

AVAILABLE NOW on 

(Release 18.3, December 2, 2015)

NEW Reports: Comprehensive Student History Report – Summary

- ✓ Smart Balance Summative (SBA) reports can be found under State Assessments section now. The report has been updated to reflect the most recent SBAC data. When you click on the link you can see more detail data E.g. Exam, Test, Valid Score, Scaled Score, Area/Claim and Performance Level.

UPDATED Alert Reports for Elementary and Secondary:

- ✓ Alert reports have been updated and reduced to two reports for each dashboard.
 - **At Risk, Elementary** – This report has been modified and it currently displays fewer columns than before. It also allows you to add/include columns that are hidden. SBAC Performance Levels have been added to this report.
 - **Early Warning, Elementary** – This report has been modified and it currently displays fewer columns than before. The report can be modified to exclude columns from the current view. SBAC assessment information has been added to this report.
 - **At Risk, Secondary** – This report has been modified and it currently displays fewer columns than before. It also allows you to add/include columns that are hidden. SBAC Performance Levels have been added to this report
 - **Early Warning, Secondary** - This report has been modified and it currently displays fewer columns than before. The report can be modified to exclude columns from the current view. SBAC assessment information has been added to this report.

UPDATED My Students Prior Year Data and My Former Students, End-Of-Year Data:

- ✓ Reports have been updated to reflect Prior Year and End-of-Year SBAC information.
