

National Board Teacher Newsletter

Happy New Year!

We hope that you have had a wonderful holiday break. We are proud to announce that approximately 130 teachers have recently earned National Board Certification and join our ranks. We extend a formal congratulations to each of the new NBCTs and ask that they take note of the following:

- Please submit your PAC form and Commitment entry as soon as possible. Submission is required in Schoology by Friday, January 13th. The Forms are located in the Schoology course (the PAC can be downloaded from there). If you already submitted the PAC form please be sure to check back on your entry intermittently to view the “grade”/or any comment left for you. If no “grade” or comment is visible, please allow time for it to be reviewed.
- Detailed information regarding the PAC submission process and Commitment Form can be found in this newsletter
- We are in the midst of planning a special Recognition Event for Newly Certified NBCTs, we hope to confirm our date within the next week or so. Our target date is February 25, 2023 but official notice will be sent to you as soon as it is available.
- All newly certified NBCTs are reminded that they must attend our **NBC Information** meeting via Zoom. You will need to register via MyPLN.
- You will earn 2 hours for your attendance to the **NBC Information Meeting**. Please note that failure to attend will restrict your ability to submit any portion of the 92 hours for NBC hour credit. Please see the additional information NBC Hour Opportunity

The annual NBC Conference sponsored by Scott Mandel, Chairperson of the NBC UTLA Standing Committee and the Teacher Development and Support Branch will be held on Saturday, January 28th via Zoom. This will be the 19th annual NBC Conference and it will provide you with an opportunity to log 6 hours under Task 5.

Do see page two for additional registration information. We hope to see you on Saturday, January 28th. We start at 8:00 am.

Mentoring Opportunity

We continue to need additional mentors for qualifying teachers. We encourage to consider this important pathway. We start another 10 hour course which can provide a basic understanding and important strategies used by mentors. Again, page two will provide additional important information.

Mentoring

Do you have time to serve as a Mentor? There is still a need for Mentors for Provisional Teachers. If you are interested in providing Mentor support, matches are facilitated by Barbara Scott. The list of new teachers is generated each month and Mentors are needed year round.

Once you are assigned, remember to complete the **required** online Mentor Monthly log for your mentee (all except Task 1f and TGI candidates). The online link is located in Schoology Task 1. In addition to serving as a Mentor to Provisional Teachers, University Interns also require support. However, their Mentor requires a matching credential. To inquire if there is a need, reach out to Miko Dixon of our office. Please be sure to include your credential information and LD.
