Outcomes

Understanding what is Chronic Absenteeism

Reviewing best practices to address Chronic Absenteeism

Review District Attendance Expectations

Review of Districtwide systems to address Chronic Absenteeism

Inclusion

Please discuss and rank these statements 1 – 6

- ☐ School Climate is an important driver of student attendance.
- ☐ Attendance is a critical factor in student achievement (e.g. academic progress, behavior, social-emotional).
- ☐ Compliance with Compulsory Attendance Laws is of the utmost importance (a critical factor).
- ☐ Attendance is a habit that can and should be taught.
- ☐ It is safe to assume that parents understand the importance of attendance.
- ☐ Teachers can benefit from Professional Development regarding student attendance.

Attendance is a Top Priority in LAUSD

For students who attend the entire 180-day school year:

- Students cannot miss **more than 7 days** all year to maintain Proficient/Advanced Attendance (96% or more)
- Students who miss **15 days or more are considered chronically absent**

Addressing Chronic Absenteeism

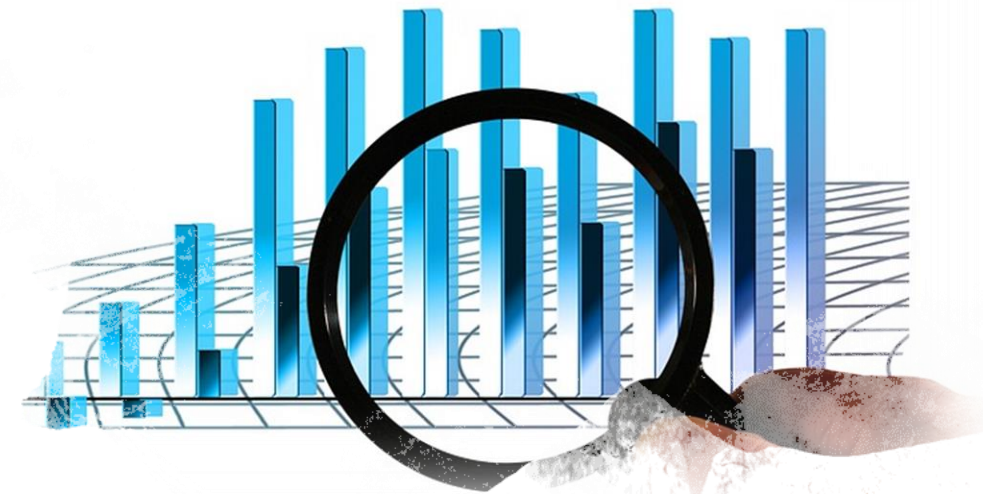

DATA DIVE

What Story does your Data Tell ?

- Take a moment to review your school's end of year data and discuss with your table/team:
 - What are the significant changes you are noticing?
 - Does the data validate your glows and grows?
 - Think about subgroups of students
 - How can your data help to validate or invalidate these hypothesis?

School Climate is an important driver of student attendance

Be safe, be respectful, be responsible, be on time!

Welcoming Environment

- What contributes to a welcoming environment?
 - In offices
 - In classrooms
 - On campus in general
 - At school activities
- How does campus safety intersect with student attendance?
- How do we value and appreciate students? Parents? Faculty and staff?
- What impact does this have on student attendance?
- What is the importance of cultural awareness and sensitivity to individual differences?

EDUCATIONAL RESEARCH

Does Attendance Really Count in Our School?

A Tool for Self Assessment

The goal of this self-assessment is to help school leaders identify strengths and opportunities to develop a systemic approach to reducing chronic absence.

For each key element consider the following:

- 1) Who needs to be involved in advancing this priority?
- 2) What are immediate next steps?
- 3) Who can take responsibility for ensuring follow-up occurs?

Does Attendance Really Count in Our School?						
A Tool for Self-Assessment						
Key Element	Strength	OK for Now	Could be Better	Urgent Gap	Don't Know	How do you know?
1. Accurate Data: The principal ensures that teachers and school staff take attendance accurately and that it is entered daily into the district data system.						
2. Attendance Team: Our attendance team, led by an administrator, meets at least every two weeks to: (a) monitor attendance data and trends; (b) coordinate the school's multi-tiered attendance strategy; (c) examine the reasons for absences using quantitative and qualitative data, and; (d) ensure chronically absent students receive needed supports.						
3. Engaging Climate: Our school has a welcoming and engaging climate that promotes safety, great teaching and learning, and interpersonal relationships with students, families, and staff.						
4. Culture of Attendance: Our school promotes a culture of attendance in year-round communication to families and students (back to school events, letters, flyers, personal phone calls, etc.) and regularly recognizes good and improved attendance.						
5. Family Engagement: Our school staff reaches out to families and engages them as partners in problem-solving.						
6. District Policy: Our district policy promotes taking a problem-solving approach that includes all staff, students, families and partners at our school.						
7. Policy Dissemination: Our school ensures the district attendance policy is communicated to families through printed materials, posted on our website, and shared at school events.						
8. Staff Capacity: Our school ensures staff knows what is chronic absence, why it matters, and what are best practices for reducing it.						
9. Improvement Plan: Our strategies for supporting student attendance are reflected in our school improvement plan.						
10. Community Partners: Our school partners with community agencies that offer resources (afterschool, health services, mentors) that help engage students and remove attendance barriers.						

(Note: Chronic Absence is missing >= 10% of school over a year including any type of absence; Satisfactory Attendance is missing <= 5% of school over a year)

Welcoming Offices support Positive School Climate

- **Strategies to Maintain a Welcoming School Culture**
 - Greet parents/Acknowledge their importance
 - Cultivate a sense of belonging for parents and the community
 - Model the school's culture and expectations
 - Reinforce that each person at the school site plays an essential role in building and strengthening a healthy culture that values respect, team work, understanding, professionalism, and strives for excellence.

Recognition Programs Improve Both School Climate and Student Attendance

- Establish criteria:
 - What/Who will be recognized?
 - When/How and Where will recognition(s) take place?
- Disseminate information about criteria to students, parents and staff so everyone is clear about how to earn recognition.
- Identify resources to sustain the program:
 - Staff (Who at the school can help?)
 - Solicit donations
 - Supplies (for example, certificate paper)

Don't be tardy to the PARTY!!!

Every time everyone in your class comes on time, your class will be entered into the weekly raffle to win a prize.

So do your part by showing up on time

2. Attendance is a critical factor in student achievement

- Academic progress
- Behavior
- Social-emotional

Benefits of Regular Attendance for Children

- Better grades and higher test scores
- Allows students to receive more instruction as well as support from staff/teachers
- More opportunities to interact with peers and form social relationships
- May help them stay out of trouble and off the streets
- Builds a lifelong habit and an understanding of the importance of regular attendance

Research Findings about Chronic Absenteeism

By high school, regular attendance is a better drop out indicator than test scores, and a student who is chronically absent in any year between 8th and 12th grades is 7 times more likely to drop out.

-Johns Hopkins University, 2015

Children regardless of gender, socioeconomic status or ethnicity, lose out when they are chronically absent.

-National Center for Children in Poverty, 2008

Beyond the Classroom

By 6th grade, chronic absence becomes a leading indicator that a student will drop out of high school. And dropping out of high school, which chronically absent students are more likely to do, has been linked to increased poverty, diminished health and involvement in the criminal justice system.

-U.S. News and World Report, 2016

3. Compliance with
Compulsory
Attendance Laws is of
the utmost
importance

Compulsory Attendance Laws (EC 48200)

E.C. 48200

Each person between the age of 6 and 18...shall attend the public full time day school or continuation school or classes for the full time designated....

E.C. 48260 Truant Pupils

Any pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse three full days or tardy in excess of thirty minutes on three occasions one school year or any combination thereof, is a truant.

- Dear Parent/guardian:
- Earlier this school year, you were notified that the pupil (child) named above was classified as a "truant" under California Education Code section 48262. To date, she has accumulated 6 absences without a valid excuse.
- Our records indicate that your pupil was excused from school this school year, who has met at least one (1) additional absence, and/or tardy. The total number of absences and tardies for this school year without a valid excuse on the following page:
- ____ Absences - _____ Tardies - _____
- For a complete report of your pupil's absences and tardies, please refer to the attached report card.
- Under Education Code section 48262, a parent/guardian is responsible for ensuring that his or her child is absent from school without valid excuse no more than six (6) days or tardy on one or more days, shall appear as reported to the education supervisor of the district.
- Education Code Section 48262 also states that it is the responsibility of the parent, legal guardian, or adult substitute, to correct or change a pupil of the above the age of 18 to ensure that the pupil attends school every day, on time and for the full duration of the school day. Failure to comply with that requirement may result in criminal prosecution of the parent/guardian/guardian substitute under Education Code section 48262 (f) or Penal Code Section 275.1.
- It is the responsibility of the parent/guardian to ensure that your pupil's attendance is important. It is important that we determine how to resolve this serious matter and discuss available resources.
- Please contact _____, Mrs. Hernandez, at _____, 323-832-4740, to schedule a conference to discuss your pupil's attendance within two school days.
- Sincerely,

Our goal is to complete review of your pupils' absences, and the school's		
policy to a complete review of the reasons for these absences and to determine whether the consequences may appear warranted, based on your child's past record. The school's policy regarding absences is found in EDC 42002.3 to inform you that:		
<ul style="list-style-type: none">• <u>Parent/guardian</u> or <u>pupil</u> is required to complete the absence of the pupil at the school.• <u>Parent/guardian</u> or <u>pupil</u> who fail to meet will categorically file the <u>pupil's</u> absence with the <u>school</u> to report to the <u>principal</u> and <u>attendance</u> personnel.• <u>Attendance</u> consequences are available in the <u>school</u>.• <u>Parent/guardian</u> or <u>pupil</u> who fail to meet will categorically file the <u>pupil's</u> absence with the <u>school</u> to report to the <u>principal</u> and <u>attendance</u> personnel.• <u>Parent/guardian</u> or <u>pupil</u> who fail to meet will categorically file the <u>pupil's</u> absence with the <u>school</u> to report to the <u>principal</u> and <u>attendance</u> personnel.		
It is recommended that the parent or legal guardian accompany the pupil at school and attend classes for the pupil at the first absence.		
This report is being issued under Education Code Section 42002.5(a). As the paravisiting guardian you may be requested to attend a meeting with a school counselor or other school designed to discuss the root causes of the attendance issue and to develop a plan to address the problem.		
Please recognize that we are required to monitor attendance and notify parent/legal guardian of potential problems with student attendance. We have concerns about your pupil's attendance and if you believe there is an error in this report, contact the school at (310) 324-7070. We designated attendance personnel with you to resolve this issue. We look forward to assisting you.

Notification of Truancy JOB AID

PURPOSE

This job aid will provide instructions for accessing the centrally mailed Initial Notification of Truancy (NOT) Letter and the procedures for generating the Second and Third Truancy Notification Letters via the MiSiS Student Truancy Report screen.

- The **Student Truancy Report** screen provides the following options:
 - View the qualifying list of students for all three letters
 - Generate Second and Third NOT letters
 - View mailed letters

Users with the **Office Manager, Principal, Pupil Services-School Based, or Counselor** roles will be able to perform the tasks outlined in this job aid to generate letters 2 and 3. All other user roles will only have access to view the letters. The job aid was created using the **Office Manager** role.

WHY MUST I DO THIS?

REF-5464 Initial Notification of Truancy (1st NOT) Central Automation and School Generated (2nd and 3rd NOT) Procedures (updated annually) and other related policies require schools to verify and update absence reason codes in MiSiS to ensure proper identification and notification of student truancy. This policy also outlines the requirements for school staff to mail the Second and Third NOT letters to parents/legal guardians of truant and habitually truant students.

REMINDERS

- Refer to the [Truancy Dates and Policy](#) hyperlink found on the **Student Truancy Report** screen to:
 - Access policy and procedures outlined in REF-5464 (Initial Notification of Truancy (1st NOT) Central Automation and School Generated (2nd and 3rd NOT) Procedures)
 - Obtain related dates and timelines
 - View when the Central Office generates the final list for the initial NOT
 - View when letters are scheduled for mailing
 - Update absence reason codes
- Parents have 10 school days following an absence to submit verification for student absences as stated in the Parent-Student Handbook.
- It is recommended that designated staff clear absences on a daily or minimum, weekly basis throughout the school year to ensure that only students who qualify receive a NOT letter. Schools should regularly generate the **MiSiS Uncleared Absence Report** to identify students with unclear absences and attempt to obtain verification for absence from parents/guardians.
- Schools must verify and clear all excused absences within a reasonable timeframe, not to exceed 10 school days from date of receipt of a valid excuse and, no later than June 30 of each school year. Failure to do so will result in the 0 and UC reason codes being counted toward classification of truancy.
- Schools must enter the appropriate Absence Reason Code to clear period absences for students who are participating in a school activity or in a school office such as Health Office, Counseling Office etc., in order to exclude them from the truancy count.

- Only **Unexcused tardies** or left earlies of 30 minutes or more may be coded with a reason code **3** and will count toward the classification of truancy.
- Notification of Truancy Letters #2 and #3 shall **not** be generated until the parent is given the opportunity to respond to the previous truancy letter, which is at least 10 school days.
- The letters have been formatted so that when tri-folded the return address will align with the window of the #10 envelope.
- Truancy Letter Removal
 - The centrally automated Initial Notification of Truancy can only be removed by the central office following the procedures outlined in REF-5464.
 - School sites may remove truancy letters 2 and 3 if sent in error by following the [Attendance Notification Screen](#) job aid.
 - Attendance Records may not be updated after June 30th
- To view letters for individual students, or remove mailed truancy 2 and 3 letters, users can access the **Attendance Notification** screen located on the student profile letter tab, refer to the [Attendance Notification Screen](#) job aid.
- To view a comprehensive list of students who have received any of the three Truancy Letters, select **Reports > Mailed Truancy Letter Report** from the reports menu.

- Keep copies of all attendance letters sent to parents.
- Maintain notes of all contacts with parents regarding attendance.
 - MiSiS Contact Log (not confidential).
 - Written notes with date and detailed information.

Remember, all notes become part of the student's pupil record when they have been shared (i.e. at an SSPT).

4. Attendance is a habit that can and should be taught

Think of other habits that children can be encouraged to develop and how they can become second-nature, like brushing teeth

Showing up every day is part of learning to be reliable and fulfill a commitment

Arriving on time is a vital skill for future job performance and entails mastery of time management

Teachers and Administrators can teach the habit of regular attendance

How can Teachers and Administrators teach Regular Attendance?

Model regular attendance

Teach through a developmentally-appropriate lesson plans.

Reinforce regular attendance

5. It is safe to
assume that
parents
understand the
importance of
student
attendance

- Consistent messaging is KEY.
- While some parents may be very aware of attendance policies and benefits of regular school attendance, other parents may either lack knowledge regarding its importance or choose to make other things a priority in their child's life

ATTENDANCE MATTERS

Los Angeles Unified School District

Attendance Matters!

September 2019

Dear Parent/Guardian,

Welcome to the 2019-2020 school year! Student attendance is a top priority in L.A. Unified. If students are not in school, they cannot learn.

Educational studies show that students who maintain excellent attendance in school do well:

- Students who are chronically absent in preschool, kindergarten and first grade are less likely to read at grade level by third grade
- Students who do not read at grade level by the end of the third grade are four times more likely than proficient readers to drop out of high school
- For every day missed, it takes a child three days or more to make up for lost instructional time

The District is partnering with parents to ensure that every child comes to school every day. Our goal is for all students to have excellent attendance. Excellent attendance means no more than seven absences throughout the academic school year. Keep it under 7. Every day matters.

This year we will work together to improve the attendance of every student in our schools. We

appreciate your support.

Thank you,

| Things to consider

Immigrant Parents: Families coming from other countries may prioritize attendance based on the policies/laws of their country of origin.

Housing, Health, Financial Situation: Families who are burdened with financial hardships, unstable living or health conditions may find it challenging to prioritize school attendance.

Mental Health: Challenges stemming from mental health issues may impair the judgment of a well-meaning caregiver.

6. Teachers can benefit from Professional Development about Attendance

Teachers are instrumental in encouraging their students to attend school daily

Teachers should be reminded of the importance of accurate and timely attendance taking procedures

PD offers an opportunity to cultivate educators' empathy by demonstrating how chronic absenteeism can be a symptom of underlying social-emotional issues

Accurate Attendance Submittal is Critical

Ensures compliance in case of an audit

Allows for every student to be accounted for in case of an emergency

Ensures parents receive accurate information when they inquire about their child's attendance

Notifications made via Blackboard-Connect, and truancy letters are accurate regarding absences and tardies

Planning Ahead

- What strategies can be implemented for students that are classified as Chronic by September 25?
- Can students move bands?

California Dashboard

<https://www.caschooldashboard.org/>

Schools and districts receive one of five color-coded performance levels on each of the six state indicators

The overall performance level is based on how current performance (status) compares to past performance (change)

Getting to Know the California School Dashboard

The California School Dashboard (www.caschooldashboard.org) is an online tool designed to help communities across the state access important information about K-12 districts and schools. The Dashboard features easy-to-read reports on multiple measures of school success. The Dashboard is just one step in a series of major shifts in public education, changes that have raised the bar for student learning, transformed testing, and increased the focus on equity.

 Indicators of School Success

Getting to Know the California School Dashboard Continued.

The California School Dashboard provides four different reports that allow custom views of school success. Users can also look at performance of all student groups on a single indicator by clicking on that indicator. Clicking on a single student group shows the performance of that student group across all six state indicators.

Equity Report

- Shows:
 - The performance of all students on the state indicators
 - The total number of student groups for each state indicator
 - The number of student groups in the Red/Orange performance levels
 - Performance on local measures (school district level only)
- Allows selection of information by indicator

State Indicators	All Students Performance	Student Group	Students Group in Red/Orange
Chronic Absenteeism	N/A	N/A	N/A
Suspension Rate (K-12)	2	2	2

Status/Change Report

- Shows for each state indicator:
 - All student performance
 - Status (Current Performance)
 - Change (Difference from Past Performance)

Detailed Reports

- Shows information about performance over time on state indicators
- Shows the locally collected performance information on the local indicators
- Organized into three categories:
 - Academic Performance
 - School Conditions and Climate
 - Academic Engagement

Student Group Report

- Shows the performance of all students and each student group on the state indicators
- Allows selection of student groups by performance level
 - Blue/Green (i.e., meeting standards)
 - Yellow
 - Red/Orange

Schools and districts receive one of five color-coded performance levels on each of the six state indicators.

Blue Green Yellow Orange Red

(Highest) (Lowest)

The color and amount that the circle is filled are two ways of showing the performance level. For example, Green will always have four segments filled and Red will always have one segment filled.

The overall performance level is based on how current performance (status) compares to past performance (change).

Schools and districts receive one of three performance levels on the four local indicators based on whether they have collected and reported local data.
