

..... *Features of*

Dual Language Education Programs

Students in Dual Language Education programs learn California literacy and content standards in two languages. In the elementary years, students spend a minimum of half of their instructional day learning grade level content in the target language* and the other half of the day in English. In secondary schools with Dual Language Education programs, a minimum of two periods of the instructional day is provided entirely in the target language.

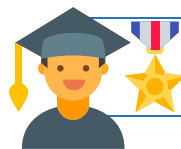

*Target language: A language other than English

Dual Language Education PROGRAM GOALS

Bilingualism & Biliteracy

Academic Achievement

Sociocultural Competence
