- 1 Navigate to Moodle (<https://moodle.caaspp-elpac.org/>) to log into your Moodle account.
- 2 Scroll down to the *LAUSD (For LAUSD Test Examiners Only)* subheading.
- 3 Select [California Alternate Assessments (CAAs)] training.
- 4 Click the training title and enter the Moodle enrollment key.
- 5 Read Course Introduction and Instructions.
- 6 Keep the Course Menu open by selecting the blue tab with three lines on the left-hand side of the screen.
- 7 Click [General Requirement Section- THIS MUST BE COMPLETED FIRST]; view and complete all videos and *Check for Understandings*. Monitor progress via the Course Menu on left panel. A green dot will appear after completing each task.
- 8 Depending on your role, view and complete all videos and *Check for Understandings* in the CAA for Science and/or CAA for ELA and Math sections.
- 9 After completing each section, select the [Certificate of Completion] link and click [Get Certificate]. You will receive an email containing the Certificate.
