“The only person who is educated is the one who has learned how to learn…and change.” ~Carl Rogers

General Updates and Resources

Professional Learning Opportunities from the Los Angeles County Office of Education (LACOE)
LACOE is offering a variety of sessions, both free and fee-based, throughout the spring. All trainings are held on Zoom. Topics include Positive Behavior Interventions and Supports (PBIS), Enhancing Equity by Understanding Implicit Bias, and Restorative Practice.

Addressing Anti-Asian Racism and Discrimination: Resources for Educators from LACOE
Among the social issues exacerbated by the coronavirus pandemic is the rise of anti-Asian violence. For educators who are looking for resources to address this unsettling trend, here are some expert tips for addressing anti-Asian racism and discrimination in the classroom.

LACOE Series on Dyslexia and Struggling Readers
- Assessing & Supporting Dyslexia: What School Psychologists Need to Know
  May 12, 2021, 3:00 - 4:00 p.m.
  Audience: School Psychologists, Administrators, Instructional Coaches

Open Library
Open Library is an open, editable library catalog, building towards a web page for every book ever published. The nonprofit group, which has made millions of books available online for free, says that it is suspending waitlists for the 1.4 million works in its lending library.

Get Up! Using the Arts to Inspire Movement and Play
With remote and socially-distanced classroom spaces, student movement is more constrained than ever. We’ll tackle this challenge by sharing arts-based activities that use movement and play to get students out of their chairs (or off their sofas, beds, floors) and energized – all while staying socially distant!

Young Storytellers Partnership with Warner Bros. Media and AT&T
Story Time is a 12 episode series of short videos and activities so that kids at home can have the experience of writing their own stories and discovering the power of their creative voice. Students will submit their stories to our team and selected scripts will be brought to life through live virtual performances with professional actors, character designs by professional animators, and even mentoring sessions with Hollywood writers and directors.
Grant and Competition Opportunities

Mid-Career Education Fellowship
The California Education Policy Fellowship Program, which strengthens education policymaking by developing emerging education leaders, is accepting applications for 2021-2022. California EPFP is an initiative of the Center for California Studies and the Education Insights Center at Sacramento State and is part of a national program that has operated for more than 50 years. Its new cohort will be drawn from K-12 and higher education, executive and legislative branches of state government, and education-related non-profits. Fellows will meet five weekends during the year. Applications are due June 18. Go here to learn more about the program and apply.

K12 Grants and Upcoming Events
Upcoming and continuing grant opportunities are available.

California Grant Watch Website
The California Grant Watch website lists grants for public school teachers for the improvement of education, innovative teaching strategies, and professional development opportunities.

Educators of America Grant
MicroGrant Program for Educators and Teachers provides grants to improve technological resources. Classroom technology grant applications are reviewed on a quarterly basis and responses are given accordingly.

Grant Writing Modules
The Division of Instruction has three online modules focused on Grant Writing. Each module is between 8-15 minutes in length. Module 1: A Grant Writing Guide; Module 2: Grant Application Process; Module 3: Key Components of a Grant Proposal. To access the modules, go to MyPLN, under the learning dropdown menu, select Search LAUSD Catalog, and enter keyword Grants in the Global Search. Click on the module you wish to view.

National Education Association Foundation Learning and Leadership Grants
The National Education Association Foundation is offering $2,000 and $5,000 grant awards. Deadline for applications are February 1, June 1, and October 1, of each year.

Access, Equity, and Acceleration (AEA)

"The New Way Forward, The Sequel" Meeting and Workshops on May 15, 2021
This open meeting welcomes identified and non-identified Gifted African American/Black students and families and focuses on 'Learning and Preparing for a World That Doesn't Exist Yet.' Listen to inspiring keynote and guest speakers and participate in outstanding workshops for the parents and students grades 3rd - 12th. Share this opportunity with your African American/Black Families and join us at this free virtual event. Hosted by The Gifted Network for African American Students and Families (GNAASF).

For more information, please contact Danielle Evers, Specialist, danielle.evers@lausd.net.

End of the Year Reflection
On May 22, 2021, from 10:00 a.m. to 1:00 p.m., the Academic English Mastery Program (AMEP) is highlighting the dedicated work of administrators, teachers, and parents toward Standard English Learner achievement. This interactive experience will feature an array of workshop options for teachers, administrators, instructional coaches, and parents. The AEMP model schools and support network schools will have an opportunity to share best practices, reflect on the application of AEMP professional development for all stakeholders, and much more.

Instructional Technology Initiative (ITI)

Professional Development Opportunities
The Instructional Technology Initiative (ITI) is a department within the Division of Instruction that supports all schools interested in 21st century instructional practice. The department’s main focus is in providing professional learning opportunities founded on instructional frameworks that leverage technology in purposeful, personalized ways, such as the International Society for Technology in Education (ISTE) Standards. Please see this month’s catalogue of learning opportunities that include An Interdisciplinary Approach to Creative Computing, Computer Science Fundamentals, Game Based Learning with Minecraft: EE Intermediate - Customizing and Designing Lessons, Game Based Learning Advanced, Game Based Learning with Minecraft: EE Advanced: Getting Creative with Codebuilder, An Introduction to Using Data Sciences, Digital Presence with Purpose, Hybrid Learning Strategies for Success, Reaching Beyond the Classroom: Digital Citizen Asynchronous, Exploring Artificial Intelligence, and Teaching Artificial Intelligence.

For more information, please contact Maria Magnanimo-Toledo, Specialist, mmagna1@lausd.net.

Mastery Learning and Grading (MLG)

Equity in Grading and Instructional Practice
Mastery Grading offers an equitable alternative to traditional grading practices while Mastery Learning provides instructional strategies to support all students in achieving grade-level, standards-based proficiency. Mastery Learning and Grading PD is scheduling now for 2021-2022. The MLG PD series entails six two-hour workshops scheduled 2-3 hours apart (synchronous or school-site location depending on PD guidelines) and eight hours of asynchronous online learning. To schedule PD, please contact your Local District MLG Coach(es) or complete this request form.

For more information, please contact Chris Grounds, MLG Coordinator, christopher.grounds@lausd.net.

Multilingual and Multicultural Education Department (MMED)

Summative ELPAC Testing Window
The administration of the 2020-21 computer-based Summative ELPAC assessment must occur within the established testing window. For all students, the testing window for the computer-based Summative ELPAC assessment opened on February 1, 2021 and ends on May 14, 2021. New eligible students who enroll at the school after May 14, 2021 must be tested by May 28, 2021.

For more information, please contact Local District EL programs Coordinator or Elizabeth Shnorhokian, EL Programs/Compliance Specialist, emald4@lausd.net.

Personalized Learning Systems (PLS)

Schoology Professional Development
There are a number of new Schoology training sessions taking place this Spring. New asynchronous topics are available and synchronous topics are updated monthly. Please visit our training website to find these learning opportunities as well as Office Hours sessions and salary point classes.
