

Grade Level Development of Composite Score Agreements

1. Review CCS Content and Practice standards
2. Dialogue: Which standards should be weighted more in grading?
3. Discuss & develop a grade-level agreement on weighting standards & developing domain and practice grades
4. Dialogue: Which of the CCS domain and practice grades are most pivotal for our grade level? How will we calibrate the scores in the overall composite grade?
5. Discuss & develop agreements on calibrating the overall composite score
