**Supporting Your Child's Educational Journey: Graduation and Life Beyond High School**

*It is never too early to begin to prepare for life after high school. Join us to learn about Transition Services for students with an Individual Education Program (IEP) ages 14+ in the Los Angeles Unified School District. This session will focus on the pathway to a diploma for students with disabilities, the difference between a diploma and a Certificate of Completion, and new California legislation establishing a pathway for select students on the alternate curriculum to earn a diploma. We will also provide an overview of the programs available for students on the alternate curriculum in adult transition programs.*

**i-Ready: Connecting Assessment, Instruction and Support for our Students**

*Come learn about the connection between assessment, what is being taught (instruction), and the supports for our students to thrive academically. i-Ready is a suite of computer-based assessments that is designed to provide a complete picture of student performance and growth across math and ELA. The reports generated highlight student strengths, areas of growth, and resources to provide next steps and a personalized learning pathway for students.*
