REGISTER NOW! It's as Easy as 1-2-3!

To receive planning and
organizing support:

- Visit walktoschool.lacity.org
- Call our help line at (323) 942-9873
- Speak with your Ops Coordinator

Participating schools will receive 2 free Walk to School Day Banners and a student give-away! Hang the banners to promote your event and encourage students to participate in Walk to School Day!

Why encourage your school to participate?

- Reinforce responsible behavior for people that drive and walk
- Build stronger school and community partnerships
- Build awareness about traffic safety
- Help students live healthy lifestyles
- Focus schools, parents and city agencies on ways to solve safety concerns

Walk to School Day is an annual Safe Routes to School (SRTS) event that brings the school community together to raise awareness about the importance of traffic safety, and the fun and health benefits of walking.

SRTS, a partnership of the Los Angeles Department of Transportation and Los Angeles Unified School District, brings safety improvements to school neighborhood streets, and safety education to school communities.
