

As we move into the month of March, you are invited to take a moment to reflect on how far you have come this year. Your colleagues, administrators, and your students appreciate your hard work and dedication!

March is a great time to revisit your goals for the year and push yourself a little further. Remember that learning is a journey, and every small step you take gets you closer to success. Let's make this month one of growth and accomplishment!

The Schoology NBC Spring Log Submission window opens at 12:00 pm on March 27, 2025. You are highly encouraged to "drop in" to the upcoming NBC office hour sessions for task log preparation.

Lastly, the TDAS team is very excited to celebrate our Newly Certified National Board Teachers at this year's recognition event on Saturday, March 8, 2025. We look forward to celebrating you, your achievement, and your passion for teaching.

Sincerely,

Maria Butler

Teacher Development and Support (TDAS) Mentoring

During March, guide your mentee to review the learning profiles of their students. What does the data reveal about students' strengths and areas of need? How can your mentee better design lessons and scaffolding for student success, especially on upcoming standardized assessments? Mentees may need support scaffolding instruction to meet student needs.

With second semester well underway, your mentee has accepted the realities of teaching. Many have a better grasp of the curriculum, long term planning, and teaching strategies. It is important to continue to provide encouragement. They have almost made it through their first year of teaching!

Optional Monthly Mentor PD (Task 8 hours)

"Differentiated Instruction and Universal Design for Learning"

Join us on March 13 at 4:30 PM for this virtual PD to guide your mentees in implementing differentiated instruction to meet the diverse needs of all students. Register in [MyPLN](#).

TDAS Mentor Information Meeting

Are you supporting a mentee under Task 1? If so, have you attended one of TDAS Mentor Information Meetings this year? This is a reminder that NBCTs logging Tasks 1a-1e hours (except those exclusively mentoring candidate teachers for TGI) are required to attend this meeting in order to submit Task 1 hours. The next meeting is March 20, 2025. Register via [MyPLN](#).

- NBCTs who are 50% eligible, up to 46 hours can be approved for compensation.
