National Board Certified Teachers,

Please accept our most sincere thanks for a great start to this school year. We realize that your services are highly desired and your ability to support is more precious now, than ever. However, I do ask that you keep the following in mind.

- All NBC teachers must reserve 2hrs. so that they may participate and attend one NBC Information meeting which is held during the 22-23 academic year.
- This will leave all NBCTs with either 90 or 44 remaining hours that may be logged for eligible activities.
- Please remember that there are “no bonus hours” that we can grant should you go over your confirmed allotted hours for this academic year. Consequently, please plan ahead and count the hours for your commitments as we value your work, your contributions and most of all wish to ensure that you are compensated appropriately for Tasks that are completed.
- The Update Information link is provided to you in the Schoology course under NBCT LAUSD General Information. Please utilize this form to update our office regarding any changes regarding your personal information, a change in certification, assignment, leave of absence and/or retiring or leaving the district.

Best wishes for an enjoyable October and a few signs of Fall.

-Peggy

NBC PAC & Commitment Form

The PAC and Commitment Forms were due on September 11th. Please be sure that you have checked on the status of your submission and addressed any comments left for you there. Review continues through this week.
