.

Qué Es El Proceso De Quejas Del Título IX? La investigación: Una vez que se presenta una queja formal de Título IX solicitando una investigación, se asignará un investigador. Las personas involucradas serán tratadas de manera equitativa, incluso durante la provisión de medidas de apoyo y reparación. Ellos recibirán notificación de los detalles (por ejemplo, cuándo, dónde, quién, conducta en cuestión) de las alegaciones que se sabe, y como surjan durante la investigación. Las personas involucradas en una investigación de quejas de Título IX tienen derecho a un asesor de su elección, que podría incluir un abogado. El

investigador sera imparcial y libre de conflictos de intereses y objetivamente revisara la queja, la evidencia, y cualquier información de los testigos, testigos expertos y personas involucradas. Si el investigador realiza entrevistas, las personas involucradas tendrán tiempo para prepararse y recibirán un aviso de la hora/fecha/lugar/participantes/propósito de las entrevistas. Las personas involucradas tendrán una igual oportunidad de revisar la evidencia reunida durante un período de 10 días y tendrán la oportunidad de pedir preguntas adicionales pertinentes para ser considerada y para proporcionar más pruebas antes de que se proporcione el resumen de investigación a las personas involucradas. Una vez que se ha proporcionado el resumen de la investigación, las personas involucradas tienen otros 10 días para recomendar preguntas y pruebas relevantes adicionales para su consideración antes de que una persona neutral diferente tome una decisión. La información protegida por un privilegio legal no se utilizará en la investigación a menos que la persona que tiene el privilegio lo renuncie.

La determinación final: cualquier persona acusada de discriminación sexual o acoso sexual se presumirá inocente al comienzo de la investigación; el Distrito revisará la evidencia proporcionada por todas las partes y tomará una determinación de responsabilidad después de la investigación usando una preponderancia del estándar de prueba de prueba o “más probable que no” que ocurrió. La determinación final se proporcionará a las personas involucradas al mismo tiempo con los derechos de apelación proporcionados. Va a explicar las políticas que fueron violadas, los pasos y métodos tomados para investigar, los hallazgos de la investigación, las conclusiones sobre los hallazgos, la determinación final y las razones de la misma, las sanciones disciplinarias que se impondrán al demandado, cualquier recurso disponible para el denunciante para restaurar o preservar la igualdad de acceso. En general, la investigación y la determinación final generalmente no durará más de 60 días, a menos que surja una buena causa para extender el plazo, como la falta de disponibilidad de una parte/asesor/testigo, actividad policial o la necesidad de asistencia con el idioma o adaptación de discapacidades. Si es así, se proporcionará una explicación por escrito.

Remedios Disponibles: Los remedios están diseñados para restaurar o preservar el acceso equitativo a los programas o actividades educativos del Distrito. Además de las medidas de soporte previamente discutidos, los remedios pueden incluir: conferencias de Padre/Estudiante; hojas de pensamiento de tiempo de recuperación; contratos de comportamiento; diario de comportamiento reflexivo; programas de aprendizaje socioemocional; advertencias; detención; disciplina formal, incluyendo pero no limitado a la suspensión, expulsión y la destitución.

Una Queja Puede Ser Desestimada: El denunciante puede retirar una queja presentada bajo el Título IX. Una queja del Título IX puede ser desestimada por el Distrito si el incidente no constituye acoso sexual como se define en el Título IX, no ocurrió en los Estados Unidos, si la persona(s) involucrada(s) no estaban participando o intentando participar en los programas o actividades educativas del Distrito, si el demandado ya no está inscrito o empleado por el Distrito, o si el Distrito no puede reunir pruebas suficientes para llegar a una determinación. El Distrito informará a las personas involucradas por escrito al mismo tiempo. Si se justifica, la conducta puede tratarse por separado según lo dispuesto en otras políticas del Distrito. Si la queja no constituye acoso sexual como se define en el Título IX, puede haber otros procesos de quejas disponibles en la escuela y bajo los Procedimientos Uniformes de Quejas del Distrito. Las políticas de disciplina de las escuelas y la página web de la Oficina de Cumplimiento de Equidad Educativa puede proporcionar información adicional sobre opciones disponibles.

Se Puede Apelar Un Desestimado O Una Determinación Final: Apelaciones están disponibles después de una denuncia desestimada o después de una determinación final se determinó. Se puede apelar debido a irregularidades de procedimiento en la investigación afectando el resultado, la nueva evidencia disponible, o debido a parcialidad o un conflicto de intereses por parte del personal del Título IX que pudiera haber afectado el resultado. Las solicitudes de apelación deben realizarse dentro de los 30 días posteriores a la determinación final del Distrito e incluir la justificación de la apelación. Las personas involucradas tendrán oportunidad de presentar una declaración por escrito en apoyo o en contra de la determinación final. Un nuevo tomador de decisiones emitirá la decisión final a las personas involucradas al mismo tiempo.

Protecciones Constitucionales Existen: El Distrito no restringirá ningún derecho que esté protegido de la acción del gobierno bajo la Constitución de los Estados Unidos.

Protecciones Contra Las Represalias: Ningún empleado u otra persona puede intimidar, amenazar, obligar o discriminar a ningún individuo con el propósito de interferir con cualquier derecho o privilegio bajo el Título IX, o porque el individuo hizo un informe o queja, testificó, asistió o participó o se negó a participar en una investigación o procedimiento bajo esta ley. La libertad de expresión no constituye represalia; acusar a alguien de hacer una declaración materialmente falsa no constituye una represalia. Se puede presentar una queja como represalia.

SEXUAL HARASSMENT PREVENTION POLICY ACKNOWLEDGEMENT

The District is committed to providing a working and learning environment free from sexual harassment. The District prohibits sexual harassment of or by employees, students, or persons doing business with or for the District based on actual or perceived sex, sexual orientation, gender, gender identity, gender expression, pregnancy, childbirth, breastfeeding/lactating status, and any related medical conditions. Failure to follow this policy is a violation of state and federal law.

Under California law, sexual harassment is any unwelcome conduct based on sex, including sexual advances, requests for sexual favors, and any other verbal, visual, or physical conduct of a sexual nature or based on sex made by someone from or in the work or educational setting, under any of the following conditions:

- Submission to the conduct is directly or indirectly made as a condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions, or for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance or of creating an intimidating, hostile, or offensive work or educational environment.

Under regulations for Title IX of the Education Amendments of 1972, conduct on the basis of sex that satisfies one or more of the following may constitute sex discrimination or sexual harassment:

- An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- Sexual assault, dating violence, domestic violence, or stalking as defined under the Clery Act or Violence Against Women Act.

Upon witnessing discrimination, harassment, intimidation, abusive conduct, or bullying based on the above, personnel are required to take immediate steps to intervene when safe to do so. Reporting the conduct to an administrator or Title IX/Bullying Complaint Manager can be an appropriate intervention. Once a school/office has been notified of the conduct and a complaint has been filed, whether carried out by employees, students, or third parties, it should take immediate and appropriate steps to investigate, support the investigation or otherwise determine what occurred and take prompt and effective reasonable steps to end the conduct, eliminate a hostile environment if one has been created, and prevent it from reoccurring. Supportive measures will be provided regardless of whether an individual makes a complaint or asks the school/office to take action. This policy applies to all acts related to school activity or school attendance under the Los Angeles Unified School District Superintendent's jurisdiction.

Any District students or employees who believe they have been a victim of sexual harassment or who have witnessed such an act should report it to an administrator or Title IX/Bullying Complaint Manager so appropriate action may be taken to resolve it. The District prohibits retaliation against anyone who files a sexual harassment complaint or participates in the investigation process. Complaints must be promptly and fairly investigated in a way that respects the privacy of the parties concerned to the fullest extent possible.

SEXUAL HARASSMENT PREVENTION POLICY ACKNOWLEDGEMENT

Your school works to give you an education that is safe and without sexual harassment. Sexual harassment is behavior you don't like that is directed at you because you are a girl or a boy. It can make you feel unsafe or scared and keeps you from learning. It can be someone's bad words, something you see, physical behavior, or touching of private body parts (like parts covered by a swimsuit). Examples may be:

- ▶ Unwanted hugs, kisses, grabbing or touching
- ▶ Standing too close or stopping someone from moving
- ▶ Showing or sending inappropriate or nasty pictures of any kind that make others feel bad or uncomfortable
- ▶ Treating someone differently just because they are a girl or boy

It is against school rules and the law for people to do this. If it's safe for you, you can ask the person to stop doing these bad things to you or other kids. You can help friends share problems like this with an adult they trust. You can report it to the principal, a teacher, or someone who handles complaints like this. The school will take action right away to find out what happened, make it stop and keep it from happening again. No one is allowed to punish you for making a report or for talking to an adult about what happened. The school will share information with people who can help fix it. This is true for all school activities in your school district.

COMPLAINT PROCESS

Any person may report sex discrimination, including sexual harassment; this would be true whether or not the reporter is the alleged victim. The report may be made to the District's Title IX Coordinator or to an elementary or secondary school employee, regardless of that employee's job description. Employees may be the ones reporting if they were witnesses to the harassment.

Complaints can be filed during business or non-business hours by mail, telephone, email; and/or by other means that result in the Title IX Coordinator receiving the report.

Once the Title IX Coordinator, Title IX Designee or other official with authority to take corrective action has received the report of sex discrimination, which includes sexual harassment, the District will both offer supportive measures to involved parties and will assist the complainant or the complainant's representative in understanding the grievance process in order to file a formal complaint of sexual harassment. The site personnel are essential in helping to coordinate the provision of supportive measures with the parties due to their more direct access to the parties.

Complaints will be kept as confidential as possible. Retaliation against someone who files a complaint or participates in a complaint investigation is not permitted.

TITLE IX REFERS TO FEDERAL ANTI-DISCRIMINATION LAWS THAT ENSURE SEX-BASED EQUALITY IN EDUCATION

- ◇ Students have the right to equal learning opportunities in their schools.
- ◇ Students and employees may not be excluded from participation in, be denied the benefits of, or be subjected to harassment or other forms of discrimination on the basis of sex in any program or activity.
- ◇ Students may not be required to take or may not be denied enrollment in a course because of their sex.
- ◇ Students have the right to be evaluated and graded without regard to their sex.
- ◇ Students must be provided counseling and guidance that is not discriminatory.
- ◇ Counselors may not urge students to enroll in particular classes or programs or activities based on sex.
- ◇ Schools must offer female and male students equal opportunities to play sports.
- ◇ Equipment and supplies, game and practice schedules, budgets, coaching travel allowances, facilities, publicity, support services and tutoring offered to teams are to be equivalent between male and female teams.
- ◇ Pregnant and parenting students have the same right as any other student to continue in their regular school and in any program for which they qualify.

SEXUAL HARASSMENT OF OR BY SCHOOL EMPLOYEES OR STUDENTS IS A FORM OF DISCRIMINATION AND IS THEREFORE PROHIBITED

- ◇ Schools must respond to allegations of sexual harassment once they are reported.
- ◇ Sexual harassment is conduct on the basis of sex and satisfies one or more of the following: An employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct, typically referred to as "quid pro quo" sexual harassment; or, sexual harassment is unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; often referred to as "hostile environment" sexual harassment; sexual harassment can also be very specific conduct outlined under the Clery Act or Violence Against Women Act – these particular acts are considered severe enough in that only one such incident may be considered sexual harassment, such as sexual assault, dating violence, domestic violence, and stalking.
- ◇ Other forms of behavior may be inappropriate and prohibited under other policies and have other recourses, such as the District's Uniform Complaint Procedures.

**IF ANY OF YOUR RIGHTS ARE BEING VIOLATED, DO SOMETHING ABOUT IT.
IT'S YOUR RIGHT!**

YOU CAN MAKE A DIFFERENCE

- ◇ Do not harass. "I was only kidding," is not a defense for sexual harassment.
- ◇ Do not encourage harassment or stand by silently while someone else is being harassed. Having an audience encourages the harasser.
- ◇ Be respectful to everyone. Consider how your words and actions may be perceived by others.
- ◇ If you are harassed, tell the harasser to stop.
- ◇ If the harassment continues, report it.
- ◇ If friends or classmates confide in you that they have been sexually harassed, encourage them to report it.

HOW THE DISTRICT MUST RESPOND

Once the District knows of sexual harassment or allegations of sexual harassment, as defined under Title IX, the District must respond promptly and treat complainants and respondents equitably by offering non-disciplinary, non-punitive, individualized supportive measures to the parties and by following a grievance process that complies with Title IX to determine responsibility before any disciplinary sanctions are imposed. Supportive measures may include referrals for Multi-Tiered System of Supports (MTSS) meetings; options to avoid contact or mutual restrictions on contact, such as seating and class changes, changing student groupings, changes in work locations, safety plans, increased security and monitoring of certain areas of campus to prevent reoccurrence; training and educational materials; academic supports, extensions of deadlines, health support, counseling, and Restorative Justice.

PROCESO DE QUEJAS

Cualquier persona puede denunciar la discriminación sexual, incluyendo el acoso sexual; esto sería cierto si la persona reportando es la presunta víctima o no. El informe se puede hacer con el Coordinador del Título IX del Distrito o a un empleado de la escuela primaria o secundaria, independientemente de la descripción del trabajo de ese empleado. Los empleados pueden ser los que denuncien si fueron testigos del acoso.

Las quejas se pueden presentar durante el horario comercial o no comercial por correo, teléfono, correo electrónico; y/o por otros medios que den como resultado que el Coordinador del Título IX reciba el informe.

Una vez que el Coordinador del Título IX, el Designado del Título IX u otro funcionario con autoridad para tomar medidas correctivas haya recibido el informe de discriminación sexual, que incluye acoso sexual, el Distrito ofrecerá medidas de apoyo a las personas involucradas y ayudará al demandante o al representante del demandante a entender el proceso de quejas para presentar una queja formal de acoso sexual. El personal del sitio es esencial para ayudar a coordinar la provisión de medidas de apoyo con las personas debido a su acceso más directo a las personas involucradas.

¿Necesita más información o tiene preguntas adicionales sobre el Título IX y la No-Discriminación?

EL TÍTULO IX SE REFIERE A LAS LEYES FEDERALES CONTRA LA DISCRIMINACIÓN QUE GARANTIZAN IGUALDAD DE SEXO EN LA

- ◊ Los estudiantes tienen derecho a las mismas oportunidades de aprendizaje en sus escuelas.
- ◊ Los estudiantes y empleados no pueden ser excluidos de participar, negárseles los beneficios o ser sujetos a acoso u otras formas de discriminación por motivos de sexo en cualquier programa o actividad.
- ◊ Es posible que no se requiera que los estudiantes tomen o que no se les niegue la inscripción en un curso debido a su sexo.
- ◊ Los estudiantes tienen derecho a ser evaluados y ser calificados sin importar su sexo.
- ◊ Los estudiantes deben recibir consejería y orientación que no sean discriminatorios.
- ◊ Los consejeros no pueden insistir que los estudiantes se inscriban en clases, programas o actividades particulares basados en el sexo.
- ◊ Las escuelas deben ofrecer a los estudiantes las mismas oportunidades para practicar deportes.
- ◊ El equipo y los suministros, los horarios de juegos y prácticas, los presupuestos, subsidios de viajes de los entrenadores, las instalaciones, la publicidad, los servicios de apoyo y las tutorías ofrecidas a los equipos deben ser equivalentes entre los equipos masculinos y femeninos.
- ◊ Las estudiantes embarazadas y las que tienen hijos tienen el mismo derecho que cualquier otro estudiante a continuar en su escuela regular y en cualquier programa para el que califican.

EL ACOSO SEXUAL DE O POR PARTE DE EMPLEADOS ESCOLARES O ESTUDIANTES ES UNA FORMA DE DISCRIMINACIÓN Y POR LO TANTO ESTÁ PROHIBIDO

- ◊ Las escuelas deben responder a las acusaciones de acoso sexual una vez que se denuncien.
- ◊ El acoso sexual es una conducta basada en el sexo y satisface uno o más de los siguientes: Un empleado que condiciona la provisión de una ayuda, beneficio o servicio del Distrito a la participación de un individuo en una conducta sexual no deseada, típicamente referido como “quid pro quo o tal por cual” acoso sexual; o, el acoso sexual es una conducta no deseada que una persona razonable determina que es tan grave, generalizada y objetivamente ofensiva que efectivamente niega a una persona el acceso igualitario al programa o actividad educativa del Distrito; frecuentemente referido como acoso sexual en un “ambiente hostil”; el acoso sexual también puede ser una conducta muy específica descrita en la Ley Clery o la Ley de Violencia contra la Mujer. Estos actos en particular se consideran lo suficientemente graves en el sentido de que solo uno de esos incidentes puede considerarse acoso sexual, como agresión sexual, violencia en el noviazgo, violencia doméstica y acecho.
- ◊ Otras formas de comportamiento pueden ser inapropiadas y prohibidas por otras políticas y tener otros recursos, como los Procedimientos Uniformes de Quejas del Distrito.

SI SE VIOLAN ALGUNOS DE SUS DERECHOS, HAGA ALGO AL RESPECTO. ¡ES TU DERECHO!

TU PUEDES SER LA DIFERENCIA

- ◊ No acoses. “Solo estaba bromeando” no es una defensa para el acoso sexual.
- ◊ No incites el acoso ni te quedes en silencio mientras se acosa a otra persona. Tener una audiencia anima al acosador.
- ◊ Se respetuoso con todos. Considere cómo los demás pueden percibir sus palabras y comportamiento.
- ◊ Si es acosado, dígame al acosador que se detenga.
- ◊ Si el acoso continúa, denúncielo.
- ◊ Si sus amigos o compañeros de clase le confían que han sido acosados sexualmente, anímelos a denunciarlo.

Como DEBE RESPONDER EL DISTRITO

Una vez que el Distrito tiene conocimiento de acoso sexual o acusaciones de acoso sexual, como se define en el Título IX, el Distrito debe responder con prontitud y tratar a los denunciados de manera equitativa ofreciendo medidas de apoyo individualizadas, no disciplinarias y no punitivas a ambas partes y siguiendo un proceso de quejas que cumpla con el Título IX para determinar la responsabilidad antes de que se impongan sanciones disciplinarias. Las medidas de apoyo pueden incluir derivaciones para reuniones del sistema de apoyo de varios niveles (MTSS); opciones para evitar el contacto o restricciones mutuas en el contacto, como cambios de asientos y clases, cambio de grupos de estudiantes, cambios en los lugares de trabajo, planes de seguridad, mayor seguridad y monitoreo de ciertas áreas del plantel escolar para evitar que vuelvan a ocurrir; materiales de formación y educación; apoyos académicos, extensiones de plazos, apoyo a la salud, asesoramiento y justicia restaurativa.

Is Your Athletics Program Equitable for All?

Federal and State laws require that all schools provide equitable treatment for student athletes, as stipulated under Title IX regulations. Below is a non-exhaustive checklist of typical areas that should be considered regarding equity for males and females, in an effort to facilitate competitive athletic opportunities for all students.

Scheduling	Budgeting	Equipment and Supplies	Facilities (Practice and Competition)
✓ Number of events	✓ Allocation of funds	✓ Quality	✓ Quality
✓ Number of practices	✓ Transportation	✓ Amount	✓ Availability
✓ Scheduling of games	✓ Coaching	✓ Suitability	✓ Locker room
✓ Scheduling of practice	✓ Concession opportunities	✓ Maintenance	✓ Weight room
✓ Publicity/announcements	✓ Fundraising	✓ Replacement (uniform, safety equipment, etc.)	✓ Fields
		✓ Availability	✓ Maintenance
			✓ Preparation

Title IX does not require that schools provide identical equipment or spend the same amount of money supporting comparable teams. For example, certain sports may require more funding and equipment due to various reasons (number of players, cost of equipment, required facilities). To ensure equity for all, any underrepresented team should be provided equal quality of equipment, practice/conditioning opportunities, and competitive play.

Guidelines, Title IX and Athletic Financial Assistance

Title IX of the Education Amendments of 1972 prohibits sex discrimination in education, including athletics. Whatever financial support is provided for athletics, whether through money or goods/services (for example, facilities improvements, new uniforms, better travel accommodations, better fundraising opportunities), the support will be viewed as benefits provided by the school under Title IX. Below is a summary of key considerations for ensuring equity in athletic financial assistance.

Donations: District policy requires equity in donations. Board Rule 1721 states, “It is the intent of the Board that no donation shall provide a substantial advantage in educational benefits to a school if such benefits cannot be balanced in all schools.” Donations may be received from alumni, parents, booster clubs, neighborhood businesses, or other sources. School officials must ensure that all funds are equitably distributed and do not unduly benefit a particular sports team. Potential donors can be advised about Title IX and the overall goal to equitably support the athletics program. Requests for donated funds by sports teams must also be evaluated with equity in mind.

➤ For additional District guidelines regarding processing donations, see also *BUL 5895, Donations*.

Fundraising: Students must not be required to participate in fundraising in order to participate in athletics. Mandatory fundraising is considered an unauthorized student fee. Students may not be charged fees related to extracurricular activities, including sports, unless authorized by statute. All athletics teams should have equitable opportunities to fundraise. Administrators over athletics and athletic directors need to ensure equity in opportunities by ensuring all coaches, including volunteer coaches and athletic assistants, have information about school fundraising guidelines.

Fundraisers **must** meet District guidelines.

- School administration must be able to monitor funds received and expenditures from donated funds. This includes itemized lists of funds received and expenditures. Coaches, like any school employee or school volunteer, must not privately gain from fundraisers.

Coaches: Schools must take steps to ensure that coaching staff is comparable for each team in terms of number and experience, taking into account supervision needs for particular teams. Prior to beginning any coaching service, be sure **all** coaches have met **all** coaching requirements.

Publicity and Scheduling: Title IX requires equity in sports. This includes areas such as practice and game scheduling and publicity. Administrators over athletics and athletic directors need to ensure equity in publicity (equal access to announcements, posting signs, signs on the marquee, information on the school website) and scheduling (ensure a mix of day and night contests; ensure Friday nights are equitably distributed). Scheduling impacts ticket sales.
