LAUSD: Safe Zone

The recent executive order on immigration has impacted the lives of many families in Local District Central. The Board of Education ("Board") reaffirmed its position regarding immigration reform, as noted in Board Resolution 032, entitled "LAUSD Campuses as Safe Zones and Resource Centers." **The Board declared that every**

LAUSD site will be a place of support and resource for all students and families, regardless of immigration status. As such, the District has provided site administrators and District staff guidance on the process and procedures (Attachment I) to follow if federal immigration officials, including Immigration and Customs Enforcement ("ICE") agents or designees, request access to a school site or District facility, student, or student records. According to a policy memorandum released by ICE in 2011, commonly referred to as the "sensitive locations memo." ICE officers and agents are to refrain from enforcement actions at the following locations and events: schools; hospitals; institutions of worship, funerals, weddings and other public religious ceremonies; and public demonstrations. The sensitive locations policy is intended to establish a non-disruptive environment during specific activities.

If ICE agents or other federal immigration officials come on campus for any reason immediately notify your Local District Administrator of Operations and the Los Angeles School Police Department (LASPD) Watch Commander at 213-625-6631. Please refer to School Site Notification Checklist (Attachment 2).

Presidents Day Holiday—Monday, February 20, 2017

We may see an increase of student and staff absences before and after holiday breaks. In order to reduce the number of absences during this time, remind staff and families of the importance of being at school each and every day.

For Staff, remember your presence the day before a holiday is critical to the continuity of instruction. Remind parents that student attendance is also critical.

Be mindful of your facility and make sure that all doors, entrances, windows and gates are tightly secured. Attached is a sample interoffice correspondence memo that can be distributed to staff before holidays for school security (Attachment 3).

Consolidated Charitable Campaign

PSWs Address Trauma and Promote Resiliency through FOCUS (Families OverComing Under Stress)

Psychiatric Social Workers (PSWs) across LD Central have received training on an evidence-based trauma-informed intervention called FOCUS (Families OverComing Under Stress). Through FOCUS Skill Building Groups, students learn about a range of skills/strategies to support resiliency. The nine-module curriculum is customized to best meet the needs of the students through monthly groups over the course of an academic school year or for weekly groups across a two month period. It is a 9 module curriculum that provides training to children and teens in five core FOCUS resilience skills:

Ninth Street 1st Graders learning problem solving skills-STAR facilitated PSW Jessica Saba

- intensity using the FOCUS Feeling Thermometer, and implementing coping strategies.
- Problem Solving helps children and teens learn an effective strategy for solving problems.
- Managing Stress, Trauma, and Loss Reminders provides children and teens with an
 understanding of how different situations can affect them later on and how to cope with difficult or
 uncomfortable reminders.
- **Communication** introduces children and teens to active communication and how feelings can affect their ability to communicate and listen effectively.
- Goal-Setting teaches children and teens how to set effective and achievable goals.

LD Central School Based PSWs have used FOCUS in the following capacities: as a weekly 45 minute classroom intervention, in smaller targeted student groups, I-I in individual sessions and even as a weekly parenting group.

At Berendo Middle School, PSW Eugene Alper along with 2 MSW interns have been facilitating classroom presentations to the Spanish-speaking newcomer student population.

FOCUS is also provided at the following Central schools by their assigned PSWs:

9th St ES - Jessica Saba

Contreras LC - Karla Arnold & Maria Vaquerano

Franklin HS - Aron Powers

LA Academy MS - Marisol Alvarez

Lockwood ES - Guisela Carrera

Los Angeles ES - Ricardo Lopez

Restorative Justice: Informal Restorative Practices

The restorative paradigm is manifested in many informal ways beyond the formal processes. Informal restorative practices include affective statements, which communicate people's feelings, as well as affective questions, which cause people to reflect on how their behavior has affected others.

A teacher in a classroom might employ an affective statement when a student has misbehaved, letting the student know how he or she has been affected by the student's behavior: "When you disrupt the class, I feel sad" or "disrespected" or "disappointed." Hearing this, the student learns how his or her behavior is affecting others. Or that teacher may ask an affective question, perhaps adapting one of the restorative questions used in the conference script. "Who do you think has been affected by what you just did?" and then follow-up with "How do you think they've been affected?" In answering such questions, instead of simply being punished, the student has a chance to think about his or her behavior, make amends and change the behavior in the future.

Asking several affective questions of both the person who caused the harm and those harmed creates a small impromptu conference. If the circumstance calls for a bit more structure, a circle can quickly be created.

The use of informal restorative practices dramatically reduces the need for more time-consuming formal restorative practices. Systematic use of informal restorative practices has a cumulative impact and creates what might be described as a restorative milieu—an environment that consistently fosters awareness, empathy and responsibility in a way that is likely to prove far more effective in achieving social discipline than our current reliance on punishment and sanctions.

PURPOSE: The purpose of this Reference Guide is to provide guidance to site administrators and

District staff on the process and procedures to follow if federal immigration officials, including Immigration and Customs Enforcement ("ICE") agents or designees, request

access to a school site or District facility, student, or student records.

MAJOR This revises REF-6767.0 and specifies the steps school sites, Local District (LD)

CHANGES: Administrators of Operations and LD Operations Coordinators shall follow when federal

Administrators of Operations and LD Operations Coordinators shall follow when federal immigration officials, including ICE agents, request access to a school site or District facility, student, or student records. Additionally, it includes a school site notification

checklist. Refer to Attachment A: School Site Notification Checklist.

BACKGROUND: On February 9, 2016, the Board of Education ("Board") reaffirmed its position regarding

immigration reform, as noted in Board Resolution 032, entitled "LAUSD Campuses as Safe Zones and Resource Centers." The Board declared that every LAUSD site will be a place of support and resource for all students and families, regardless of immigration

status.

The 1982 U.S. Supreme Court case *Plyler v. Doe* held that undocumented children have a constitutional right to receive a free public K-12 education which provides the means to becoming a "self-reliant and self-sufficient participant in society" and instills the "fundamental values necessary to the maintenance of a democratic political system." The Board resolved that the Superintendent shall establish all K-12 schools, early education centers, adult schools, and parent centers as resource and information sites for students and their families. Further, the Board encouraged the Superintendent to increase and enhance partnerships with community-based organizations and legal services organizations that provide resources for families facing immigration challenges.

Additionally, the Board encouraged that a rapid response network be created to assist

children whose family members have been detained through providing crisis management and support services.

KEY TERMS

Below are key terms that will help District staff understand language which may be used when referring to students who have recently arrived to the United States. Although the District does not inquire about a student's immigration status, this reference guide aims to better support and assist our students and families that may be impacted by immigration matters.

Accompanied Immigrant Youth

Youth who had entered the U.S. with a biological parent and were apprehended and placed in a detention center. Release occurs once a sponsor is identified. The deportation process begins; however, unlike unaccompanied youth, families do not have the pro-bono (free) legal services available.

Unaccompanied Immigrant Youth

Youth under 18 years of age who entered the U.S. without a biological parent, were apprehended and placed in a detention center. These youth are held until a sponsor can be identified. Once released, the deportation process is initiated, and youth must attend court hearings to determine whether relief will be granted. Pro-bono legal services may be available for these youth.

Undocumented Student

Anyone who does not have the legal documentation to live in the U.S. or who has overstayed his or her visa.

Enforcement Actions

Pre-planned arrests of immigrants working, studying or living in the United States without lawful immigration status. These arrests can target a wide range of immigrants, from long-term lawful permanent residents who may have committed a minor offense, to undocumented immigrants who have final deportation orders.

Exigent Circumstances

Exigent circumstances include, but are not limited to:

- National security/terrorism
- Imminent risk of death, violence, or physical harm to any person
- Fresh pursuit of dangerous felon
- Protection of evidence in a criminal case

Extended Support Site (ESS)

The Extended Support Sites are located at each Local District and in key high volume areas. Student Health and Human Services staff at these sites assess student and family needs related to school enrollment, attendance, medical referrals, health insurance enrollment, legal resources and mental health referrals and connect them with services to ensure academic success.

Immigration and Customs Enforcement (ICE)

The U. S. Immigration and Customs Enforcement ("ICE") enforces federal laws governing border control, customs, trade and immigration to promote homeland security and public safety. ICE consists of three directorates including Homeland Security Investigations ("HSI"), Enforcement and Removal Operations ("ERO") and Management and Administration ("M&A"). Although ICE is the main immigration enforcement body, there may be other federal immigration officials or designated agents who may request access to school sites and facilities, students, or student records.

GUIDELINES:

According to a policy memorandum released by ICE in 2011 (Attachment B: ICE Memorandum: Enforcement Actions at or Focused on Sensitive Locations), commonly referred to as the "sensitive locations memo," absent exigent circumstances or other related exceptions mentioned below, ICE officers and agents are to refrain from enforcement actions at the following locations and events:

- schools
- hospitals
- institutions of worship
- funerals, weddings and other public religious ceremonies
- during public demonstrations

The sensitive locations policy is intended to establish a non-disruptive environment during specific activities. It is important to note that there are exceptions to this policy, such as where prior approval must be obtained from a higher ranking ICE official before conducting enforcement operations in a sensitive location. In some cases, prior approval is not required, such as when there is an extraordinary circumstance involving public safety. Although this policy has not been rescinded to date, there may be subsequent changes under the new Presidential administration.

Notwithstanding the ICE "sensitive locations" policy, the typical circumstances under which law enforcement officers, including federal law enforcement officers, ICE agents, federal immigration officials, or designees may have a need to come to District campuses or facilities, when acting in the scope and course of their employment, include the following scenarios:

- Request for information or for general investigative purposes
- Service of a subpoena for s records
- Service of a search warrant
- Action pursuant to exigent circumstances

Note: Exigent circumstances include, but are not limited to:

- National security/terrorism
- Imminent risk of death, violence, or physical harm to any person
- Fresh pursuit of dangerous felon
- Protection of evidence in a criminal case

These exigent circumstances are no different for any other law enforcement agency that

may come onto District property.

- **D.** <u>If ICE agents are rumored or verified to be in the community</u>, the LD Administrator of Operations shall do the following:
 - 1. Attempt to verify that ICE is conducting enforcement actions/immigration raids in the area.
 - 2. Determine if this might affect the school or students attending school.
 - 3. If it is determined that ICE activity might affect the District or school-site operations, the LD Administrator of Operations will execute responsibilities outlined above (section II A) as needed.
 - 4. Contact the Division of District Operations and the Los Angeles School Police Department (LASPD) Watch Commander at 213-625-6631.
- **E.** The Division of District Operations, in collaboration with the LASPD Watch Commander, will assist with providing support from District Headquarters (Beaudry) on a case-by-case basis. To prevent duplicate communication, further guidance to local districts will be articulated through the LD Administrator of

Operations.

III. COMMUNICATION DURING NON-SCHOOL HOURS

If an ICE agent is on site during non-school hours (weekdays or weekends), conducting official ICE business, the administrator/designee on campus should immediately call the LASPD Watch Commander. Examples of activities or locations in which ICE agents may have a need to come to a District-site during non-school hours include, but are not limited to, Early Education Programs, Youth Service Programs, athletic events, parent conferences, school dances, etc. The Watch Commander will coordinate further notifications and assist involved staff with providing support to the school.

IV. LAUSD SUPPORT SERVICES

The LAUSD has staff available throughout the District to provide support and assistance with accessing information and resources for students and families. The School Enrollment Placement and Assessment (S.E.P.A.) center located in LD Central provides families with enrollment assistance, immunizations, medical and mental health referrals, legal service referrals and health insurance enrollment.
