ETK

Entering Grades by Class (Module 3)

- Module 1: The composite math score is *not* considered as a criteria in the reclassification of students.
- Students will receive a score of 1-4 in Math Practices.
- Expanded TK will not participate in the elementary progress report. ETK will use the parent form from the Desired Results Developmental Profile (DRDP) 2015.
- Note in screenshot below that the 'School Year' and 'School' fields were interchanged.
