Open Library
Open Library is an open, editable library catalog, building towards a web page for every book ever published. The nonprofit group, which has made millions of books available online for free, says that it is suspending waitlists for the 1.4 million works in its lending library.

Get Up! Using the Arts to Inspire Movement and Play
With remote and socially-distanced classroom spaces, student movement is more constrained than ever. We’ll tackle this challenge by sharing arts-based activities that use movement and play to get students out of their chairs (or off their sofas, beds, floors) and energized – all while staying socially distant!

Graduate Profile Portfolio and Defense: May 20, 2021
Learn how Los Angeles Unified is turning its vision of the Graduate Profile into practice through the portfolio and defense. Participants will see LA Unified student work that demonstrates how the portfolio and defense is being implemented and have the opportunity to listen to a panel of educators, school leaders, and students on their experiences. This event is open to all school leaders, teachers, district administrators, educational partners, parents, and anyone interested in learning more about authentic assessments for K-12 students. Registration is required.
Grant and Competition Opportunities

Mid-Career Education Fellowship
The California Education Policy Fellowship Program, which strengthens education policymaking by developing emerging education leaders, is accepting applications for 2021-2022. California EPFP is an initiative of the Center for California Studies and the Education Insights Center at Sacramento State and is part of a national program that has operated for more than 50 years. Its new cohort will be drawn from K-12 and higher education, executive and legislative branches of state government, and education-related non-profits. Fellows will meet five weekends during the year. Applications are due June 18. Go here to learn more about the program and apply.

K12 Grants and Upcoming Events
Upcoming and continuing grant opportunities are available.

California Grant Watch Website
The California Grant Watch website lists grants for public school teachers for the improvement of education, innovative teaching strategies, and professional development opportunities.

Educators of America Grant
MicroGrant Program for Educators and Teachers provides grants to improve technological resources. Classroom technology grant applications are reviewed on a quarterly basis and responses are given accordingly.

Grant Writing Modules
The Division of Instruction has three online modules focused on Grant Writing. Each module is between 8-15 minutes in length. Module 1: A Grant Writing Guide; Module 2: Grant Application Process; Module 3: Key Components of a Grant Proposal. To access the modules, go to MyPLN, under the learning dropdown menu, select Search LAUSD Catalog, and enter keyword Grants in the Global Search. Click on the module you wish to view.

National Education Association Foundation Learning and Leadership Grants
The National Education Association Foundation is offering $2,000 and $5,000 grant awards. Deadline for applications are February 1, June 1, and October 1, of each year.

A-G Interventions and Supports

Middle and High School English Language Arts (ELA) Intervention Supports
This is a professional development opportunity designed for all middle school and high school ELA educators to support instructional intervention practices during and outside the regularly scheduled class period. Participants will explore the variables for learning & key principles to address unfinished learning, develop a clear understanding of instructional intervention, and access supplemental resources. Self-paced, asynchronous, accessible via Schoology.

Middle School ELA intervention materials are available in the Schoology group “Middle School ELA Intervention Programs” (HJ3C-ZF7J-C2XTB). In the group, you will find “Middle School ELA Intervention Resources” (grade-level practice of bundled standards) and “Middle School PASS ELA” (modular grade-level proficiency assessments).

For more information, please contact Richard An, A-G ELA Advisor, rha2223@lausd.net.

Middle and High School Mathematics Intervention Supports
A professional development opportunity designed for all middle school or high school mathematics educators to support instructional intervention practices during and outside of the regularly scheduled class period. Participants will explore the variables for learning and key principles to address unfinished learning, develop a clear understanding of instructional intervention, and access supplemental resources.
