The above document was created by Local District Northeast as a visual representation of the suggested pacing found on page vi of the My Math TE. The purpose of the calendar is to inform teachers' decisions as to how the My Math curriculum could be used to help students master the CA CCSSM content and practice standards. The above is NOT a district pacing plan. Schools can also utilize the other scope and sequence resources available in the Curriculum Map Alignment Document found at <http://achieve.lausd.net/Page/5789>
