TITLE: Guidelines for Student Suspensions

NUMBER: BUL-5655.2

ISSUER: Michelle King
Senior Deputy Superintendent
School Operations

Earl R. Perkins
Assistant Superintendent
School Operations

DATE: August 19, 2013

POLICY: There are situations that may require suspension in response to student misconduct; however, suspension, including supervised suspension (such as in-school suspension and class suspension), should be utilized for adjustment purpose only when other means of correction have failed to bring about proper conduct and/or safety is at risk. Prior to issuing a student suspension, school administrators should implement a system of positive behavior support and strategic intervention that are age appropriate and designed to progressively and effectively address and correct the student’s specific misconduct.

MAJOR CHANGES: This Bulletin replaces BUL-5655.1 of the same title, dated July 29, 2013. It provides accurate references and continues to reflect the District’s re-organization and the implementation of Board resolution: School Discipline Policy and School Climate Bill of Rights. It also revises District policy and procedures, and provides updates of Federal and State laws, regarding student suspensions with the District’s implementation of the LAUSDMAX system.

GUIDELINES: This bulletin aligns LAUSD suspension policies and procedures with current State and Federal laws, as well as with the District’s Discipline Foundation Policy: School-Wide Positive Behavior Support (BUL-3638.0, March 27, 2007). It requires school administrators, whenever possible, to utilize positive behavior support and interventions for violations, prior to or in lieu of suspension, to resolve disciplinary issues. By law, alternatives to suspension must be used to address problems of truancy, tardiness, and/or other attendance-related issues.

A. The principal of each school must ensure that expectations of student behavior and discipline policies are communicated to staff, parents, and students at the beginning of each school year and to all newly enrolled students and their parents at the time of their enrollment in the school.

B. Before imposing a suspension for student misconduct, the principal or administrative designee should consider on-site remedial measures, resources, and interventions that address the needs of the student. Once the
principal issues the suspension, the suspension can only be rescinded by the Educational Service Center (ESC) Administrator of Operations/Designee through an appeal process and not at the school site level. However, when a principal determines a student committed a 48915 (c) offense (See Attachment B Category I) at school or at a school activity, principals have no discretion in the matter and must immediately suspend and recommend expulsion.

When a student is suspended from class by the teacher, the parent may appeal the class suspension to the school principal following the procedures described in this bulletin and the result should be documented and reflected in the student’s records.

C. It is the responsibility of site administrators to assist in the development of procedures for implementing alternatives to suspension, including any and all interventions. Pursuant to E.C. Section 48911.2 (a), schools with out-of-school suspension numbers that exceed 30% of their enrollment from the previous school year shall consider implementing alternatives to suspension.

D. All suspension information must be entered into the school’s LAUSDMAX Discipline module and all remedial measures, including prior interventions, must be documented as discipline response. (See BUL-5808.1, ISIS Discipline Module Required Usage, November 1, 2012, Discipline Web-Based Learning Videos and Quick Guides are available at http://isis.lausd.net > Tools & Resources > Discipline)

I. DEFINITIONS

A. Suspension: Removal of a student from ongoing instruction for adjustment purposes. The three types of suspension are school suspension, in-school suspension, and class suspension. A student may be suspended from one class or all classes and still remain in school during the period of suspension if the student is appropriately supervised and instructed.

B. Alternatives to Suspension: Responses that are age appropriate and designed to address and correct the student’s specific misconduct and that provide the student with an opportunity to learn the skills necessary to avoid recurrence of misconduct. (See BUL-3638.0, March 27, 2007.)

C. Principal: Unless otherwise specified, the term “principal” shall refer to the school principal or principal’s administrative designee.

D. Principal’s Designee: The principal may designate and specify in
writing any one or more administrators at the school as the “principal’s designee(s)” to assist in disciplinary procedures. If no such person is available at the school site, the principal may identify the principal of a neighboring school to be his/her designee for student discipline matters. The name(s) of the designee(s) shall be kept on file in the principal’s office and should be entered in the designee tab of Administrator Online Certification System that can be accessed at principalportal.lausd.net.

E. Parent: The term “parent” shall refer to the student’s parent(s), legal guardian(s), or other adult(s) holding educational rights.

II. LEGAL AUTHORIZATION FOR SUSPENSIONS

A. The California Education Code permits the superintendent or the principal of the school in which the student is enrolled to suspend a student if it is determined that the student committed any act(s) listed under E.C. Sections 48900, 48900.2, 48900.3, 48900.4, 48900.7, or 48915. (See Attachment A) However, the District’s policy prohibits suspension and expulsion be utilized as corrective measures in response to student misconduct of willful defiance as described in E.C. Section 48900 (k).

Offenses described in E.C. Section 48915 (c)(1) through (c)(5) and under Category I of the Matrix for Student Suspensions and Expulsion Recommendations require immediate notification to law enforcement and immediate suspension from school and recommendation for expulsion if it is determined that the student had committed the act at school or at a school activity off school grounds. (See Attachment B)

Students enrolled in kindergarten and grades 1 to 3 shall not be suspended or expelled due to sexual harassment (E.C. Section 48900.2), an act of hate violence (E.C. Section 48900.3), or threats and intimidation against district personnel or pupils (E.C. Section 48900.7).

B. Suspension of a student from school shall be employed only if the offense is related to school activity or school attendance. These offenses may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school; during the lunch period, whether on or off campus; or during, or while going to or coming from, a school-sponsored activity.

C. For all students, a single suspension may not be issued for more than five (5) consecutive school days. However, in instances where the student is being recommended for expulsion, E.C. Section 48911 (g) authorizes school districts to extend student suspensions beyond five
consecutive school days, except for students with disabilities.

For purposes of this section, the Educational Service Center (ESC) Administrator of Operations is the designee of the Superintendent of Schools and may extend the student’s suspension pending the results of the expulsion hearing. Such an extension may be imposed only when the following conditions are met:

1. The principal shall submit the recommendation to extend the suspension beyond five days to the ESC Administrator of Operations or designee for approval during the five-day suspension period.

2. The ESC Administrator of Operations or designee must schedule a meeting with the student and the parent within the five (5)-day suspension period.

3. The ESC Administrator of Operations or designee must determine, after the meeting, that the presence of the student at any school would cause a danger to persons or property or a threat of disrupting the instructional process.

4. If the action to extend suspension is not completed within the five (5)-day suspension period, the student shall be enrolled in an interim educational program.

If it is determined that the extension of suspension authorized by the ESC Administrator of Operations needs to be further extended (until the Board takes final action on the expulsion recommendation), the Superintendent of Schools shall then authorize this extension.

D. Pursuant to E.C. Section 48903, the number of days for which a student in general education, including any student being served under Section 504, may be suspended from school shall not exceed 20 days in any school year unless the student is transferred to another school or program for adjustment purposes, in which case, the number of days of suspension may be increased by 10, making the total number of suspension days from school in any school year 30. Every attempt, however, shall be made to address student misconduct by implementing interventions and alternatives to suspension.

E. The maximum number of days in a school year a student who receives special education services can be suspended shall not exceed 10, unless a court order stipulates otherwise.
Note: “Informal Suspension” (e.g., a parent is told to keep a child at home under the supervision of the parent, or a student is sent home without an official Pupil Suspension Notice) is a violation of California Education Codes, the Individuals with Disabilities Education Improvement Act (IDEIA), and District policy. It is prohibited.

III. NOTIFICATION TO LAW ENFORCEMENT

E.C. Section 48902 authorizes that the school principal, prior to suspending or recommending expulsion of a student, notify the local law enforcement if it is reasonably suspected that the student committed any of the following acts:

A. Assault with a deadly weapon. [Penal Code (P.C.) Section 245]

B. Possession or sale of narcotics or a controlled substance or sale or delivery of a substance represented as alcohol, a controlled substance, or any intoxicant. [E.C. Sections 48900 (c) and (d)]

C. Possession of a firearm(s) at a public school. [P.C. Section 626.9]

D. Possession of a dirk, dagger, ice pick, knife having a fixed blade longer than 2½ inches, folding knife with a blade that locks into place, razor with an unguarded blade, taser or stun gun, BB or pellet or other type of air gun, or spot marker upon the grounds of any school within a K-12 school district. [P.C. Section 626.10]

If the student is arrested, or released to a peace officer, the principal shall take immediate steps to notify the parent regarding the place to which the student is reportedly being taken. Prior to the release of the student to law enforcement, the principal should obtain the name, badge number, and contact information of the officer taking custody of the student. This information should be shared with the parent. Efforts to notify the parent should be documented.

Note: The principal shall not suspend a student at the time of arrest before affording the student due process rights to a conference, nor shall the principal suspend in absentia while the student is incarcerated. The principal shall wait until the student is released from custody and returns to the school and then proceed with appropriate disciplinary action. However, the principal shall begin to investigate the misconduct and gather the evidence immediately.
IV. SCHOOL SUSPENSION BY PRINCIPAL
(E.C. SECTION 48911)

A. Informal Conference with the Student

Schools are required to be proactive and to implement interventions at the earliest sign that a student’s behavior is impeding his or her learning. When student misconduct requires disciplinary action, the principal shall conduct an informal conference with the student prior to issuing a suspension. At this conference, the student shall be informed of the reason(s) for the disciplinary action and shall be given the opportunity to respond to the charge(s) and to present a defense. In addition, the principal should encourage the student to write a statement concerning the alleged misconduct and to sign and date it. (See Attachment C)

B. Suspension Conference with the Parent

If suspension is necessary, the principal shall notify the parent, remind the parent that suspension is a disciplinary action, and schedule a parent conference. The principal shall inform the parent that the parent is expected to respond without delay to any request from school officials to attend a conference regarding his or her child’s behavior.

Note: No student shall be penalized for his or her parent’s failure to attend a conference with a school official. The return of a suspended student shall not be contingent upon attendance by the student’s parent at the school conference.

C. Emergency Situation

A principal may suspend a student without holding an informal conference only if an emergency situation exists. The term “emergency situation” means that the principal has determined that the immediate conditions constitute a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended from school without the conference, the designated administrator shall notify both the parent and the student of their right to a conference and of their right to return to school for that purpose. The conference shall be held at the earliest time possible, but no later than 2 school days after the incident takes place unless the student waives this right or is physically unable to attend. In the latter instance, the conference shall be held as soon as the student is able to attend.

D. Issuing a School Suspension
1. The principal shall give the student being suspended from school a copy of the Pupil Suspension Notice, in the student’s home language and English, signed by the principal, to take home to their parent. School personnel shall also mail a signed copy of the Pupil Suspension Notice to the parent and maintain a copy in the student’s discipline file, the “Yellow Folder.”

2. The Pupil Suspension Notice, along with any efforts by school/District personnel to contact the parent should be documented and kept in the student’s discipline file, the “Yellow Folder” as described in BUL-3927.2, September 13, 2010, and never in the cumulative record folder.

3. The principal shall notify appropriate school staff of all student suspensions on a daily basis. Secondary principals need to notify all affected teachers.

E. Releasing the Student from School

When a student is suspended from school, the student shall not be released from school before the end of the student’s school day unless the parent picks up the student, or authorizes in writing (e.g., emergency card) another adult to do so. Authorization by phone is no longer permitted.

V. ADDITIONAL RESPONSIBILITIES REGARDING SUSPENSION OF STUDENTS RECEIVING SPECIAL EDUCATION SERVICES

In addition to the procedures described above, when suspension is being considered for a student receiving special education services, the school staff must review the implementation of the current Individualized Education Program (IEP). If the student’s current IEP includes a Behavior Support Plan (BSP), school staff must review its implementation and progress monitoring information including services tracked in Welligent. The following procedures apply:

A. Before any suspension: There will be an informal conference with the student as described in section IV. A. above.

B. After a suspension: The school’s Discipline Review Team (DRT) must hold a meeting after each suspension for students with disabilities to review the following:

1. Evaluate the severity of the misconduct and determine whether there are interventions that can be used that do not require an IEP
meeting.

2. Determine whether the implementation of current Behavior Support Plan (BSP) or Behavior Intervention Plan (BIP) needs to be modified. If so, an IEP meeting should be held to develop or revise the BSP/BIP to prevent recurrence of the misconduct.

In addition, if the student has been suspended 2 times, or the total days of suspension accumulate to 5, 8, or 10 school days, an IEP meeting must be convened upon the student’s return to school to determine appropriate services/placement. During the meeting, the IEP team should review, develop, or modify the student’s entire program including academic and behavioral intervention plans (such as BSP, BIP) used with the student in an effort to prevent the recurrence of the misconduct.

C. If the behavior meets the definition of “serious,” a Behavior Intervention Case Manager (BICM) must participate in the IEP meeting to determine the most appropriate behavioral assessment. (See BUL-5376.1, January 17, 2011). If the student has a Functional Analysis Assessment (FAA), and there is a Behavior Intervention Plan (BIP) or Behavior Support Plan (BSP) in the IEP, an IEP meeting should be held to review the plan and its implementation to determine if the supports and services are appropriate and make any necessary changes to the behavior plan. (Refer to the Special Education Policies and Procedures Manual, July 2007)

D. If the number of cumulative days of suspension approaches 10 days, the IEP team shall hold an IEP meeting to conduct a manifestation determination analysis. This analysis is to include discussion and documentation of the misconduct and relationship between the misconduct and the student’s disability to determine:

1. Was the misconduct caused by, or directly and substantially related to, the student’s disability?

2. Was the misconduct a direct result of the District’s failure to implement the IEP?

If the answer to either or both questions is “yes,” the IEP team shall address the behavior through implementing behavioral interventions, additional assessments, and/or changes in the student’s IEP.

If the answer to both questions is “no,” the school shall continue to support and guide the student throughout implementation of all the
services required in the IEP.

VI. SUSPENSION OF STUDENTS RECEIVING SECTION 504 PLAN SERVICES

A student who has a Section 504 Plan will be afforded the protections described in BUL-4692.1, Section 504 and Students/Other Individuals with Disabilities, September 1, 2012, as follows:

A. A student who has a Section 504 Plan may not be subjected to a disciplinary action which changes the student’s placement for more than 10 days unless the Section 504 Team, in a “Section 504 Link Determination Meeting,” first determines the following:

1. Was the misconduct caused by, or directly and substantially related to, the student’s disability?

2. Was the misconduct a direct result of the District’s failure to implement the Section 504 Plan?

B. If the Section 504 Team determines that there is no direct link between the misconduct and the student’s disability and that the misconduct is not a direct result of the District’s failure to implement the Section 504 Plan, the school may suspend the student in the same manner as it would a student without disability.

C. If the Section 504 Team determines that there is a direct link between the misconduct and the student’s disability and/or the misconduct is a direct result of the District’s failure to implement the Section 504 Plan, the Section 504 Team should consider revising the student’s Section 504 Plan and/or reviewing implementation strategies. This may include updating the accommodations and/or revising or developing a “Section 504 Behavior Support Plan.”

D. Suspensions totaling fewer than 10 days in a school year may be affected without holding a Section 504 Team Meeting. However, a noted pattern of misbehaviors may determine that a Section 504 Team meeting is needed to review and, if appropriate, modify the current Section 504 Plan, including developing a behavioral support plan.

VII. CLASS SUSPENSION BY TEACHER (E.C. SECTION 48910)

A. A teacher may suspend a student from class for any of the acts enumerated in E.C. Section 48900, except for the student misconduct of
willful defiance as described in E.C. Section 48900 (k), for the remainder of that day (elementary) or period (secondary) and for the following day or period when the class meets. *(See Attachment D)* The teacher shall immediately report the suspension to the principal and send the student to the administrator for appropriate action. Removal of a student from a particular class shall not occur more than once every five (5) school days. For students who receive special education services, refer to the procedures stipulated in section V of this bulletin. The same protections apply.

B. Prior to the close of the school day, the principal or administrative designee shall enter the Discipline Referral in LAUSDMAX and generate the Class Suspension Notice, which are signed by both the principal and the teacher who issued the suspension. The principal shall give the student being suspended from class a copy of the Class Suspension Notice. In addition, the parents’ copy of the Class Suspension Notice shall be mailed immediately to them. The Class Suspension Notice along with any efforts to contact the parent should be recorded in the student’s “Yellow Folder” and never in the cumulative record folder.

C. The teacher shall confirm by telephone with the parent the date and time of the conference, as requested on the Class Suspension Notice, to discuss the reason(s) for the suspension.

D. A student suspended from a class shall not be placed in another regular class during the period of suspension; rather, the student shall attend the supervised suspension classroom as described in section IX. D. of this Bulletin. If the student is assigned to more than one class per day, he or she must attend the classes from which he or she was not suspended.

E. The student shall not be returned to the class from which he or she was suspended during the period of suspension without the concurrence of the principal and the teacher who imposed the suspension.

F. A teacher must provide all assignments and tests that the student will miss while suspended and may require the completion of said tests and assignments from the student upon return. Students with disabilities should be provided with supports and services as outlined in their IEP.

VIII. TEACHER-REQUIRED CLASS VISIT
*(E.C. SECTION 48900.1)*

A. Per District policy, the teacher may require that the parent of the student to attend a portion of the class from which the student was suspended if
the suspension was for behavior described in E.C. Section 48900 (i) committed an obscene act or engaged in habitual profanity or vulgarity.

The intent of the Legislature is to make class visits a positive experience that may enhance and encourage collaboration between the parent and school personnel. This procedure applies only to the parent who is actually living with the student. The class visit is not meant to replace the teacher-parent conference but, rather, to be a productive adjunct to it. Following a visit to the classroom, the parent is required to meet with the principal before leaving the school site.

B. Required Procedures

1. A teacher who plans to implement this policy shall clearly inform all parents of his/her students, in advance, of the details of the implementation. Furthermore, the teacher shall use his or her authority uniformly among all students.

2. Upon receipt of the necessary information from the teacher, the principal shall prepare a written notice stating that the parent’s attendance is required pursuant to E.C. Section 48900.1 and mail the letter, along with the Class Suspension Notice, to the parent. (See Attachment E)

Note: At no time may the teacher use the parent’s failure to attend a conference or class visit to deny the student’s readmission to class after the suspension term is served.

3. To initiate the provision of E.C. Section 48900.1, when suspending a student from class, the teacher shall:

   a. Indicate on the Class Suspension Notice one of the two specified reasons cited under this law.

   b. In the space provided for comments, indicate “class visit by parent - required by teacher,” and state the date, time, and duration of the anticipated visit (30 minutes to one hour in the class is suggested).

C. Other Considerations

When implementing the procedures described in E.C. Section 48900.1, it is important that the intent of the Legislature be observed:

1. The teacher shall inform the parent of counseling and other available resources within the school and the community that may assist the
parent and the student.

2. If possible, the teacher shall schedule the class visit on the same day as the parent conference and hold the conference before the class visit. The conference may then be used, in part, to develop a better understanding between teacher and parent as to the purpose and anticipated benefit of the visit.

IX. IN-SCHOOL SUSPENSION

A. Pursuant to E.C. Section 48911.2, school districts may establish an in-school suspension program as an alternative to off-campus suspension. The intent is to encourage schools to examine alternatives to off-campus suspension that lead to resolution of student misconduct without sending students off campus. (See Attachment F)

B. In-school suspension allows school districts to:

1. Remove the disruptive student from general student body.

2. Consider student as being present for ADA purposes.

3. Reduce the number of out-of-school suspensions.

C. Students may be assigned by the principal to a supervised suspension classroom for the entire period of suspension (no more than 5 consecutive school days) if the student poses no imminent danger or threat to the campus, other students, or staff. Students who violated E.C. Sections 48900.3 (caused, attempted to cause, threatened to cause, or participated in an act of hate violence), 48900.4 (engaged in harassment, threats, or intimidation against a pupil or group of pupils or school district personnel), or 48900.7 (made terrorist threats against school officials or school property, or both) are precluded by law for in-school suspension. In addition, if an action to expel the student will be or has been initiated, an in-school suspension is not permitted in lieu of a suspension from school by principal.

D. Guidelines for Supervised Suspension Classroom

1. At the time a student is assigned to a supervised suspension classroom, a school employee shall notify, in person or by phone, the student’s parent. Whenever a student is assigned to a supervised suspension classroom for longer than one class period, the principal shall give the student a copy of the In-School Suspension Notice, signed by the principal, to take home to their parent. School
personnel shall also mail the signed copies of the In-School Suspension Notice to the parent. The In-School Suspension Notice along with any efforts to contact the parent should be recorded in the student’s “Yellow Folder” and never in the cumulative record folder.

2. Students assigned to a supervised suspension classroom shall be separated from other students at a school site for the period of suspension.

3. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no class work is assigned, the certificated staff supervising the suspension classroom shall assign schoolwork.

4. Students should have access to appropriate counseling services while serving in-school suspension.

5. Students with disabilities shall be provided with supports and services as described in their IEP.

X. APPEAL PROCEDURES

A parent may appeal a suspension if the parent disagrees or feels that the suspension is not justifiable. When issuing a suspension of any type, the principal shall, along with the Pupil Suspension Notice, provide the “Student Suspension Appeal Form” with instructions to the parent. (See Attachment G)

A. School Suspension and In-School Suspension

The appeal for school suspension and in-school suspension shall be handled by the ESC Administrator of Operations. These suspensions can be rescinded only through an appeal process at the Educational Service Center level, not at the school site level. If after the suspension conference, the parent still feels that the suspension is not justifiable and wishes to appeal the principal’s decision, the parent may request a suspension appeal and submit the paperwork to the ESC Administrator of Operations. The appeal may only be submitted from the day of suspension to five (5) school days following the last day of the student's suspension. The principal shall advise the parent of the following appeal process:

1. Within five (5) school days following the last day of the student’s suspension, the parent shall submit to the ESC Administrator of
Operations or designee the suspension appeal packet including:

a. The “Student Suspension Appeal Form” with a clear description of the complaint
b. The initial suspension documents
c. The supporting evidence for the appeal

2. Within five (5) school days of receiving the appeal packet from the parent, the ESC Administrator of Operations or designee shall form a Suspension Appeal Committee of certificated member(s) and conduct the suspension appeal review, during which the Committee shall review the documents submitted by the school and the parent. The school principal and/or parent may be present, if they have so requested.

3. Within three (3) school days of the review, the ESC Administrator of Operations will notify the parent in writing of the Committee’s decision. The results of the appeal may include, but are not limited to:

   a. Uphold the suspension in all respects.
   b. Modify the suspension imposed (e.g., reduce suspension duration, if possible).
   c. Overturn the suspension and expunge the suspension from the student’s records.

The decision of the Suspension Appeal Committee is the District’s final decision and may not be further appealed. Parents may submit written objections to the appeal decision which shall be included in the student’s “Yellow Folder.” The ESC Administrator of Operations will enter all appeal information in the Response page of the LAUSD MAX Discipline Module.

Note: If the parent files appeal for the school suspension while the student is undergoing an expulsion process, the ESC Administrator of Operations shall process the appeal in concurrence with the expulsion process. The result of the appeal must be submitted to the Student Discipline and Expulsion Support (SDES) Unit.

B. Class Suspension

A parent may appeal the class suspension by teacher to the school principal, using the same Student Suspension Appeal Form by checking the appropriate checkbox. The appeal form must be submitted from the day of suspension to three (3) school days following the last day of the
suspension. The principal shall hold an appeal conference with the parent within three (3) school days of the submission of appeal to discuss the matter. The final decision shall be made and provided to the parent in writing also within three (3) school days after the appeal conference. The parent may be present, if it is so requested.

If the appeal is upheld, the principal shall document the appeal and make change of student records in ISIS. Parents may not further appeal; however, they may submit written objections to the appeal decision which shall be included in the student’s “Yellow Folder” if the parent so requests.

XI. SUSPENSION RECORDS

A. The school principal shall issue and sign all Notices of Suspension and the teacher shall also sign the Class Suspension Notice. Appropriate personnel shall provide the signed Pupil Suspension Notice, Student Suspension Appeal Form, along with the requested conference appointment, to the parent.

B. If a student has committed multiple offenses, the school official shall enter all event codes as the reason of suspension in the LAUSDMAX Discipline module.

C. All suspensions (including school suspension, class suspension, and in-school suspension) must be entered into the LAUSDMAX Discipline module. Parent contacts, conferences, interventions, and remedial measures in response to student misconduct must also be entered as additional responses in the Discipline module.

D. All discipline records, including individual copies of the Pupil Suspension Notice, are to be kept in the student’s discipline file, the “Yellow Folder” as described in BUL-3927.2, September 13, 2010. These records must be kept for a minimum of 3 years from the date the student committed the act or was reasonably suspected to have committed the act. (See BUL-2469.0, April 24, 2006)

Note: For compliance with E.C. Section 49079 and W.I.C. Section 827, refer to BUL-3927.2, Mandated Reporting of Certain Student Behavior, September 13, 2010.

E. Recording suspension and attendance

1. Partial-Day School Suspension
If a student is suspended and leaves school before the end of the school day, that day is the effective date of the suspension and counted as day one. The suspension should be recorded as follows:

Elementary Schools: Assuming the student was present when the teacher submitted attendance, the office staff is to change the attendance status to Tardy, enter the Time Out, and enter the early leave code of “6” early leave - excused.

Secondary Schools: Teachers are to submit attendance as usual. For the periods/classes missed, the office is to enter absence reason code “4” (school suspension).

2. If the student is suspended from class or serving in-school suspension:

   a. The teacher(s) marks the attendance status as “absent.”
   b. Once the student arrives at the assigned suspension location, the designated staff member enters the corresponding absence reason code for the portion of the day the student missed due to suspension, using the following codes:

      SC - Suspended Class
      4I - In-School Suspension

Both reason codes count as “present” for ADA purposes and will not be counted in the absence totals of the student’s report card.

In-School Suspension  E.C. 48911.1

**Alternative to Suspension**

- State law authorized school districts to establish an in-school suspension program as an alternative to off-campus suspension. The intent is to encourage schools to examine alternatives of off-campus suspension that lead to resolution of student misconduct without sending students off campus.

- In-school suspension allows school districts to:
  1) Remove the disruptive student from general student body.
  2) Consider him or her as being present at school for ADA purposes.
  3) Reduce the number of out-of-school suspensions.

**Supervised Suspension Classroom**

- Student may be assigned by the principal or designee to a supervised suspension classroom for the entire period of suspension (no more than 5 consecutive school days) if the pupil poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated.

- Students who caused, attempted to cause, threatened to cause, or participated in an act of hate violence (E.C. 48900.3); engaged in harassment, threats, or intimidation against a pupil or group of pupils, or school district personnel (E.C. 48900.4); or made terrorist threats against school officials or school property, or both (E.C. 48900.7), are precluded by law for in-school suspension.
