To get started access the LAUSD Parent Portal by visiting the website at lausdapp.lausd.net. Simply type the address into your web browser and you will be taken directly to the portal's login page.
To log in as a parent, select the "Parents" option on the login page. This will take you to a secure and personalized dashboard where you can view information about your child's education and progress.
click on the "Parents" button to access your parent account.
To complete the login process, enter your username and password into the fields. Make sure to type your information correctly.
Before logging in, you will be asked to prove that you are not a robot. To do this, click on the "I'm not a robot" checkbox.
Hit the "Sign In" button to access your parent account. Click **Login**.
Upon successful login, you will be directed to the LAUSD Parent Portal dashboard.
Click on the 'Student' option in the sidebar navigation.
To add students, click on the "Add Students" button located in the top right corner of the page.
Enter student ID number, Date of birth and PIN Code.
Confirm the student's information and check I'm not a robot.
Once you have confirmed that the information is correct, click the submit button.
If the information you entered is correct, the student will be linked to your account, and you will be able to access their information.
If the information you entered is correct, the student will be linked to your account, and you will be able to access their information. Navigating back to the 'Student' section, you will be able to view a comprehensive list of all students associated with your account.
Repeat the process for any additional students you wish to add to your account.
