

Provisional Teachers

CSET Preparation Classes

There are many options for taking classes that will prepare you for the CSET subtest. Test prep classes are optional but highly recommended to increase your chance of success. LAUSD will reimburse the fees required for the LAUSD-approved online CSET Prep Classes. Teachers will pay the fee for each class and then submit the Provisional Teacher CSET Reimbursement form, evidence of course completion, and the receipt for payment of fees.

CSET Prep Access Form

Be sure to select a test date that will allow you to submit your results before your permit and contract expire.

CSET Support Options

The District will reimburse participants for the Test Prep Courses listed above.
